HIGH GODO YC1510

HIGH GODO Sanemi Sword Building Set Instruction Manual

Model: YC1510

Introduction

This manual provides detailed instructions for assembling and caring for your HIGH GODO Sanemi Sword Building Set. This set allows you to construct a 39-inch replica of the Sanemi Shinazugawa sword from the Demon Slayer anime, complete with a scabbard and display stand. It consists of 710 high-quality building blocks designed for teens aged 14 and up.
Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

- Keep all small parts away from young children and pets.
- Adult supervision is recommended during assembly for younger teens.
- The assembled sword is intended for display and light swinging. Do not swing vigorously or use as a weapon.
- Ensure all connections are firm to prevent parts from detaching during handling.
- This product is made from non-toxic plastic materials.

What's in the Box

Your HIGH GODO Sanemi Sword Building Set package should contain the following items:

- Building Blocks (710 pieces)
- Instruction Manual
- Brick Separator
- Stickers

If any parts are missing, please refer to the "Warranty & Support" section for assistance.

Assembly Instructions

Follow the included clear, step-by-step instructions to assemble your Sanemi Sword. The building blocks are designed to fit together easily without excessive force.

1. **Unpack Components:** Carefully open the packaging and lay out all the building blocks, the instruction manual, brick separator, and stickers.
2. **Review Instructions:** Before starting, familiarize yourself with the instruction manual. Each step is illustrated to guide you through the process.
3. **Assemble the Blade:** Begin by connecting the pieces that form the sword's blade. Pay attention to the orientation of the luminous blocks and any specific patterns.

4. **Construct the Hilt:** Attach the hilt components to the blade, ensuring a secure connection.
5. **Apply Stickers:** Refer to the manual for the correct placement of any decorative stickers on the blade or hilt.
6. **Assemble the Scabbard:** Build the scabbard separately, following the dedicated steps in the manual.
7. **Build the Display Stand:** Construct the display stand according to the instructions. This stand is designed to securely hold both the sword and its scabbard.

Operating Instructions

The HIGH GODO Sanemi Sword Building Set is primarily designed as a collectible display item. Once assembled, it can be:

- **Displayed:** Place the sword and scabbard on the provided stand for an impressive display.

- **Cosplay:** The sword's accurate design makes it suitable for cosplay purposes.

Important: Avoid vigorous swinging or striking objects with the sword, as this may cause damage to the blocks or lead to injury.

Maintenance

- **Cleaning:** To clean the building blocks, wipe them gently with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.

- **Storage:** Store the assembled sword and its components in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic.
- **Disassembly:** If you need to disassemble the sword, use the provided brick separator to carefully detach the blocks. Avoid pulling forcefully, which could damage the pieces.

Troubleshooting

Problem	Solution
Missing parts in the kit.	Contact HIGH GODO customer support. Clearly state which part is missing (refer to the instruction manual for part identification).
Blocks are difficult to connect or disconnect.	Ensure blocks are correctly aligned. Use the included brick separator tool for easier detachment. Avoid excessive force.
Assembled sword feels unstable.	Review the assembly steps to ensure all connections are firm and correctly placed. Some parts may require a gentle but firm push to fully engage.
