Jzones U7

Jzones U7 Wireless Earbuds Instruction Manual

Model: U7

1. INTRODUCTION

Welcome to the Jzones U7 Wireless Earbuds user manual. This guide provides essential information for setting up, operating, maintaining, and troubleshooting your new earbuds. Designed for active lifestyles, the Jzones U7 earbuds offer extended playtime, a secure fit, and high-fidelity audio.

2. PRODUCT OVERVIEW

The Jzones U7 Wireless Earbuds are engineered for superior audio experience and durability. Key features include:

- **Wireless Charging Case with LED Display:** A 2500mAh charging case provides over 130 hours of total music time, with each earbud offering 8 hours on a single charge. The case also functions as an emergency power bank for your phone and supports Type-C and wireless charging. The LED display shows battery status for both earbuds and the case.
- **Hi-Fi Stereo Bass & Crystal-clear Calling:** Equipped with 10mm speakers for rich stereo sound with deep bass and clear treble. Noise-canceling technology ensures clear calls by reducing background noise.
- **Latest One-step Pairing Technology:** Earbuds automatically power on and pair when the charging case is opened, and power off/charge when returned to the case.
- **Ergonomic & Lightweight Earhooks:** Super lightweight silicone earhooks provide a secure

and comfortable fit, ideal for sports and extended wear. Includes 3 pairs of ear caps for optimal fitting.

- **IPX7 Waterproof:** Designed to withstand sweat and rain, making them suitable for various activities including running, workouts, and travel.

3. SETUP

3.1. Initial Charging

Before first use, ensure the charging case and earbuds are fully charged.

- **Charging the Case:** Connect the provided Type-C USB cable to the charging port on the back of the case and to a power source. The LED display will show the charging progress. The case also supports wireless charging.
- **Charging the Earbuds:** Place the earbuds into their respective slots in the charging case. They will automatically begin charging. The LED display on the case will show the individual charge status of each earbud.

2500mAh Large Battery Charging Case

3.2. Pairing with Your Device

The Jzones U7 earbuds feature one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.
3. Search for "U7" in the list of available devices and select it to connect.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

One-Step Pairing

The earbuds will be paired automatically after open charging case

4. OPERATING INSTRUCTIONS

4.1. Wearing the Earbuds

The Jzones U7 earbuds are designed with ergonomic earhooks for a secure and comfortable fit.

- Select the appropriate ear cap size for your ears (Small, Medium, Large, or Double-flange).
- Gently place the earbud into your ear canal and adjust the earhook over your ear until it feels secure and comfortable.

Designed for Sports

Take out and put on, boost energy and burn calorie

Flexible Earhooks

4.2. Button Controls

Each earbud features multi-function buttons for easy control:

- **Play/Pause Music:** Single press the main button.
- **Answer/End Call:** Single press the main button during an incoming call or active call.
- **Reject Call:** Press and hold the main button for 2 seconds during an incoming call.
- **Next Track:** Double press the right earbud's volume up button.
- **Previous Track:** Double press the left earbud's volume down button.
- **Volume Up/Down:** Single press the volume up/down buttons on the respective earbuds.
- **Activate Voice Assistant:** Triple press the main button.

5. MAINTENANCE

To ensure the longevity and optimal performance of your Jzones U7 earbuds, follow these maintenance guidelines:

- **Cleaning:** After each use, especially after workouts, use a soft, dry cloth (a cleaning cloth is included in the box) to gently wipe any dirt or sweat from the earbuds and charging case. Ensure the charging contacts are clean.
- **Water Resistance:** The earbuds are IPX7 waterproof, meaning they are protected against immersion in water up to 1 meter for up to 30 minutes. However, they are not designed for swimming or prolonged submersion. Always ensure the earbuds are dry before placing them back into the charging case to prevent damage.
- **Storage:** Store the earbuds in their charging case when not in use to protect them from dust, damage, and to keep them charged.

6. TROUBLESHOOTING

If you encounter any issues with your Jzones U7 earbuds, please refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are in the charging case, then open the lid to activate pairing mode. Check your device's Bluetooth settings to ensure "U7" is selected. If issues persist, try forgetting the device on your phone and re-pairing.
- **Only one earbud working:** Place both earbuds back into the charging case, close the lid, and then open it again. This often re-syncs them. Ensure both earbuds have sufficient charge.
- **Charging case not charging:** Verify the Type-C cable is securely connected to both the case and the power source. If using wireless charging, ensure the case is correctly positioned on the charging pad. Check if the power source is active.
- **Low volume or poor sound quality:** Adjust the volume on both your device and the earbuds. Ensure the ear caps are properly fitted and clean. Try different ear cap sizes for a better seal.
- **Connectivity issues:** Ensure your device is within the 10-meter Bluetooth range. Avoid obstacles between your device and the earbuds that might interfere with the signal.

7. SPECIFICATIONS

Feature	Detail
