

Fszdorj F105

Fszdorj F105 White 20-Inch Low Profile Ceiling Fan with Dimmable LED Light, App & Remote Control

Model: F105 | Brand: Fszdorj

1. INTRODUCTION

This manual provides essential information for the safe and efficient operation of your Fszdorj F105 Low Profile Ceiling Fan with Light. Please read these instructions thoroughly before installation and use, and retain them for future reference.

2. SAFETY INFORMATION

Always ensure the power supply is disconnected before installation, maintenance, or cleaning. Installation should be performed by a qualified electrician. Do not attempt to repair or modify the unit yourself. Use only specified replacement parts. Keep children away from the fan during operation.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation. The package typically includes:

- Ceiling Fan with Integrated LED Light
- Remote Control
- Mounting Hardware (screws, wire nuts, anchors)
- User Manual

4. SETUP AND INSTALLATION

Installation of the Fszdorj F105 ceiling fan is designed to be straightforward. Follow these steps carefully. A detailed installation video is provided below for visual guidance.

1. **Prepare for Installation:** Ensure power to the installation area is turned off at the circuit breaker.
2. **Mount the Bracket:** Secure the mounting bracket to the ceiling junction box using the provided screws.
3. **Wire Connections:** Connect the fan's electrical wires to the household wiring (Live, Neutral, Ground) using the wire nuts. Ensure all connections are secure.
4. **Attach the Fan Body:** Carefully lift the fan body and attach it to the mounting bracket, securing it with the appropriate screws.
5. **Final Checks:** Ensure all connections are tight and the fan is securely mounted. Restore power at the circuit breaker.

5. OPERATING INSTRUCTIONS

Your Fszdorj F105 ceiling fan offers versatile control options via remote control and a dedicated smartphone application.

5.1. Remote Control & App Control

The ceiling fan and light can be controlled independently. The remote control allows for easy adjustment of light color, brightness, fan speed, and timer settings. An accompanying app (Bluetooth-enabled) provides similar functionalities. The remote's beep noise is cancelled for quiet operation.

Figure 2: Remote control and app interface for managing fan and light settings.

5.2. Light Functions

- **Stepless Dimming & Color Temperature:** Adjust the main light smoothly from warm white (3000K) to cool white

(6500K) and brightness from 10% to 100% using the remote or app. The fan features a memory function, retaining your last settings when turned off.

- **Revolutionary Night Light:** A standalone night light offers independent control with three preset colors: violet, warm blue, and soft warm. Mix and match colors between the main light and night light to create desired ambiance.

5.3. Fan Functions

- **6 Fan Speeds:** Choose from 6 adjustable fan speeds to suit your comfort needs.
- **Reversible Fan Motor:** The fan features 2 airflow modes. Use downdraft airflow for a cooling breeze in summer and updraft airflow to enhance air circulation in winter.
- **Quiet DC Motor:** Equipped with a pure copper silent motor, the fan delivers quiet, smooth, and stable airflow, operating at less than 30 dB(A).

6. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your ceiling fan. Always disconnect power before performing any maintenance.

- **Cleaning:** Use a soft, damp cloth to wipe down the fan blades and light fixture. Avoid abrasive cleaners or solvents that may damage the finish.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to ensure secure operation.
- **Dust Removal:** Use a soft brush or vacuum cleaner with a brush attachment to remove dust from the fan motor housing and light cover.

7. TROUBLESHOOTING

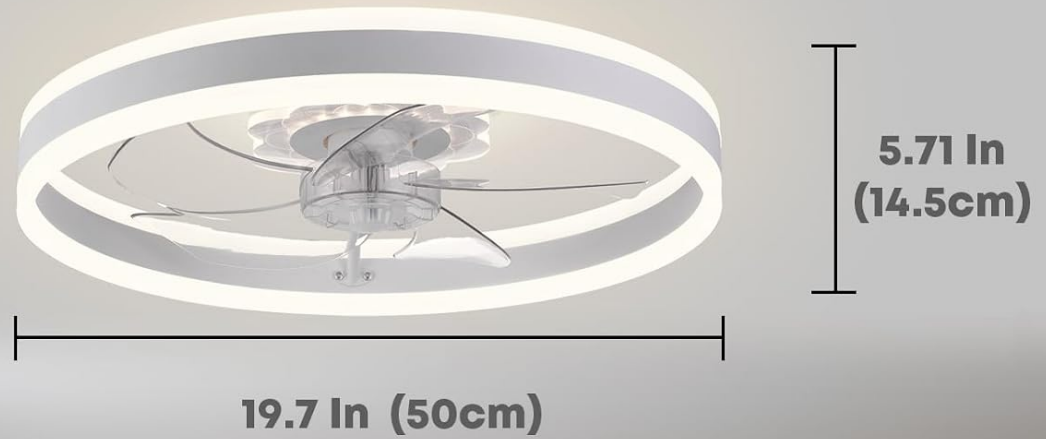

If you encounter any issues with your Fszdorj F105 ceiling fan, refer to the following common troubleshooting tips:

- **Fan Not Operating:** Check the power supply at the circuit breaker. Ensure all wiring connections are secure. Verify the remote control batteries are functional.
- **Light Not Working:** Check power supply. Ensure light settings are not dimmed to minimum or turned off.
- **Remote Control Not Responding:** Replace batteries in the remote. Ensure there are no obstructions between the remote and the fan. Re-pair the remote if necessary (refer to specific pairing instructions in the full manual).
- **Excessive Noise:** Ensure all mounting screws are tight. Check that fan blades are clean and free from obstructions.

For persistent issues, contact Fszdorj customer support.

8. SPECIFICATIONS

Feature	Specification
Brand	Fszdorj
Model Name	3-F105-D
Size	20 INCH (19.7"L x 19.7"W x 5"H)
Color	F105 White
Material	Acrylic Iron
Power Source	AC
Voltage	120 Volts
Wattage	80 watts
Light Source Type	LED
Brightness	800 lumen (Light Output Maximum)
