The Kuromi Plushie Backpack is ready for use directly out of the packaging. Follow these steps to adjust the carrying straps:

1. **Unpack:** Carefully remove all items from the packaging.
2. **Adjust Straps:** Locate the adjustable buckles on the purple carrying straps. Slide the buckles to lengthen or shorten the straps until the backpack fits comfortably on the user's back. Ensure both

straps are adjusted evenly for balanced carrying.

3. **Inspect:** Before first use, check all seams and straps to ensure they are securely attached.

## Operating Instructions

The Kuromi Plushie Backpack is designed for light carrying and decorative purposes.

- **Carrying:** Place the adjusted shoulder straps over both shoulders. The plushie should rest comfortably on the back.
- **Storage:** The plushie features a small zippered compartment, typically located on the back. This compartment is suitable for carrying small, lightweight items such as the included stickers or other small personal belongings. Avoid overloading the compartment to prevent damage to the plushie or straps.
- **Stickers:** The included Hello Kitty stickers can be used for decoration on notebooks, personal items, or for creative play.
- **Door Hanger:** The Beach Kids cat door hanger can be placed on a doorknob to indicate privacy or simply as a decorative item.

## Maintenance

To ensure the longevity of your Kuromi Plushie Backpack Set, follow these care instructions:

- **Cleaning the Plushie:**
  - Spot clean only. Use a damp cloth with mild soap to gently wipe soiled areas.
  - Do not machine wash or tumble dry, as this may damage the plush material and internal structure.
  - Allow to air dry completely before storing or using.
- **Strap Care:** Periodically check the straps and stitching for any signs of wear or damage.
- **Storage:** Store the plushie backpack in a clean, dry place away from direct sunlight to prevent fading.
