OUTON B0CKHJKBF1

OUTON Smart Foldable LED Floor Lamp RGBICWW User Manual

Model: B0CKHJKBF1 | Brand: OUTON

1. Introduction

This manual provides instructions for the setup, operation, and maintenance of your OUTON Smart Foldable LED Floor Lamp. This lamp features RGBICWW technology, offering a wide range of colors and white light temperatures, multiple control options, and a foldable design for versatile placement.

2. Safety Information

- Ensure the power supply voltage matches the lamp's requirements before connecting.
- Do not disassemble or modify the lamp. This may void the warranty and pose a safety risk.
- Keep the lamp away from water and high humidity environments.
- Avoid direct eye exposure to the LED light source for prolonged periods.
- Place the lamp on a stable, flat surface to prevent tipping.
- Unplug the lamp from the power outlet before cleaning or when not in use for an extended period.

3. Package Contents

Verify that all components are present in the package:

- OUTON Smart Foldable LED Floor Lamp (4 detachable sections)
- Lamp Base
- Power Adapter
- Remote Control
- User Manual

4. Product Overview

The OUTON Smart Foldable LED Floor Lamp is designed to provide customizable lighting for various indoor settings. It features a modular, foldable structure allowing for different configurations.

Key Features:

- **Foldable Design:** Composed of 4 detachable units, allowing for 360° adjustable angles and various shapes.
- **RGBICWW Technology:** Offers 16 million colors and white light temperatures from 2700K (warm) to 6500K (cool white).
- **High Brightness:** 24W LED light source, generating up to 2600 Lumens, fully dimmable.
- **Dynamic Effects:** Over 300 dynamic multi-color lighting effects and customizable DIY modes.
- **Multiple Control Methods:** Control via remote, integrated button, smartphone app (Bluetooth), and voice commands (Alexa, Google Assistant).
- **Music Sync:** Built-in microphone enables light synchronization with music or voice.

5. Setup Instructions

The OUTON Smart Foldable LED Floor Lamp is designed for straightforward assembly.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Attach Base:** Secure the lamp's bottom section to the base. Ensure it is firmly tightened.
3. **Connect Sections:** Connect the remaining detachable lamp sections by aligning the connectors and pushing them together until they click into place. The lamp consists of 4 sections.
4. **Adjust Angle:** Once assembled, adjust the joints to achieve your desired lamp shape or angle. An extra screwdriver is provided for tightening joints if needed.

5. **Connect Power:** Plug the power adapter into the lamp and then into a standard electrical outlet.

Image: The lamp's dimensions (173.8cm total height, 37.5cm and 43.7cm section lengths, 16.6cm base width) and its foldable units are illustrated.

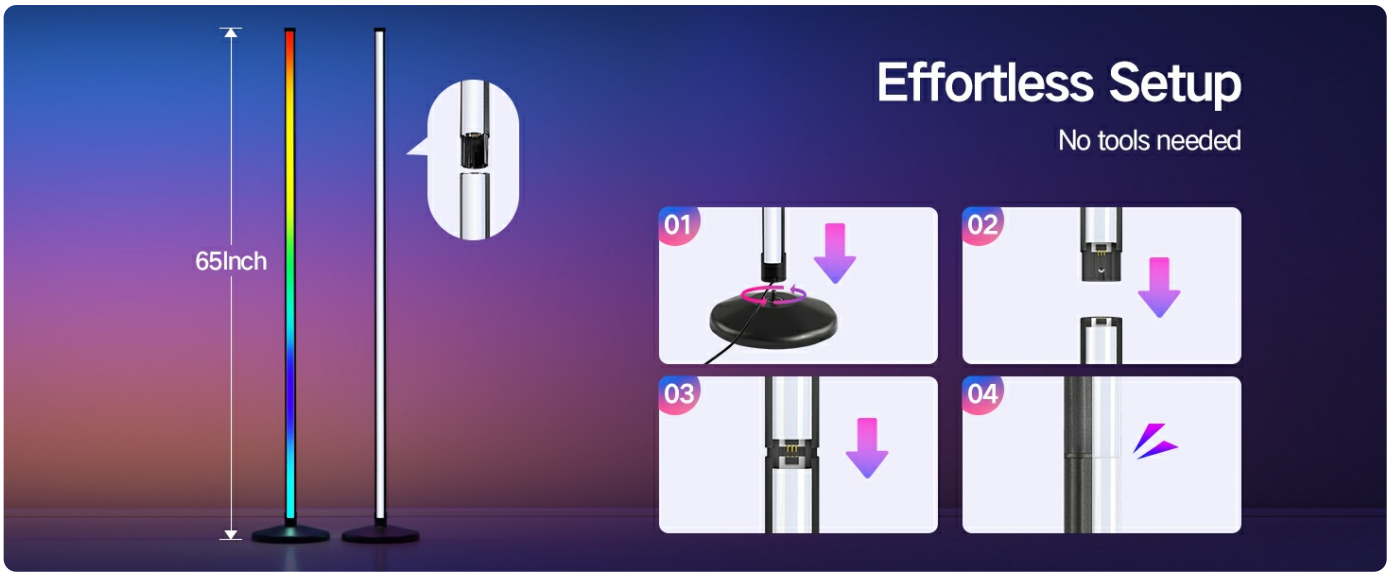

Image: A visual guide showing the four steps for effortless assembly: attaching the base, connecting the first section, connecting subsequent sections, and completing the assembly.

