2. Product Features

The Vitamix Immersion Blending Jar is engineered for convenience and performance, offering several key features:

- **Capacity:** This jar has a 32-ounce (approximately 946 milliliters) capacity, ideal for preparing 1-2 servings of various recipes.
- **Optimized Container Shape:** Inspired by the standard Vitamix container, its unique design efficiently moves ingredients through the blades of an immersion blender, ensuring consistent and high-quality blends.
- **Built-In Measuring:** The exterior of the jar features clear ounce and cup measurement markings, allowing for precise ingredient measurement directly in the jar.
- **Compatibility:** Designed specifically for use with the Vitamix Immersion Blender (sold separately).
- **BPA-Free Material:** Constructed from durable Eastman Tritan, the jar is BPA-free, ensuring safety for food contact.
- **Dishwasher Safe:** For easy cleaning, the jar is dishwasher safe.

- **Easy Storage:** A secure screw-on lid is included, enabling convenient storage of blended contents or ingredients, and facilitating transport.

3. Setup

Before using your Vitamix Immersion Blending Jar for the first time, follow these steps:

1. **Unpack:** Carefully remove the blending jar and lid from its packaging.
2. **Wash:** Wash the jar and lid thoroughly with warm, soapy water. Rinse completely.
3. **Dry:** Ensure all parts are completely dry before assembly or use.

4. Operating Instructions

The Vitamix Immersion Blending Jar is designed for seamless integration with your Vitamix Immersion Blender. Follow these steps for optimal blending:

1. **Add Ingredients:** Place your desired ingredients into the blending jar. Utilize the built-in ounce and cup markings for accurate measurements. Do not exceed the 'MAX FILL' line indicated on the jar.
2. **Insert Immersion Blender:** Carefully insert the shaft of your Vitamix Immersion Blender (sold separately) into the jar, ensuring the blade guard is fully submerged in the ingredients.
3. **Blend:** Activate your immersion blender and move it gently up and down and around the jar to ensure all ingredients are thoroughly blended to your desired consistency. The jar's unique shape helps guide ingredients towards the blades for efficient processing.
4. **Store or Serve:** Once blending is complete, remove the immersion blender. If storing, securely fasten the screw-on lid onto the jar. The jar is suitable for direct serving or refrigeration.

5. Maintenance and Cleaning

Proper care will extend the life of your Vitamix Immersion Blending Jar:

- **Dishwasher Cleaning:** The Vitamix Immersion Blending Jar is dishwasher safe. For best results and to prevent warping, place it on the top rack of your dishwasher.
- **Hand Washing:** For hand washing, use warm water and a mild dish soap. Use a soft sponge or cloth to clean the interior and exterior. Rinse thoroughly to remove all soap residue.
- **Lid Care:** The screw-on lid can also be washed in the dishwasher (top rack) or by hand. Ensure the lid is completely dry before reattaching to the jar for storage.
- **Storage:** Store the clean and dry jar and lid in a cool, dry place.

6. Troubleshooting

If you encounter any issues with your Vitamix Immersion Blending Jar, consider the following:

- **Blending Inefficiency:** Ensure you are using a compatible immersion blender and that ingredients are not overfilling the jar. The jar's design is optimized for efficient movement of ingredients when used with an immersion blender.
- **Lid Tightness:** If the lid is difficult to open or close, ensure it is aligned correctly with the jar's threads. Avoid overtightening.
- **Cleaning Residue:** If residue remains after cleaning, ensure thorough rinsing and consider using a bottle brush for hard-to-reach areas.

For persistent issues not covered here, please refer to the Warranty and Support section.

7. Specifications

Attribute	Detail
Brand	Vitamix
Model Number	069814
Capacity	32 ounces (946 Milliliters)
Material Type	BPA-Free Eastman Tritan
Color	Clear
Product Dimensions (D x W x H)	4.37"D x 4.37"W x 7.13"H
