H14 Fiber Gum 3.38 oz

H14 Fiber Gum 3.38 oz Instruction Manual

Brand: H14

Model: Fiber Gum 3.38 oz (ASIN: B0CK8LG6RF)

INTRODUCTION

The H14 Fiber Gum 3.38 oz is a versatile hair styling product designed to provide ultimate texture with flexible hold. It delivers a smooth, classic shine with a satin finish, while also protecting, conditioning, and enhancing hair fullness. This manual provides essential information for the proper use and care of your H14 Fiber Gum.

Key features include:

- **Strong & Flexible Hold:** Keeps styles in place while allowing natural movement.
- **Natural Shine Finish:** Leaves hair with a healthy, non-greasy luster.
- **Stretchable Fiber Texture:** Adds definition and separation.
- **Reworkable Throughout the Day:** Great for reshaping without reapplying.
- **Water-Soluble Formula:** Easy to apply and rinse out.

The image displays the black rectangular container of H14 Fiber Gum, featuring the brand name 'H14', 'FIBER GUM', and '3.38 fl. oz. / 100 ml e' printed in silver text on the front.

SETUP AND PREPARATION

Before applying H14 Fiber Gum, ensure your hair is clean and either dry or slightly damp. The product is designed to work effectively on both, allowing for different styling outcomes. For best results, start with a small amount and add more if needed.

OPERATING INSTRUCTIONS

Application

- Step 1: Dispense Product.** Take a small amount of H14 Fiber Gum onto your fingertips. A pea-sized amount is often sufficient to start.
- Step 2: Emulsify.** Rub the product between your palms to warm it up and spread it evenly. This helps activate the fibers and makes application smoother.
- Step 3: Apply to Hair.** Distribute the fiber gum evenly through your hair, working from roots to ends. For more volume, apply closer to the roots. For definition, focus on the ends and specific sections.
- Step 4: Style as Desired.** Use your fingers or a comb to shape your hair into the desired style. The flexible hold allows for easy manipulation.
- Step 5: Rework (Optional).** The product is reworkable throughout the day. If your style needs refreshing, simply reshape your hair with your hands. No need to reapply unless significant hold is lost.

Note: For external use only. Avoid contact with eyes. If irritation occurs, discontinue use. Keep out of reach of children.

MAINTENANCE

To ensure the longevity and effectiveness of your H14 Fiber Gum, follow these maintenance guidelines:

- Storage:** Store the container in a cool, dry place away from direct sunlight and extreme temperatures.
- Seal Properly:** Always replace the lid tightly after each use to prevent the product from drying out and to maintain its texture.
- Cleaning:** The product is water-soluble, making it easy to rinse out of hair with water and shampoo. No special cleaning is required for the container itself, beyond wiping any residue from the rim.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Hair feels too sticky or greasy.	Too much product applied.	Use a smaller amount. Start with a pea-sized amount and add more only if necessary. Ensure even distribution.
Product doesn't hold style.	Insufficient product, or hair is too wet.	Ensure hair is mostly dry or only slightly damp. Apply a bit more product, focusing on areas needing hold.
Product is hard to spread.	Not emulsified properly, or product is cold.	Rub the product thoroughly between your palms until it softens and becomes transparent before applying. Store at room temperature.

SPECIFICATIONS

Attribute	Detail
Product Name	H14 Fiber Gum
Net Weight / Volume	3.38 oz / 100 ml
Product Dimensions	2.5 x 2.5 x 2.5 inches; 4.16 ounces (packaged)
