## PRODUCT OVERVIEW

The Vangoa Wireless Page Turner Pedal features a robust design with two foot pedals and a central control panel. It offers multiple operating modes to suit various applications.

### Key Features:

- **Silent and Sensitive Touch:** Ensures quiet operation, ideal for performances.
- **5 Operating Modes & Repeat Function:** Customizable page turning and continuous scroll.
- **60+ Hours Battery Life:** Long-lasting rechargeable battery for extended use.
- **Bluetooth Connection:** Stable wireless connection up to 10 meters (33 feet).
- **Versatile Compatibility:** Works with various music apps and devices (tablets, phones, PCs).
- **Anti-Slip Rubber:** Ensures stability during use on any surface.

## 5 PAGE TURNING MODES

● Repeat Mode

Mode	Left Foot Switch	Right Foot Switch
	Page Up	Page Down
	Direction Up	Direction Down
	Direction Left	Direction Right
	Left Mouse Button	Right Mouse Button
	Play	Pause
	Continuous Page Switching

## 1. Charging the Pedal

Before first use, fully charge the pedal using the provided USB cable. Connect the micro-USB end to the pedal's charging port and the USB-A end to a compatible power source (e.g., computer, USB wall adapter). The LED indicator will show charging status.

## 2. Bluetooth Connection

1. Turn on the power switch located on the pedal. The LED indicator will begin to flash, indicating it's in pairing mode.
2. On your device (tablet, phone, or computer), enable Bluetooth.
3. Search for available devices and select "SR-F300" (or similar model name) from the list.
4. Once connected, the LED indicator will stop flashing and remain solid.

## OPERATING INSTRUCTIONS

### Selecting Operating Modes

The pedal offers 5 distinct operating modes, each indicated by a specific LED light on the control panel. Press the 'MODE' button to cycle through the modes:

- **Mode 1 (Page Up/Down):** Left pedal for Page Up, Right pedal for Page Down.
- **Mode 2 (Left/Right Arrow):** Left pedal for Left Arrow, Right pedal for Right Arrow.
- **Mode 3 (Up/Down Arrow):** Left pedal for Up Arrow, Right pedal for Down Arrow.
- **Mode 4 (Left/Right Mouse Click):** Left pedal for Left Mouse Click, Right pedal for Right Mouse Click.
- **Mode 5 (Space/Enter):** Left pedal for Space, Right pedal for Enter.

Choose the mode that best suits your application (e.g., for scrolling sheet music, use Page Up/Down or Up/Down Arrow modes).

## Repeat Function

Activate the 'REPEAT' switch to enable continuous page turning. When enabled, holding down a pedal will continuously scroll through pages until released. This is useful for quickly navigating long documents or for continuous scrolling during performances.

## MAINTENANCE

### Battery Care

- Recharge the pedal when the battery indicator shows low power to ensure optimal performance.
- Avoid fully discharging the battery frequently to prolong its lifespan.
- Store in a cool, dry place when not in use for extended periods.

### Cleaning

Wipe the pedal with a soft, dry cloth. Do not use abrasive cleaners or solvents.

## TROUBLESHOOTING

- **Pedal not connecting via Bluetooth:** Ensure the pedal is powered on and in pairing mode. Check your device's Bluetooth settings and try reconnecting.
- **Pages not turning:** Verify the correct operating mode is selected for your application. Some applications may require specific modes (e.g., Page Up/Down for PDFs, Left/Right Arrow for presentations).
- **Intermittent connection:** Ensure the pedal is within the 10-meter (33 feet) range of your device and there are no significant obstructions.
- **Battery draining quickly:** Ensure the pedal is fully charged. Reduce usage of the repeat function if not needed, as it consumes more power.

## SPECIFICATIONS

Item Weight	9.6 ounces
Product Dimensions	6.69 x 4.72 x 0.98 inches
Item Model Number	1
Connectivity	Bluetooth, USB (for charging)
Battery Life	60+ hours (per full charge)
Color	Black

# SMALL AND PORTABLE

Net Weight: 343g
