Lemess M1070 Armored Transports Tank

Lemess M1070 Armored Transports Tank Building Kit User Manual

Model: M1070 Armored Transports Tank

1. INTRODUCTION

This manual provides comprehensive instructions for assembling and understanding the features of your Lemess M1070 Armored Transports Tank Building Kit. This detailed model, consisting of 3482 pieces, accurately replicates a WW2 military tank and its transport vehicle. Please read these instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger builders. Keep all packaging materials away from children.

Recommended age for this building kit is 14 years and up.

3. PACKAGE CONTENTS

Before starting assembly, please verify that all components are present:

- Tank Building Kit (3482 pieces) x 1
- Paper Instruction Manual x 1

If any parts are missing or damaged, please contact customer support.

4. SETUP AND ASSEMBLY

The Lemess M1070 Armored Transports Tank Building Kit is designed for assembly following the included paper instructions. The kit contains 3482 building bricks. It is recommended to sort the pieces by type and color before beginning to facilitate the building process.

1. Unpack all components and verify against the parts list in the paper manual.
2. Follow the step-by-step diagrams provided in the paper instruction manual.

3. Ensure each brick is securely connected to prevent the model from falling apart.
4. Take your time and enjoy the building process.

The finished model measures approximately 30 inches (L) x 5.5 inches (W) x 5 inches (H) for the transports tank and 14 inches (L) x 4.7 inches (W) x 6 inches (H) for the tank itself.

5. OPERATING FEATURES

The Lemess M1070 Armored Transports Tank model includes several interactive features:

- **Rotatable Turret:** The tank's turret can be rotated for dynamic display options.
- **Adjustable Gun Barrel:** The gun barrel can be swung up and down.
- **Opening Doors:** The doors on the transport vehicle can be opened.
- **Rotatable Trailer:** The trailer section of the transport vehicle can be rotated.
- **Foldable Load Climbers:** The ramps used for loading the tank onto the trailer are foldable.
- **Removable Top Cover:** The top cover of the transport vehicle can be quickly removed.
- **Opening Engine Exhaust Port:** The engine exhaust port on the tank can be opened.
- **Steerable Front Wheels:** The front wheels of the transport vehicle can be steered.
- **Opening Hood:** The hood of the transport vehicle can be opened.

Top cover can be quickly removed, doors can be opened

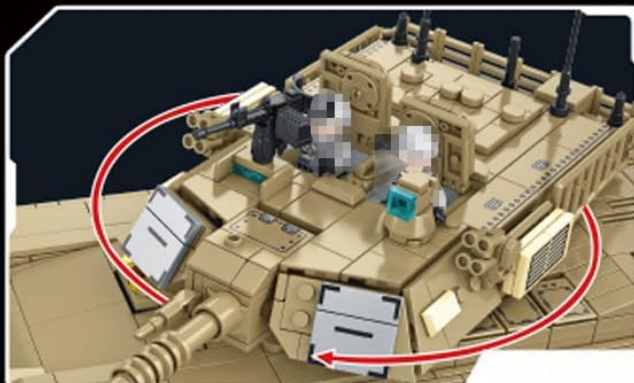

The barrel can be swung up and down.

The trailer can be rotated.

Engine exhaust port can be opened.

The turret can be rotated.

The load climbing ladder is foldable.

6. MAINTENANCE

To ensure the longevity and appearance of your Lemess M1070 Armored Transport Tank model, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For more thorough cleaning, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid accidental detachment of pieces.

7. TROUBLESHOOTING

If you encounter any issues during or after assembly, consider the following:

- **Missing Pieces:** Double-check all packaging materials and the building area. If pieces are genuinely missing, refer to the

"Warranty and Support" section for assistance.

- **Loose Connections:** Ensure all bricks are firmly pressed together. Sometimes a piece may appear connected but is not fully seated.
- **Assembly Errors:** Carefully review the relevant steps in the instruction manual. Disassemble and reassemble the problematic section if necessary.

8. SPECIFICATIONS

Feature	Detail
Product Name	Lemess M1070 Armored Transports Tank Building Kit
Model Number	M1070
Brand	Lemess
Number of Pieces	3482
Material	ABS
Product Dimensions (Transports Tank)	30 in (L) x 5.5 in (W) x 5 in (H)
