Liudefa 5-Light Modern Ceiling Pendant Light (Model 8018-5Grey) Instruction Manual

Model: 8018-5Grey | Brand: Liudefa

1. SAFETY INFORMATION

Please read these instructions carefully before installation and use. Keep this manual for future reference.

- **Electrical Safety:** Always turn off the main power supply at the circuit breaker before beginning any electrical work. If you are unsure about electrical installations, consult a qualified electrician.
- **Voltage:** This fixture is designed for 110V electrical systems. Ensure your home's voltage matches this requirement.
- **Bulb Type:** Use E26 base bulbs only. Do not exceed the maximum wattage of 60 watts per bulb. Bulbs are not included and must be purchased separately.
- **Installation:** Ensure the mounting surface can support the weight of the fixture. Follow all local electrical and building codes.
- **Handling:** Handle the fixture with care to avoid damage to components.

2. PRODUCT OVERVIEW

The Liudefa 5-Light Modern Ceiling Pendant Light, Model 8018-5Grey, is a semi-flush mount fixture featuring a contemporary design with natural wood accents and metal shades. It is suitable for various indoor spaces such as living rooms, bedrooms, dining rooms, and foyers. The fixture is constructed from natural wood and high-quality metal, designed for durability and resistance to heat, corrosion, and fading. Its design promotes efficient light transmission and heat dissipation, contributing to electrical safety.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before proceeding with installation. If any parts are missing or damaged, contact customer support.

- Liudefa 5-Light Ceiling Pendant Light Fixture
- Mounting Hardware (screws, wire nuts, mounting bracket)
- Instruction Manual

Note: E26 light bulbs are not included and must be purchased separately.

4. SETUP AND INSTALLATION

It is recommended to have a qualified electrician perform the installation. Ensure power is OFF at the circuit breaker before starting.

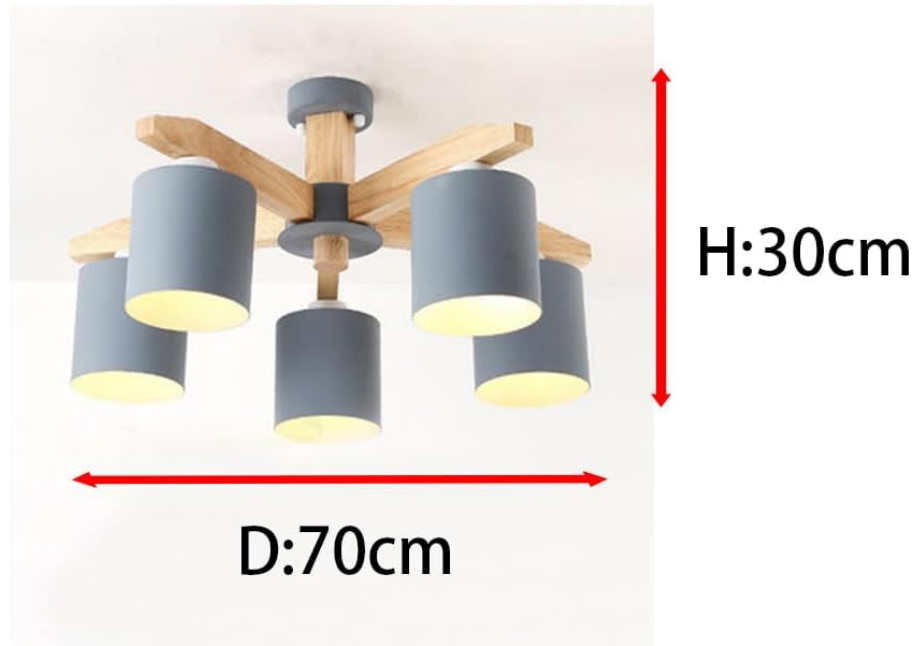

4.1 Pre-Installation

1. Turn off power at the main circuit breaker.
2. Unpack the fixture and all components. Inspect for any damage.
3. Review the included mounting hardware.
4. Determine the desired mounting location.

4.2 Installation Steps

1. Attach the mounting bracket to the junction box in the ceiling using the provided screws.
2. Connect the fixture's wires to the corresponding household wires (black to black, white to white, ground to ground) using wire nuts. Ensure all connections are secure.
3. Carefully tuck the wires into the junction box.
4. Align the fixture base with the mounting bracket and secure it with the provided screws or nuts.
5. Install five E26 base bulbs (not included) into the sockets.
6. Restore power at the circuit breaker and test the light fixture.

features.

5. OPERATING INSTRUCTIONS

Once installed and powered, the light fixture can be operated via a standard wall switch. The product specifications also indicate "App" as a control method, suggesting potential smart home integration. Refer to the specific app's instructions for detailed setup and usage if this feature is desired.

6. MAINTENANCE

6.1 Cleaning

- Ensure the power is turned off before cleaning.
- Wipe the fixture with a soft, dry cloth.
- Do not use abrasive cleaners or solvents, as these may damage the finish.

6.2 Bulb Replacement

- Turn off the power at the circuit breaker.
- Allow bulbs to cool completely before touching them.

- Unscrew the old E26 bulb and screw in a new E26 bulb (max 60W).
- Restore power and test.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	No power to the fixture. Loose wire connections. Faulty bulb.	Check circuit breaker and wall switch. Turn off power, check wire connections. Replace bulb.
Light flickers.	Loose bulb. Incompatible dimmer switch (if applicable). Loose wire connections.	Tighten bulb. Ensure dimmer is compatible with LED bulbs (if using LED). Turn off power, check wire connections.

8. SPECIFICATIONS

Feature	Detail
Brand	Liudefa
Model Name	8018-5Grey
Color	Gray
Material	Metal, Wood
Style	Modern
Light Fixture Form	Ceiling, Pendant
Room Type	Bedroom, Living Room, Dining Room, Kitchen, Kids, Nursery, Bathroom, Home Office
Product Dimensions	28"L x 28"W x 12"H (70cm x 30cm)
Specific Uses For Product	Home
Indoor/Outdoor Usage	Indoor
Power Source	AC
Installation Type	Semi Flush Mount
Special Feature	Waterproof (for indoor use, likely splash/humidity resistant)
Control Method	App, Push Button (wall switch)
Finish Type	Painted
Shade Material	Metal
Number of Light Sources	5

Feature	Detail
Voltage	110 Volts
Light Color	White (referring to fixture color, not bulb output)
Included Components	Mounting Hardware
Warranty Type	Limited
Item Weight	3 Pounds
Wattage	60 watts (per bulb, max)
Water Resistance Level	Waterproof (for indoor use, likely splash/humidity resistant)
Brightness	2000 Lumen (total, with appropriate bulbs)
Mounting Type	Ceiling Mount
Shade Color	Grey (physical shade color)
Fixture Type	Non Removable
Assembly Required	Minimal (main body pre-assembled, installation required)
Color Temperature	3000 Kelvin (with appropriate bulbs)
