SETUP INSTRUCTIONS

Follow these steps to install the P3 Wireless Charging Pack into your compatible Rapoo mouse:

1. **Locate the Charging Module Slot:** On the underside of your compatible Rapoo mouse, identify the designated slot for the wireless charging module. This slot is typically secured by a magnetic cover or a small latch.
2. **Remove Existing Cover (if any):** Gently remove the existing cover or placeholder from the charging module slot.
3. **Insert the P3 Wireless Charging Pack:** Align the P3 Wireless Charging Pack with the slot. The pack is designed for easy, magnetic connection. Ensure the contacts on the P3 pack align with the contacts inside the mouse. It should snap into place securely.
4. **Verify Installation:** Once inserted, the P3 pack should sit flush with the mouse's base.

OPERATING INSTRUCTIONS

Once the P3 Wireless Charging Pack is installed in your mouse, you can begin wireless charging:

1. **Place Mouse on Wireless Charging Pad:** Position your mouse, with the P3 pack installed, onto a compatible Qi-enabled wireless charging mouse pad. Ensure the mouse is centered over the charging area of the pad.
2. **Initiate Charging:** The mouse will automatically begin charging wirelessly. The charging time is approximately 3 hours for a full charge, depending on the mouse's battery capacity and the charging pad's output.
3. **Continuous Charging:** The P3 pack enables continuous wireless charging, allowing you to use your mouse while it charges, provided it remains on the active charging area of the pad.

Important Caution:

Do not plug a Type-C cable into your mouse while it is wirelessly charging via the P3 pack. Simultaneous wired and wireless charging can lead to product damage.

MAINTENANCE

The Rapoo P3 Wireless Charging Pack requires minimal maintenance. Follow these guidelines to ensure its longevity:

- **Cleaning:** If necessary, gently wipe the charging pack with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the charging pack in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Handling:** Handle the pack with care. Avoid dropping it or subjecting it to strong impacts.

TROUBLESHOOTING

If you encounter issues with your Rapoo P3 Wireless Charging Pack, refer to the following common problems and solutions:

- **Mouse not charging wirelessly:**
 - Ensure the P3 pack is correctly and securely installed in your mouse.
 - Verify that your wireless charging mouse pad is powered on and functioning correctly.
 - Make sure the mouse is properly aligned and centered on the charging area of the pad.
 - Confirm that your mouse model is listed under the "Compatibility" section.
- **Slow charging:**
 - Ensure your wireless charging mouse pad provides sufficient power output (e.g., 5V).

- Avoid placing any foreign objects between the mouse and the charging pad.

- **Product feels warm during charging:**

- It is normal for the charging pack and mouse to become slightly warm during wireless charging. If it becomes excessively hot, discontinue use and contact support.

- **Damage warning:**

- Remember the caution: **Do not plug a Type-C cable into your mouse while it is wirelessly charging.** This can cause damage.
