Key Features:

- Adaptogen-infused with Ashwagandha, Maca, Shatavari, Electric Daisy, Damiana, Reishi, and Cordyceps mushrooms.
- Clean vegan ingredients, free from Phthalates, Parabens, PEGS, Petrochemicals, Mineral Oil, Propylene Glycol, Gluten, Sulfates, Dyes, and Hormones.
- pH-balanced for gentle intimate care.
- Features notes of vanilla, sandalwood, rose, and ylang-ylang.
- Beneficial for both solo and partnered use.

SETUP AND PREPARATION

Before first use, ensure the bottle is at room temperature. Gently shake the bottle. Remove the cap and press the pump to dispense the oil. It is recommended to perform a patch test on a small area of skin to check for any sensitivities before full application.

OPERATING INSTRUCTIONS

To use the product, apply 2-3 pumps to desired areas. This oil is suitable for both solo and partnered use. It can function as a multi-tasking massage and intimacy oil, utilizing botanical aphrodisiacs. Additionally, it can be applied as an erogenous zone massage oil, providing natural and nourishing apricot and meadowfoam seed oils. The pH-balanced formulation supports gentle intimate care. The oil may also be used as a daily skin moisturizer, as it helps relax the body, amplify sensitivity, and encourage blood flow.

SAFETY INFORMATION

This product is not compatible with latex, polyurethane, or polyisoprene condoms. Avoid contact with eyes. Discontinue use immediately if irritation occurs. Consult a healthcare professional if you have any

pre-existing conditions or concerns.

**Mind says go time,
Body takes sweet time.
Why wait?
Open the floodgates.**

GET IN THE MOOD

Vanilla & Sandalwood

Mood Maker's intoxicating, signature warm floral essence has subtle notes of vanilla, sandalwood, rose and ylang ylang - sparking the senses and bringing just a hint of scent into play.

CARE AND STORAGE

Store the product in a cool, dry place, away from direct sunlight. Ensure the cap is securely closed after each use to prevent contamination and maintain product integrity. Keep out of reach of children.

TROUBLESHOOTING

If you experience any skin irritation, discontinue use immediately and rinse the affected area with water. If the irritation persists, consult a medical professional. If the pump mechanism is not working, ensure it is fully primed by pressing it several times. If the product consistency changes or develops an unusual odor, discard it.
