CARE AND MAINTENANCE

Proper care will extend the lifespan and maintain the appearance of your bikini set.

- **Washing:** Machine wash cold with like colors.
- **Detergent:** Use a mild detergent. Avoid bleach or harsh chemicals.
- **Drying:** Air dry flat in the shade to prevent fading and maintain elasticity. Do not tumble dry on high heat.
- **Storage:** Store in a cool, dry place when not in use.

TROUBLESHOOTING AND FAQs

- **Q: The bikini does not fit correctly.**

A: Please refer to the size chart provided in the specifications section and compare your measurements. The adjustable ties allow for some customization, but selecting the correct base size is crucial.

- **Q: The fabric feels scratchy.**

A: Ensure the bikini has been washed according to the care instructions. If discomfort persists, inspect for any loose threads or manufacturing imperfections.

- **Q: How do I prevent fading?**

A: Always rinse your swimsuit with fresh water after use, especially after exposure to chlorine or saltwater. Air dry in the shade and avoid prolonged direct sunlight.

How to measure:

- > **Bust**
This is not your Bra size. Wear an unpadded Bra(your dress will have a built-in Bra) Relax arm at sides, pull tape across the fullest part of the bust.
- > **Waist**
Find the natural waist,this is the smallest part of the waist. Usually about 1inch above belly button,keep tape slightly loose to allow for breath-ing room.
- > **Hips**
Find the widest part of the hips.
Usually about 7 inch below natural waist,tape should burst across both hipbones
