### Acanva Armchair Light Khaki

# Acanva Modern All-Weather Aluminum Outdoor Patio Sofa - Armchair Light Khaki

Model: Armchair Light Khaki

Brand: Acanva

## INTRODUCTION

---

This instruction manual provides essential information for the assembly, operation, and maintenance of your Acanva Modern All-Weather Aluminum Outdoor Patio Sofa, specifically the Armchair Light Khaki model. Designed for comfort and durability, this outdoor furniture piece is crafted to withstand various weather conditions, making it an ideal addition to your patio, sunroom, or backyard oasis.

The armchair features a sturdy aluminum frame and water-proof Olefin fabric, ensuring longevity and ease of care. Its plush cushions are filled with quick-dry foam, providing comfortable support and allowing for quick drying after rain. The removable cushion covers are machine washable for convenient maintenance.

## SAFETY INFORMATION

---

- Ensure all components are securely fastened before use. Loose parts can cause instability and potential injury.
- Do not exceed the maximum weight limit of 330 pounds for this armchair.
- Keep children and pets away from the assembly area during setup to prevent accidents.
- Avoid placing the furniture on uneven surfaces to prevent tipping.
- In case of severe weather conditions (e.g., strong winds, heavy snow), it is recommended to store the furniture indoors or cover it with an all-weather protective cover to prevent damage.
- Do not use harsh chemicals or abrasive cleaners on the frame or fabric, as this may damage the materials.

## SETUP AND ASSEMBLY

---

Assembly is required for this product. It is recommended that two people assemble the armchair for ease and safety. All necessary tools are included in the hardware pack.

- Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
- Attach Legs to Frame:** Identify the armchair frame and the four legs. Align the pre-drilled holes on the legs with those on the frame. Insert the provided screws and washers, then tighten them using the included Allen wrench. Do not overtighten.
- Secure Armrests:** If the armrests are separate, attach them to the main frame using the designated hardware. Ensure they are firmly secured.
- Place Cushions:** Once the frame is fully assembled and stable, place the seat cushions onto the base and the back cushions against the backrest. The cushions are designed for a snug fit.
- Final Check:** Double-check all screws and connections to ensure they are tight and secure before using the armchair.

## MAINTENANCE

---

Proper care and maintenance will extend the life and appearance of your Acanva outdoor armchair.

- **Cushion Care:** The removable cushion covers are machine washable. Use a gentle cycle with cold water and mild detergent. Air dry or tumble dry on low heat. Do not bleach.
- **Frame Cleaning:** Clean the aluminum frame with a soft cloth and mild soap and water. Rinse thoroughly and dry completely to prevent water spots.
- **Olefin Fabric Care:** For general cleaning of the Olefin fabric, use a soft bristle brush to remove loose dirt. For spills, blot immediately with a clean cloth and a solution of mild soap and water.
- **Winter Storage:** During prolonged periods of non-use or severe winter weather, it is highly recommended to store the armchair indoors or cover it with a high-quality, breathable outdoor furniture cover to protect it from extreme conditions.
- **Teak Wood Armrests:** The armrests are made of teak wood with a waterproof hard wax oil finish. Periodically inspect the finish and reapply a suitable wood protector if needed to maintain its appearance and water resistance.

## TROUBLESHOOTING

---

If you encounter any issues with your Acanva outdoor armchair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Armchair feels wobbly or unstable.	Loose assembly screws or uneven surface.	Check and tighten all assembly screws. Ensure the armchair is placed on a flat, level surface.
Cushions appear stained after a spill.	Stain not treated promptly or incorrect cleaning method.	Remove cushion covers and machine wash according to maintenance instructions. For stubborn stains, pre-treat with a fabric-safe stain remover before washing.

Problem	Possible Cause	Solution
Water pooling on cushions after rain.	Cushions are designed to be quick-drying but may retain some surface water.	Tilt cushions to drain excess water. Allow to air dry completely before use. For best results, store cushions indoors during heavy rain.
