Key features include:

- **Classic and Romantic Design:** Features curved lines and thick tube frames, blending with various home decors.
- **Strong and Durable Construction:** Fully constructed of metal frame with 12 metal slats for strong support and load-bearing capacity. Powder-coated surface for rust and scratch resistance.
- **High Headboard Design:** Provides comfortable back support for reading or watching TV.
- **Safe Design:** Built with round corners, smooth finish, and protective footpads. High footboard prevents bedding from falling.
- **Under-Bed Storage:** High profile design creates space for storing items.

2. Safety Information

Please read and understand all safety information before assembly and use of the bed frame. Failure to follow these instructions may result in injury or damage to the product.

- Exercise caution around sharp edges during unpacking and assembly.
- Ensure all components are properly assembled and tightened for optimal stability.
- Keep bedding and other items away from the edges of the bed frame to prevent falls or entanglement.
- Do not exceed the maximum recommended load capacity of 204.12 kg (450 lb).
- Regularly check all bolts and connections to ensure they remain secure.

3. Components List

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard
- Footboard
- Side Rails
- Metal Slats (12 pieces)
- Support Legs
- Hardware (bolts, nuts, washers, L-shaped plates)
- Assembly Tool (Allen wrench)
- Installation Manual (this document)

4. Setup and Assembly

Assembly of the Yaheetech bed frame is designed to be straightforward. All necessary hardware and tools are included. Follow the steps below for quick setup.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratching.
2. Identify the Headboard and Footboard. Attach the side rails to the Headboard and Footboard using the provided bolts and the Allen wrench. Ensure all connections are secure but do not fully tighten yet.
3. Install the central support beam and its legs, if applicable to your model.
4. Insert the metal slats into the designated slots on the side rails. Ensure each slat is firmly seated.

Installation Steps:

1 Aim the iron pipe at the notch
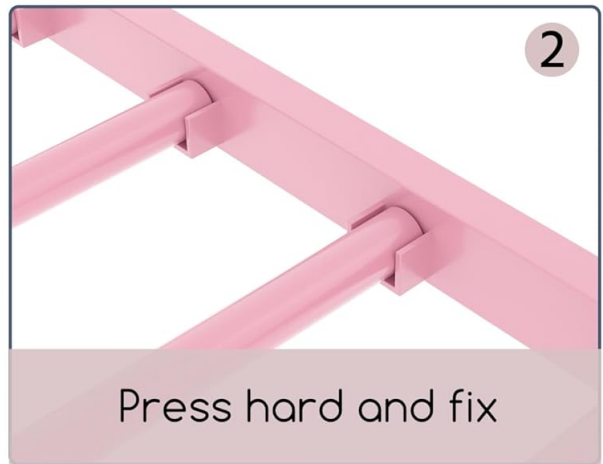

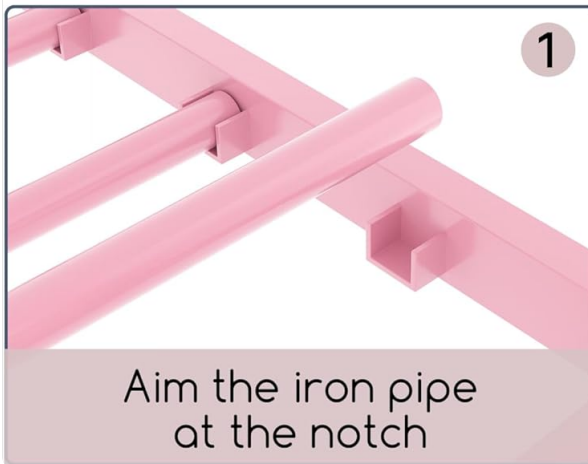

2 Press hard and fix

5. Operating Instructions

The Yaheetech bed frame is designed for straightforward use once assembled.

- **Mattress Placement:** Place your Twin size mattress directly onto the metal slats. The frame is compatible with latex, memory foam, or spring mattresses.
- **Under-Bed Storage:** Utilize the 12.6-inch clearance beneath the frame for storing items such as quilts, pillows, or seasonal clothing in appropriate containers.
- **Headboard Use:** The high headboard provides a comfortable backrest for sitting up in bed to read or watch television.

6. Maintenance

Proper care will ensure the longevity and appearance of your bed frame.

