Harper & Bright Designs Kids Twin House Bed Frame Instruction Manual

Model: HZGUO-LP0521AAE

1. INTRODUCTION

Welcome to the Harper & Bright Designs Kids Twin House Bed Frame instruction manual. This unique bed frame is designed to provide a comfortable and engaging sleeping environment for children, featuring a house-shaped structure, an upholstered sofa, two storage drawers, and a convenient charging station with LED lighting. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.

2. SAFETY INFORMATION

Your safety and the safety of the user are paramount. Please adhere to the following safety guidelines:

- Always supervise children when they are using this bed.
- Assemble the bed frame strictly according to the provided instructions to prevent instability and potential hazards.
- Be cautious of the semi-enclosed space to avoid entrapment.
- Use the charging station and wireless charging features with care to prevent electrical hazards. Ensure cables are not pinched or damaged.
- Keep the upholstered sofa and any fabric components away from open flames and high heat sources.
- Regularly inspect all fasteners and connections to ensure they remain tight. Tighten as necessary.
- Do not exceed the recommended weight capacity of 250 LBS.

3. SETUP AND ASSEMBLY

Assembly of the Harper & Bright Designs Kids Twin House Bed Frame requires careful attention to detail. It

is recommended that two people participate in the assembly process. All necessary tools and hardware are included. For a visual guide, please refer to the official assembly video below.

Your browser does not support the video tag.

Video Description: This video provides a step-by-step visual guide for assembling the Harper & Bright Designs Kids Twin House Bed Frame, demonstrating the connection of various components including the bed base, house frame, sofa, and integrated features.

Assembly Overview:

1. **Unpack and Identify Components:** Carefully unpack all boxes and identify each part against the parts list in your included installation manual.
2. **Assemble Bed Frame Base:** Connect the side rails and end panels to form the main bed frame structure. Ensure all connections are secure.
3. **Install Slats:** Place and secure the wooden slats across the bed frame to support the mattress.
4. **Assemble Storage Drawers:** Construct the two under-bed drawers and attach their wheels for easy access.
5. **Construct House Frame and Back Panel:** Assemble the house-shaped roof structure and attach it to the bed's back panel, which includes the shelves and charging station.
6. **Attach Upholstered Sofa:** Secure the upholstered sofa section to the side of the bed frame.
7. **Install LED Light Strip:** Carefully attach the LED light strip along the roof frame as shown in the manual/video.
8. **Connect Charging Station:** Ensure the charging station is properly integrated and accessible.