6. Operating Instructions

6.1 Power On/Off

Use the integrated button on the lamp's cord, the remote control, or the smartphone app to turn the lamp on or off.

6.2 Brightness and Color Temperature Adjustment

The lamp offers adjustable brightness from 5% to 100% and color temperatures from 2700K (Warm) to 6500K (Cool White).

- **Remote Control:** Use the dedicated brightness and color temperature buttons on the remote.
- **Smartphone App:** Adjust brightness and color temperature using sliders within the app interface.

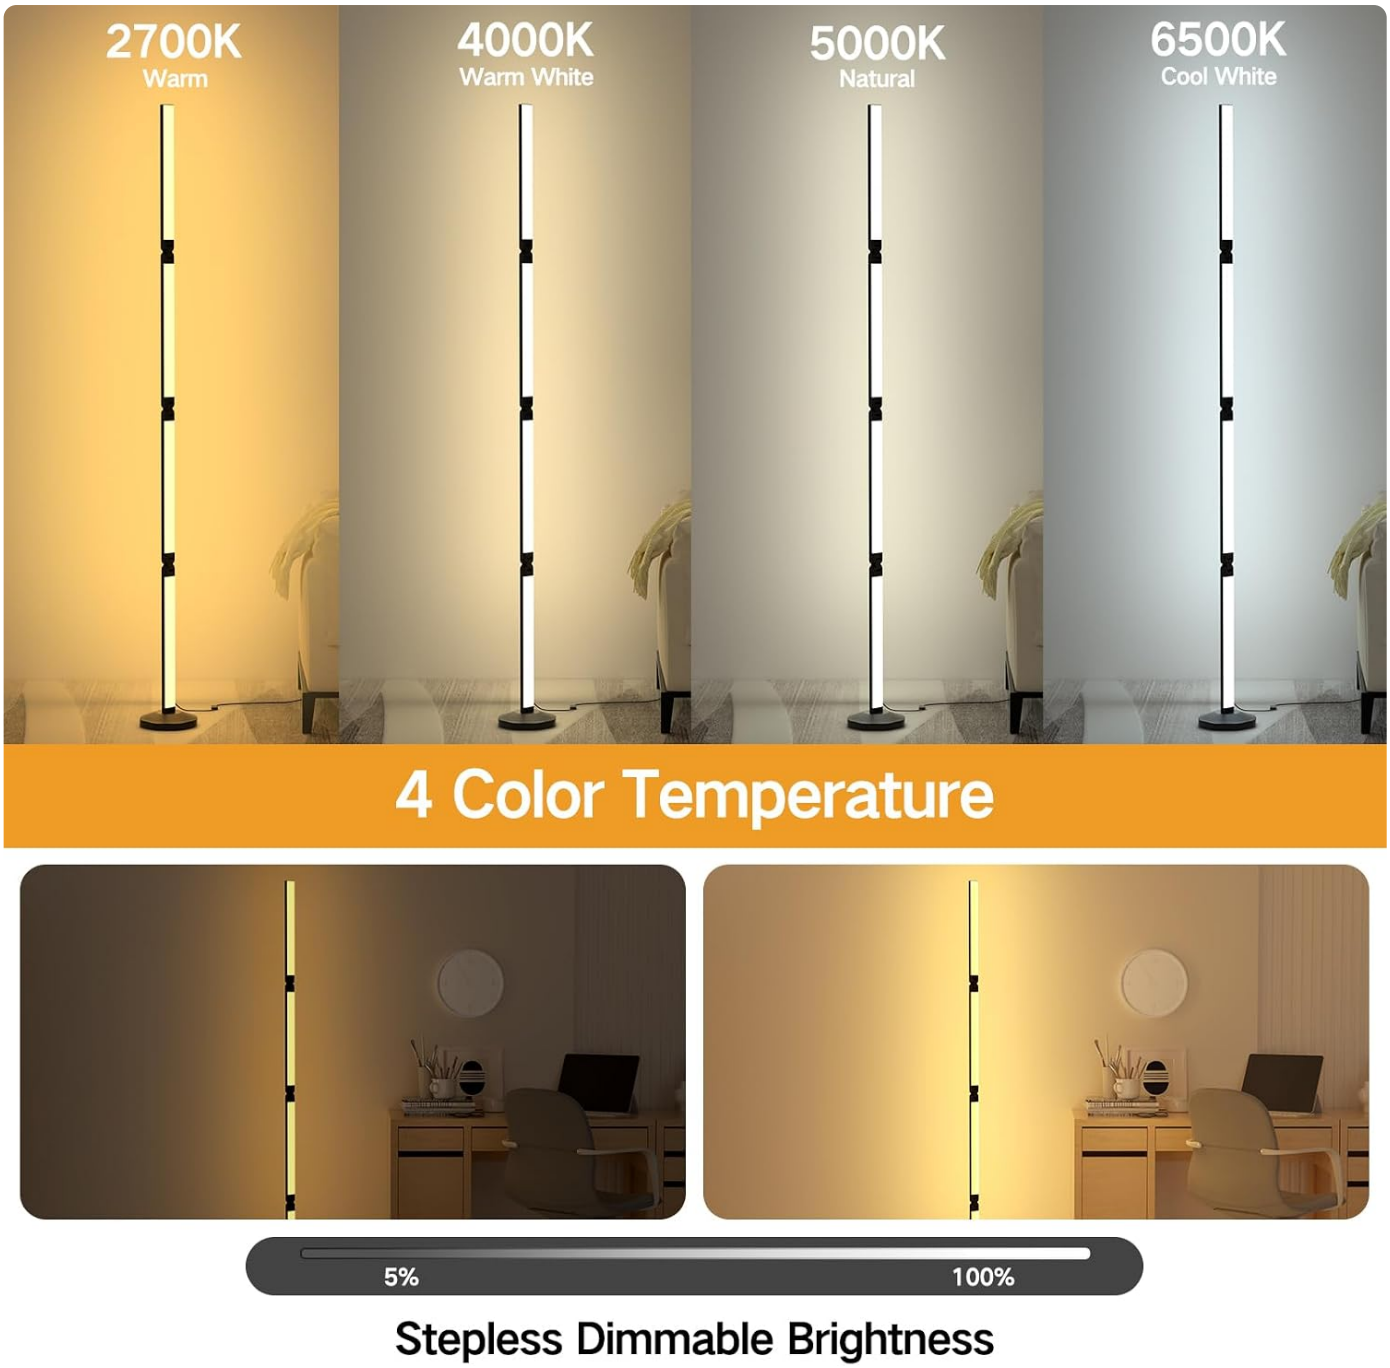

Image: The lamp showing 2700K Warm, 4000K Warm White, 5000K Natural, and 6500K Cool White color temperatures. A slider indicates stepless dimmable brightness from 5% to 100%.

6.3 Control Methods

The lamp supports multiple control methods for convenience.

Smartphone App Control

Download the OUTON app (or compatible smart home app) from your device's app store. Connect the lamp via Bluetooth to access full customization options, including color selection, dynamic modes, music sync settings, and timer functions.

Remote Control

The included remote control provides direct access to basic functions such as power, color selection, brightness adjustment, and dynamic modes.

Voice Control (Alexa & Google Assistant)

Integrate your lamp with Amazon Alexa or Google Assistant for hands-free voice control. Follow the instructions in your smart home app to link the OUTON lamp. Once linked, you can use voice commands to turn the lamp on/off, change colors, or adjust brightness.

6.5 Timer Function

Set schedules for the lamp to turn on or off automatically using the smartphone app. This feature allows for automated lighting routines.

Image: The smartphone app displaying a timer schedule, with settings for the lamp to turn on at 7:30 AM and turn off at 10:00 PM.

7. Maintenance

