Cat Craft 0005501

Cat Craft 3-Level Cat Condo Tree

USER MANUAL

Introduction

Thank you for choosing the Cat Craft 3-Level Cat Condo Tree. This product is designed to provide your cat with a dedicated space for play, climbing, perching, and resting. It features multiple levels, a comfortable bed, a scratching surface, and a hanging toy to encourage natural feline behaviors and promote physical and mental well-being. This manual provides essential information for assembly, usage, maintenance, and safety.

The Cat Craft 3-Level Cat Condo Tree, featuring a cat resting on the elevated bed and another cat inside the enclosed condo.

Safety Information

Please read and understand all safety instructions before assembly and use. Keep this manual for future reference.

- This product is intended for use by pets only.
- Do not allow animals with chewing behaviors to use this product unsupervised. Ingestion of materials could pose a choking hazard.
- Ensure all components are securely fastened during assembly to prevent instability.
- Place the cat tree on a flat, stable surface to minimize the risk of tipping.
- Regularly inspect the cat tree for loose parts, damage, or wear. Discontinue use if any significant damage is observed.
- Keep away from open flames or heat sources.

Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Base Platform
- Vertical Support Posts (various lengths)
- Condo Unit
- Mid-Level Platform with Scratch Pad
- Top Elevated Bed
- Hanging Toy (Dangling Ball)
- Hardware Pack (screws, bolts, Allen wrench)
- Instruction Manual

Assembly Instructions

Assembly of the Cat Craft 3-Level Cat Condo Tree is designed to be straightforward. Follow these steps carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Compare with the Package Contents list to ensure everything is present.
2. **Attach Base Post:** Secure the shortest vertical support post to the base platform using the provided hardware. Ensure it is tightened firmly.
3. **Assemble Condo Unit:** Attach the condo unit to the base post. Some models may require attaching the condo directly to the base platform before adding the post. Refer to the specific diagrams in your included manual.
4. **Install Mid-Level Platform:** Connect the next vertical support post to the top of the condo unit or the previous post. Then, attach the mid-level platform with the integrated scratch pad to this post.
5. **Attach Top Elevated Bed:** Secure the longest vertical support post to the mid-level platform. Then, attach the top elevated bed to the top of this post.
6. **Attach Hanging Toy:** Locate the designated attachment point on the top platform or post. Securely attach the dangling ball toy.

Usage Instructions

The Cat Craft 3-Level Cat Condo Tree offers various features for your cat's enjoyment and well-being.

- **Scratching Pad:** The mid-level platform includes a sisal scratching pad. Encourage your cat to use this area for scratching to maintain claw health and protect your furniture.
- **Elevated Bed:** The top-level bed provides a secure and elevated spot for your cat to rest, observe its surroundings, and feel safe.
- **Condo Unit:** The enclosed condo at the base offers a private, cozy retreat for napping or hiding.
- **Hanging Toy:** The dangling ball toy provides an interactive element for play and exercise.
- **Climbing and Perching:** The multi-level design allows cats to climb, jump, and perch at different heights, satisfying their natural instincts.

3-LEVEL CAT CONDO TREE WITH BED, SCRATCH & HANGING CAT TOY

The cat tree supports various feline activities including play, rest, privacy, and scratching.

Maintenance

Proper maintenance will extend the life of your Cat Craft 3-Level Cat Condo Tree.

- **Cleaning:** The fabric components are spot clean only. Use a damp cloth and mild detergent for small stains. Avoid saturating the material. Vacuum regularly to remove loose fur and debris.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

- **Damage:** If any part of the cat tree becomes significantly damaged or unstable, discontinue use and consider replacing the affected component or the entire unit.

Troubleshooting

Here are solutions to common issues you might encounter:

- **Instability:** If the cat tree wobbles, ensure it is placed on a level surface. Check all assembly connections and tighten any loose screws or bolts.
- **Cat Not Using Tree:** Cats may need time to adjust to new items. Try placing treats or familiar toys on different levels. You can also use catnip to attract your cat to the scratching areas or beds.
- **Worn Scratching Surface:** Over time, the scratching pad may show wear. While designed for durability, excessive wear may reduce its effectiveness. Consider replacing the unit if the scratching surface is no longer functional.
