Nurati N2

Nurati N2 Open Ear Earphones User Manual

Model: N2 | Brand: Nurati

INTRODUCTION

Thank you for choosing the Nurati N2 Open Ear Earphones. This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your new earphones. Please read this manual carefully before use to ensure optimal performance and longevity of your device.

PRODUCT OVERVIEW

The Nurati N2 Open Ear Earphones are designed for comfort and situational awareness, allowing you to enjoy audio while remaining aware of your surroundings. They feature a lightweight design, HiFi sound quality, and extended battery life.

HIFI Sound

Equipped with 16.2mm speaker driver

Image: Nurati N2 Open Ear Earphones and their charging case.

Key Features:

- **Open Ear Design:** Allows you to hear ambient sounds for increased safety and awareness.
- **Lightweight and Comfortable:** Earphones weigh only 21.9g, designed for extended wear.
- **HiFi Sound Quality:** Equipped with a 16.2mm speaker driver for enhanced audio experience.
- **Extended Playtime:** Up to 20 hours on a single charge, and 50 hours with the charging case.
- **Crystal Clear Calls:** Provides up to 9 hours of dedicated call time.
- **Slim Charging Case:** Only 2.3 cm thick for easy portability.
- **Waterproof:** Suitable for sports and various activities.

Slim Design

Fit your pocket

Only 2.3CM

SETUP

1. Charging the Earphones and Case

Before first use, fully charge the Nurati N2 earphones and their charging case. The charging case provides additional power for extended use.

- Place the earphones into the charging case. Ensure they are correctly seated.
- Connect the charging case to a power source using a compatible USB-C cable.
- The indicator lights on the case will show the charging status. Refer to the case for specific light patterns.
- A full charge provides up to 20 hours of listening time for the earphones, and the charging case extends this to a total of 50 hours.

2. Bluetooth Pairing

To connect your Nurati N2 earphones to a device, follow these steps:

1. Ensure the earphones are charged and placed in the charging case.
2. Open the charging case. The earphones will automatically enter pairing mode, indicated by a flashing LED light.
3. On your device (smartphone, tablet, computer), enable Bluetooth.
4. Search for available Bluetooth devices.
5. Select "Nurati N2" from the list of found devices.
6. Once connected, the LED indicator on the earphones will change (e.g., stop flashing or turn solid blue).
7. The earphones are now ready for use.

Note: The earphones will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

OPERATING INSTRUCTIONS

The Nurati N2 earphones feature touch controls for various functions. The exact location of the touch control

area is typically on the outer surface of each earbud.

Power On/Off

- **Power On:** Open the charging case, and the earphones will automatically power on. Alternatively, press and hold the touch control area on each earbud for approximately 3 seconds.
- **Power Off:** Place the earphones back into the charging case and close the lid. They will automatically power off and begin charging. Alternatively, press and hold the touch control area on each earbud for approximately 5 seconds.

Music Playback

- **Play/Pause:** Single tap the touch control area on either earbud.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.

Call Management

- **Answer/End Call:** Single tap the touch control area on either earbud.
- **Reject Call:** Press and hold the touch control area on either earbud for 2 seconds.
- **Voice Assistant:** Triple tap the touch control area on either earbud (functionality may vary by device).

Crystal Clear Calls

Provides up to 9 hours of meeting time

Image: A person using Nurati N2 earphones for a call, illustrating the crystal clear call feature.

Volume Control

Volume control is typically managed directly from your connected device. The Nurati N2 earphones do not have dedicated volume control buttons.

MAINTENANCE

Cleaning

- Gently wipe the earphones and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts on both earphones and case are clean and dry.

Storage

- When not in use, store the earphones in their charging case to protect them and keep them charged.
- Store in a cool, dry place, away from extreme temperatures and direct sunlight.

Water Resistance

The Nurati N2 earphones are waterproof. However, this does not mean they are suitable for submersion. Avoid prolonged exposure to water and ensure they are dry before placing them back in the charging case

to prevent damage.

TROUBLESHOOTING

Problem	Possible Solution
Earphones do not power on.	Ensure the earphones are charged. Place them in the charging case and connect the case to a power source.
Cannot pair with device.	• Ensure Bluetooth is enabled on your device. • Make sure the earphones are in pairing mode (open the charging case). • Forget "Nurati N2" from your device's Bluetooth list and try pairing again. • Ensure the earphones are within Bluetooth range (typically 10 meters).
No sound or low volume.	• Check the volume level on your connected device. • Ensure the earphones are properly connected to your device. • Clean any debris from the earphone speakers.
Earphones disconnect frequently.	• Ensure there are no obstructions between the earphones and your device. • Move closer to your device to reduce interference. • Check for other strong wireless signals that might cause interference.

Safety Information

Please read and follow these safety guidelines to prevent damage to your device or personal injury:

- Do not disassemble, repair, or modify the earphones or charging case.
- Keep the device away from extreme temperatures, direct sunlight, and open flames.
- Avoid exposing the device to excessive moisture or liquids, despite its waterproof rating. Ensure it is dry before charging.
- Do not use the earphones at excessively high volumes for prolonged periods to prevent hearing damage.
- The open-ear design allows you to hear your surroundings, which is beneficial for safety. However, always exercise caution in environments requiring full attention, such as driving or operating machinery.
- Keep out of reach of children and pets.
