## Hercules Stream 100

# Hercules Stream 100 Audio Mixer Instruction Manual

Model: Stream 100

## INTRODUCTION

---

The Hercules Stream 100 is an intuitive audio controller designed for content creators, streamers, and gamers. It simplifies audio management during live sessions, allowing real-time control over various sound sources. With its built-in LCD screen, you can monitor and adjust up to 8 audio tracks simultaneously, ensuring quick reactions to your audio environment. The device also features 4 assignable action buttons for customized controls and a fully customizable interface to match your personal setup.

## PACKAGE CONTENTS

---

- Hercules Stream 100 Audio Mixer
- USB Connection Cable
- Instruction Manual (this document)

## OPERATION

### Audio Source Management

The Hercules Stream 100 allows complete management of your audio. Configure up to 8 tracks

simultaneously across 2 pages of 4 tracks each. Use the 4 volume level management encoders to adjust sound levels and mute/unmute tracks. The device is compatible with USB microphones.

## MAINTENANCE

To ensure the longevity and optimal performance of your Hercules Stream 100, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the device. Avoid abrasive cleaners or solvents that could damage the surface.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Software Updates:** Regularly check the official Hercules website for firmware and software updates to ensure you have the latest features and bug fixes.

## TROUBLESHOOTING

If you encounter issues with your Hercules Stream 100, consider the following common troubleshooting steps:

- **No Audio Output:** Ensure the device is properly connected via USB and the Hercules Stream

Control app is running. Check your PC's audio settings to confirm the Stream 100 is selected as the output device. Restarting your system and reinstalling the software may resolve persistent issues.

- **Software Freezing/Bugs:** Ensure your Hercules Stream Control app and device firmware are up to date. If the software becomes unresponsive, try restarting the application or your computer.
- **Buttons/Encoders Unresponsive:** Verify the USB connection. If the issue persists, restart the device and the software.

## SPECIFICATIONS

Feature	Detail
Item Weight	1.19 pounds
Product Dimensions	7.48 x 6.89 x 4.33 inches
Item Model Number	4780933
Number of Channels	8
Connectivity Technology	USB
Material Type	Plastic
Color Name	Black
Power Source	Corded Electric

## WARRANTY AND SUPPORT

For warranty information and technical support, please refer to the documentation provided with your purchase or visit the official Hercules website. Protection plans are available for extended coverage.