To ensure the longevity and optimal performance of your OUTON Smart Foldable LED Floor Lamp, follow these maintenance guidelines:

- **Cleaning:** Disconnect the power before cleaning. Use a soft, dry cloth to wipe the lamp's surface. Avoid abrasive cleaners or solvents that could damage the finish.
- **Storage:** If storing the lamp for an extended period, disassemble it and store in its original packaging in a dry, cool place.
- **Cable Care:** Do not bend or pinch the power cord excessively. Regularly check the cord for any signs of damage.

8. Troubleshooting

If you encounter issues with your lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power, loose connection, faulty power adapter.	Check if the power cord is securely plugged into the lamp and the outlet. Test the outlet with another device. Ensure the power adapter is functioning.
Remote control not working.	Dead battery, obstruction, out of range.	Replace the remote control battery. Ensure there are no obstructions between the remote and the lamp. Operate within the specified range.
App cannot connect to the lamp.	Bluetooth off, lamp not in pairing mode, app issue.	Ensure Bluetooth is enabled on your smartphone. Restart the app and the lamp. Follow the app's pairing instructions.
Voice control not responding.	Incorrect voice command, smart assistant not linked, network issue.	Use the exact voice commands specified. Verify the lamp is correctly linked to Alexa or Google Assistant in their respective apps. Check your Wi-Fi connection.
Lights are flickering or inconsistent.	Loose connection, power fluctuation, internal fault.	Check all lamp section connections. Try plugging the lamp into a different outlet. If the issue persists, contact customer support.

9. Specifications

Feature	Detail
Model	B0CKHJKBF1
Brand	OUTON
Product Dimensions	6.9"D x 6.9"W x 65"H (17.5cm D x 17.5cm W x 165.1cm H)
Item Weight	4.44 pounds (2.01 kg)
Material	Metal (Aluminum alloy)
Finish Type	Polished