- **Cleaning:** Wipe clean with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the powder-coated finish.
- **Inspection:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Movement:** When moving the bed frame, lift it rather than dragging it to prevent damage to the frame or your flooring.
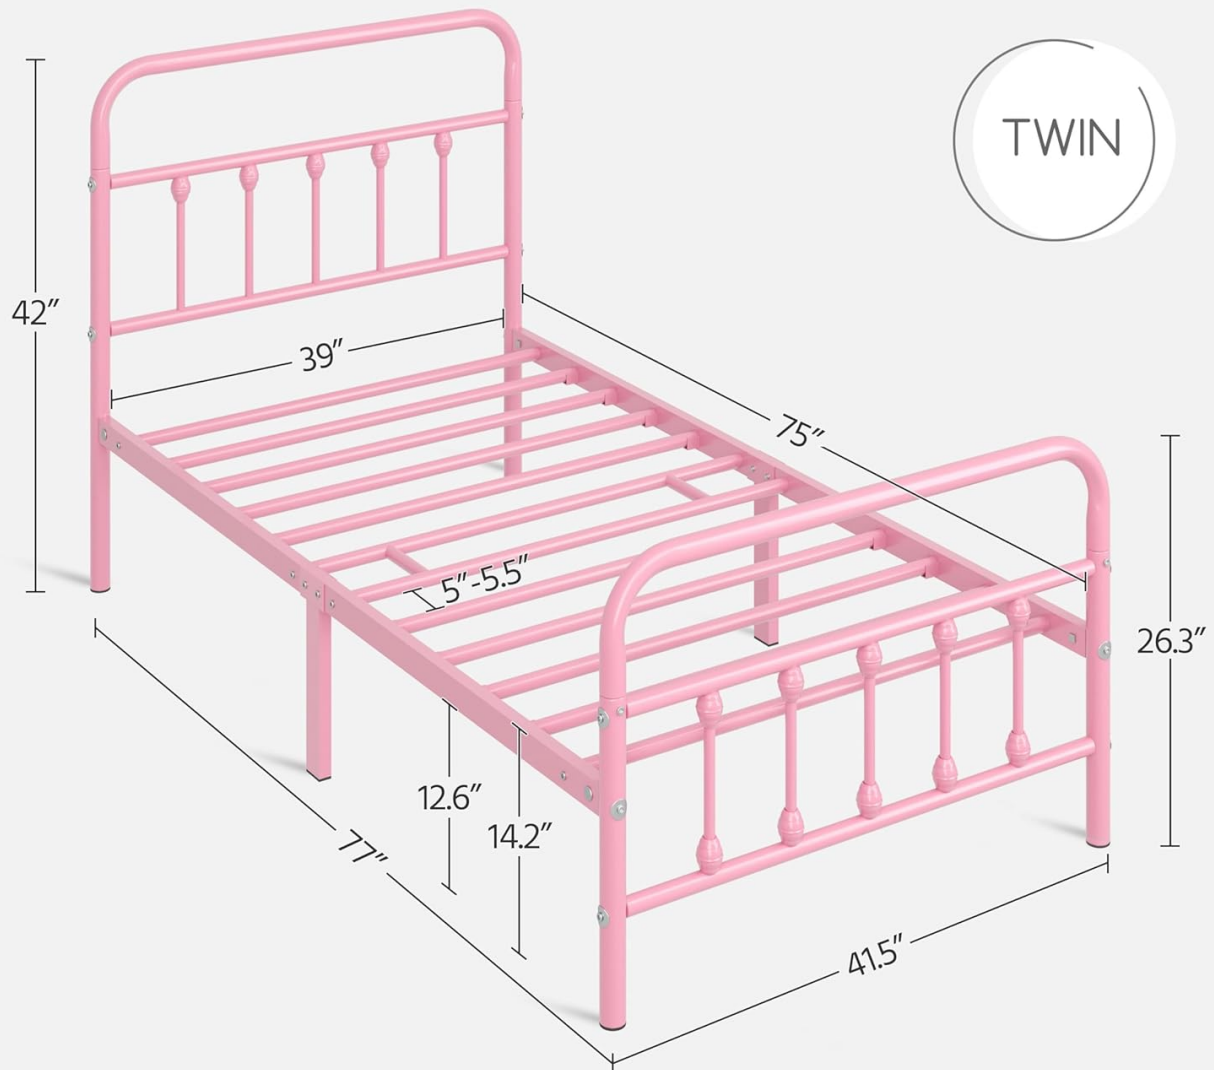

7. Troubleshooting

If you encounter any issues with your bed frame, consider the following common solutions:

- **Squeaking Noises:**
  - Ensure all bolts are securely tightened. Loose connections are a common cause of squeaking.
  - Check if the mattress is properly seated on the slats.

- **Instability/Wobbling:**
  - Verify that all parts are correctly assembled according to the instructions.
  - Confirm all bolts are fully tightened.
  - Ensure the bed frame is on a level surface.

- **Parts Missing/Damaged:**
  - Before assembly, carefully check the contents against the components list.
  - If parts are missing or damaged upon arrival, contact Yaheetech customer support for assistance.
