WELLFOR MED55YS1TG

WELLFOR 55"x35" Wall Mounted Bathroom Medicine Cabinet with Mirror

Model: MED55YS1TG

INTRODUCTION

Thank you for choosing the WELLFOR 55"x35" Wall Mounted Bathroom Medicine Cabinet. This manual provides essential information for the safe and proper installation, operation, and maintenance of your new cabinet. Please read these instructions thoroughly before assembly and retain them for future reference.

Image: The WELLFOR 55"x35" Wall Mounted Bathroom Medicine Cabinet, featuring two mirrored doors and open shelving, installed above a double vanity.

SAFETY INFORMATION

Please observe the following safety precautions during installation and use:

- Always wear appropriate safety gear, including eye protection, during installation.
- Ensure the wall structure is capable of supporting the cabinet's weight (83.6 lbs) plus the weight of its contents. Consult a professional if unsure about wall integrity.
- Locate and avoid electrical wires, water pipes, and gas lines before drilling into walls.
- Handle glass mirrors with care to prevent breakage and injury.
- Keep small parts and hardware out of reach of children.
- Do not overload shelves. Distribute weight evenly.
- Ensure all mounting hardware is securely fastened before use.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Medicine Cabinet Unit (pre-assembled frame with mirrors)
- Adjustable Shelves (quantity: 4)
- Mounting Hardware Kit (screws, anchors, mounting brackets)
- Instruction Manual

If any parts are missing or damaged, please contact WELLFOR customer service.

SPECIFICATIONS

Brand	WELLFOR
Model Number	MED55YS1TG
Dimensions (W x H x D)	55" x 35" x 5.9"
Item Weight	83.6 lbs
Color	Titanium Grey
Material	Wood frame, eco-friendly veneer plywood, 5mm silver coated mirror glass
Mounting Type	Wall Mount
Number of Shelves	4 (adjustable) + built-in open shelves
Special Features	Soft-close hinges, double mirrored doors, open shelving

SETUP AND INSTALLATION

This medicine cabinet is designed for wall-mounted installation. Professional installation is recommended for optimal safety and stability. Ensure you have the necessary tools:

- Pencil
- Measuring Tape
- Level
- Drill with appropriate drill bits
- Stud Finder (recommended)
- Screwdriver (Phillips head)

Installation Steps:

1. **Prepare the Wall:** Choose a suitable location on a sturdy wall. Use a stud finder to locate wall studs for secure mounting. If studs are not available at desired locations, use appropriate wall anchors for your wall type (e.g., drywall anchors, masonry anchors).
2. **Mark Mounting Points:** Hold the cabinet against the wall at the desired height and use a level to ensure it is straight. Mark the positions for the mounting brackets on the wall. Refer to the back of the cabinet for bracket locations.
3. **Install Mounting Brackets:** Drill pilot holes at the marked points. Attach the mounting brackets securely to the wall using the provided screws and anchors. Ensure they are level and firmly attached.
4. **Mount the Cabinet:** Carefully lift the cabinet and align the pre-installed hanging rails on the back of the cabinet with the wall-mounted brackets. Gently lower the cabinet onto the brackets, ensuring it is fully seated and stable.
5. **Secure the Cabinet (Optional but Recommended):** Depending on the design, there may be additional securing points inside the cabinet. Use screws to fasten the cabinet directly to the wall through these points for added stability.
6. **Install Shelves:** Insert the adjustable shelves into the desired positions within the cabinet.

OPERATION

Your WELLFOR medicine cabinet is designed for convenient storage and daily use.

- **Mirrored Doors:** Gently pull the decorative knobs to open the mirrored doors. The soft-close hinges will ensure a quiet and smooth closing action, preventing slamming.
- **Adjustable Shelves:** The internal shelves can be repositioned to accommodate items of various heights. To adjust, carefully lift the shelf, remove the shelf pins, reposition the pins to the desired height, and then place the shelf back on the pins.
- **Open Shelving:** Utilize the central open shelves for frequently accessed items or decorative display.

MAINTENANCE

Regular cleaning and care will help maintain the appearance and functionality of your cabinet.

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into edges.
- **Cleaning the Cabinet:** Wipe the wood surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for wood finishes. Dry immediately with a clean cloth. Avoid harsh chemicals or abrasive cleaning tools.
- **Hinge Care:** The soft-close hinges are designed for durability. If they become stiff or noisy over time, a small amount of silicone-based lubricant can be applied to the moving parts. Avoid oil-based lubricants.
- **Moisture Control:** In humid environments like bathrooms, ensure adequate ventilation to prevent moisture buildup, which can affect wood and mirror longevity.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cabinet feels unstable or wobbly.	Improper wall mounting; loose screws or anchors.	Ensure all mounting hardware is securely tightened. Verify wall studs or appropriate anchors were used. Re-mount if necessary.
Doors do not close smoothly or are misaligned.	Hinges require adjustment; obstruction.	Check for any items obstructing the door path. Adjust the soft-close hinges using a screwdriver (refer to hinge manufacturer's instructions for specific adjustment points).
Mirror appears foggy or streaky after cleaning.	Improper cleaning technique or product.	Use a clean, lint-free cloth and a streak-free glass cleaner. Avoid spraying directly onto the mirror. Buff gently until clear.
Shelves are difficult to insert or remove.	Shelf pins are misaligned or damaged.	Ensure shelf pins are fully inserted and aligned horizontally. Check for any damage to pins or shelf holes.

WARRANTY AND SUPPORT

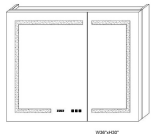

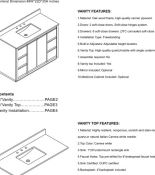

WELLFOR products are manufactured with quality and durability in mind. For specific warranty details, please refer to the warranty card included with your purchase or visit the official WELLFOR website.

If you encounter any issues or have questions regarding your WELLFOR 55"x35" Bathroom Medicine Cabinet, please contact our customer support team:
