TAYAMA 33 lbs. Rice Dispenser Instruction Manual

Model: B0CKH6P6L9

INTRODUCTION

This manual provides instructions for the safe and efficient use of your TAYAMA 33 lbs. Rice Dispenser. Please read all instructions carefully before assembly and operation. This dispenser is designed for storing and dispensing dry grains such as rice.

PRODUCT COMPONENTS

Before assembly, ensure all components are present and undamaged. The TAYAMA Rice Dispenser consists of the following parts:

1. Lid

2. Rice Container (Barrel Body)
3. Base with Dispensing Mechanism
4. Measuring Drawer

1. Lid

2. Rice container

3. Base

4. Drawer

SETUP INSTRUCTIONS

Follow these steps to assemble your rice dispenser:

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Clean Components:** Wash the rice container, lid, base, and measuring drawer with mild soap and water. Rinse thoroughly and dry completely before use.
3. **Mount Barrel Body to Base:** Align the rice container (barrel body) with the base. Gently lower the container onto the base, ensuring it fits securely.
4. **Lock the Latch:** Secure the barrel body to the base by engaging the latch mechanism. This ensures stability during use.
5. **Place Measuring Drawer:** Insert the measuring drawer into its designated slot at the bottom of the base.

OPERATING INSTRUCTIONS

Using your TAYAMA Rice Dispenser is simple and convenient:

1. **Filling the Dispenser:** Open the lid at the top of the rice container. Pour your desired dry grain (e.g., rice) into the container. The maximum capacity is 33 lbs (15 kg). Close the lid securely after filling.
2. **Setting Storage Date (Optional):** The lid features a date indicator. You can set this to the date you filled the dispenser to track freshness.
3. **Dispensing Grains:** To dispense, turn the knob located on the front of the base 90 degrees to the right. Each turn dispenses approximately 135g (1 cup) of grain into the measuring drawer.
4. **Collecting Grains:** Once the desired amount of grain has been dispensed, remove the measuring drawer from the base to collect the contents.

MAINTENANCE AND CARE

Proper care ensures the longevity and hygiene of your rice dispenser:

- **Cleaning:** All components should be hand washed only with mild soap and water. Do not use abrasive cleaners or scouring pads.
- **Drying:** Ensure all parts are completely dry before reassembly and refilling to prevent moisture buildup and potential mold growth.
- **Dishwasher/Microwave:** This product is NOT dishwasher safe and NOT microwaveable.
- **Material:** Made from BPA-free, food-grade PP and ABS plastic.

TROUBLESHOOTING

If you encounter any issues with your rice dispenser, refer to the following common solutions:

- **Dispenser Not Dispensing:**
 - Check if the rice container is empty or nearly empty.
 - Ensure the dispensing knob is turned fully 90 degrees.
 - Verify that no large foreign objects are obstructing the dispensing mechanism.
- **Inconsistent Dispensing Volume:**
 - Ensure the dispenser is placed on a flat, stable surface.
 - Check for any residue or buildup in the dispensing mechanism that might affect measurement. Clean thoroughly if necessary.
- **Lid Not Sealing Properly:**
 - Inspect the lid and the rim of the container for any debris or damage.
 - Ensure the lid is correctly aligned and pressed down firmly.

SPECIFICATIONS

Feature	Detail
Brand	TAYAMA
Model	B0CKH6P6L9
Capacity	33 lbs (15 kg)
Dispensing Volume	Approx. 135g (1 cup) per turn
Dimensions (L x W x H)	16" x 8.75" x 16.5" (40.64 cm x 22.22 cm x 41.91 cm)
