FUKUMARU CP06

FUKUMARU CP06 Cat Wall Shelves and Scratching Post Instruction Manual

Model: CP06 | Brand: FUKUMARU

Introduction

This manual provides detailed instructions for the assembly, installation, and proper use of your FUKUMARU 3-in-1 Transformable Cat Wall Shelves. This product is designed to offer your cat a dedicated space for climbing, scratching, napping, and playing, utilizing vertical wall space efficiently.

The FUKUMARU cat wall shelves are crafted from solid rubber wood, jute rope, and natural sisal, ensuring durability and a natural aesthetic. The unique transformable design allows for versatile configurations to suit your space and your cat's preferences.

Safety Information

Please read all safety warnings before installation and use.

- **Warning:** This product contains small parts that can be hazardous to pets if ingested. Ensure all components are securely fastened during assembly and installation.
- Always ensure the product is installed on a sturdy wall surface, preferably into wall studs, to prevent detachment and potential injury to your pet.
- Regularly inspect the shelves and scratching posts for wear and tear. Replace damaged components immediately.
- Keep the product indoors and away from excessive moisture or direct sunlight to maintain material integrity.

Package Contents

Verify that all components are present before beginning assembly:

- Wooden platforms (Solid Rubber Wood)
- Sisal mats (for platforms)
- Jute rope scratching posts
- Mounting hardware (drill bit, screws, wall anchors)
- Instruction manual

Setup and Installation

Proper installation is crucial for the stability and safety of the cat wall shelves. The product is designed for installation on both solid walls and drywall with 16-inch stud spacing.

Recommended Tools (Not Included):

- Drill
- Level
- Pencil
- Stud finder (for drywall installation)

Installation Steps:

1. **Plan Placement:** Determine the desired location for the cat shelves. Consider your cat's activity patterns and available wall space.
2. **Identify Wall Type:** Confirm if your wall is solid (e.g., concrete, brick) or drywall.
3. **Mark Drilling Points:** For drywall, use a stud finder to locate wall studs. The shelves are designed for 16-inch stud spacing, and both sides of the unit must be installed into studs for stable support. For solid walls, mark the desired drilling points directly.
4. **Drill Pilot Holes:** Use the provided drill bit to create pilot holes at the marked locations.
5. **Insert Wall Anchors (if applicable):** For drywall installations where studs cannot be used for all points, insert appropriate wall anchors (provided) into the pilot holes.
6. **Mount the Shelves:** Align the shelves with the drilled holes and secure them to the wall using the provided screws. Ensure all connections are tight and the unit is level.
7. **Attach Sisal Mats:** The sisal mats are typically secured with Velcro and should be placed on each platform.

Operating Instructions

The FUKUMARU Cat Wall Shelves offer a versatile environment for your cat's natural behaviors.

Transformable Design:

This 3-in-1 design allows the shelves to be configured as:

- **Left-to-Right Steps:** For ascending movement.

- **Right-to-Left Steps:** For descending movement.
- **Vertical Scratching Post:** The posts can be rotated to serve as a primary scratching surface.

Image: Visual representation of the 3-in-1 transformable design, showing different step orientations and scratching post mode.

Usage for Cats:

- **Climbing and Exploring:** Cats can use the steps to climb and explore vertical spaces, satisfying their natural instincts.
- **Scratching:** The jute rope posts and sisal mats provide durable surfaces for scratching, helping to maintain claw health and protect furniture.
- **Napping and Resting:** The wide platforms (7.6 inches x 12.9 inches) offer secure spots for cats to nap and observe their surroundings.
- **Playing:** Cats can engage in playful activities on the multi-level structure.

Encouraging Use:

To help your cat adapt to the new wall shelves:

- Place treats or favorite toys on the platforms.
- Use a laser pointer to guide your cat up the steps.
- Sprinkle catnip on the sisal mats or posts.

Maintenance

To ensure the longevity and hygiene of your cat wall shelves:

- **Cleaning:** Wipe wooden surfaces with a damp cloth. For sisal mats and jute rope, use a vacuum cleaner or a lint roller to remove cat hair and debris. Spot clean with a mild pet-safe cleaner if necessary.
- **Environment:** Keep the product indoors. Avoid exposure to direct sunlight or high humidity, which can damage the wood and natural fibers.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if any looseness is detected. Inspect sisal mats and jute rope for significant wear; replacement parts may be available from the manufacturer.

Troubleshooting

If you encounter any issues with your FUKUMARU Cat Wall Shelves, consider the following:

- **Product feels unstable or wobbly:** Ensure all mounting screws are securely fastened into wall studs (for drywall) or appropriate wall anchors (for solid walls). Re-check the installation points and consider reinforcing if necessary.
- **Squeaking noises during use:** This may indicate loose connections. Inspect all joints and screws, and tighten them as needed. Applying a small amount of lubricant to contact points between wood and posts might help if the issue persists.
- **Cat not using the shelves:** Refer to the "Encouraging Use" section in Operating Instructions. Cats may need time and positive reinforcement to adapt to new furniture.
- **Sisal mats or jute rope are worn:** These are consumable parts. Check with FUKUMARU customer support for information on replacement parts.

Specifications

Feature	Detail
Model Number	CP06
Product Dimensions (L x W x H)	13.78" x 8.07" x 6.3"
Platform Surface Area	7.6" x 12.9" (per step)
Materials	Solid Rubber Wood, Sisal Mat, Jute Rope
Mounting Type	Wall Mount (designed for 16-inch stud spacing)
Number of Levels	3
Color	Natural Wood
Target Species	Cat
Product Care Instructions	Keep Indoors