SIZE: INCH

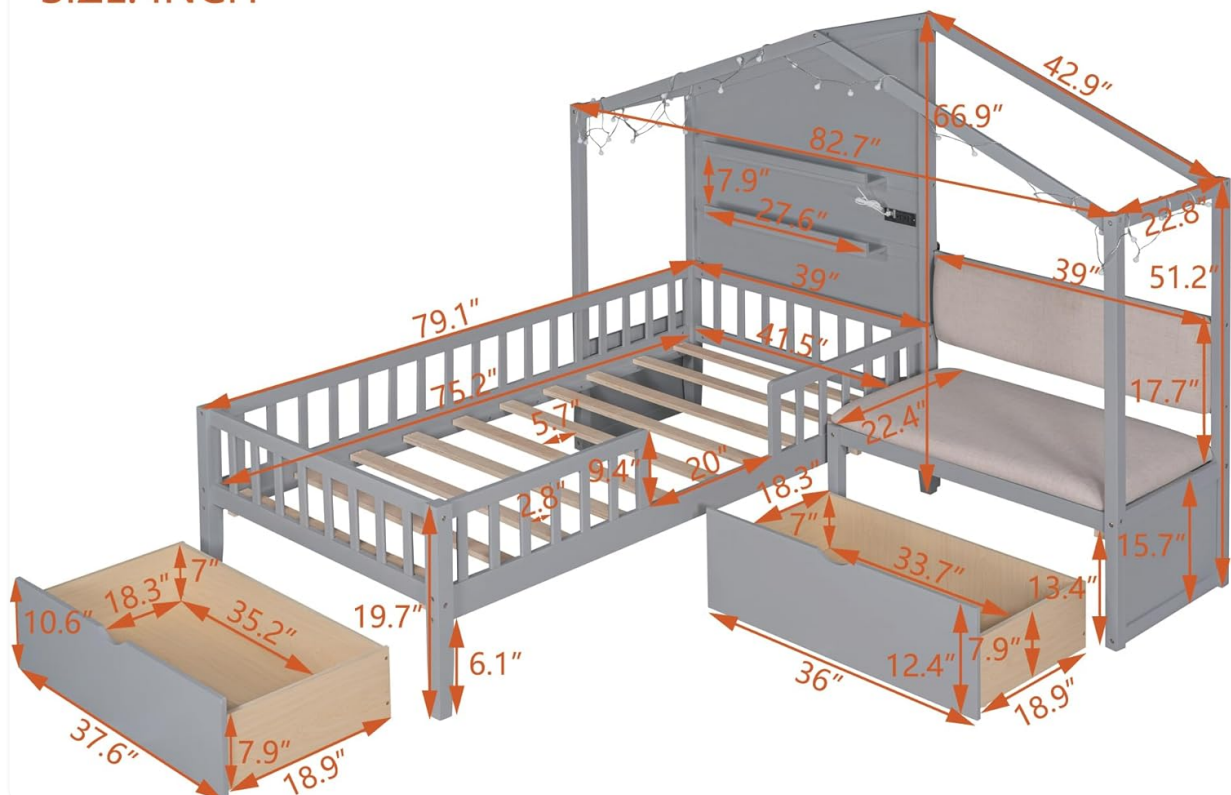

Image Description: This image provides detailed measurements and dimensions of the bed frame, including the bed section, sofa section, and drawers, crucial for planning placement and understanding the product's size.

4. OPERATING INSTRUCTIONS

LED Light Operation:

The integrated LED light strip along the roof frame provides ambient lighting. To operate, locate the power switch, typically found near the charging station on the back panel. Toggle the switch to turn the lights ON or OFF. Some models may feature different lighting modes; refer to the specific light strip instructions if provided separately.

Image Description: A view of the bed frame at night, showcasing the soft glow of the integrated LED lights along the house-shaped roof, creating a cozy atmosphere.

Charging Station Use:

The bed frame includes a charging station with USB ports and potentially wireless charging capabilities. Plug your devices into the USB ports using appropriate cables. For wireless charging, place compatible devices directly on the designated wireless charging pad. Ensure the bed is connected to a power source for the charging station to function.

Image Description: A close-up view highlighting the integrated shelves and the charging station on the bed's back panel, showing a phone being charged wirelessly and a USB cable connected.

Storage Drawers:

The two under-bed drawers are designed for convenient storage of toys, bedding, or other items. Simply pull the drawers out from under the bed to access their contents. Push them back in fully when not in use to keep the space tidy.

Image Description: This image displays the bed frame with both under-bed storage drawers partially pulled out, revealing their interior space for organization.

5. MAINTENANCE

Proper maintenance will extend the life of your bed frame:

- **Cleaning:** For the wooden frame, wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the upholstered sofa, spot clean with a mild detergent and water, or follow specific dry clean instructions if provided on the fabric tag.
- **Fasteners:** Periodically check all screws, bolts, and connections to ensure they are tight. Loose fasteners can compromise the bed's stability and safety.
- **LED Lights:** If the LED lights stop working, first check the power connection. If issues persist, contact customer support. Do not attempt to repair electrical components yourself.
- **Drawers:** Keep the drawer tracks clean and free of debris to ensure smooth operation.

6. TROUBLESHOOTING

If you encounter any issues with your bed frame, consider the following common solutions:

- **Bed feels wobbly:** Ensure all assembly screws and bolts are securely tightened. Check that the bed is placed on a flat, even surface.
- **Drawers are difficult to open/close:** Inspect the drawer tracks for any obstructions or debris. Ensure the wheels are properly aligned and not damaged.
- **LED lights not working:** Verify the power cord is securely plugged into both the bed and a working wall outlet. Check the power switch for the lights.
- **Charging station not functioning:** Confirm the bed is powered on and connected to an active electrical outlet. Try a different device or charging cable to rule out device-specific issues.

If these steps do not resolve the issue, please contact Harper & Bright Designs customer support for further assistance.

7. SPECIFICATIONS

Feature	Detail
Product Type	House Bed
Size	Twin
Color	Gray & Upholstered Sofa
Material	Plywood+MDF+Pinewood
Overall Product Dimension	82.7"L x 79.1"W x 66.9"H
