PRODUCT FEATURES

- **Elegant Matte Black Finish:** A delicate matte black finish that conceals spots, making daily maintenance easy with a soft, damp cloth.
- **Effortless Operation:** Single handle design for convenient control of water volume and temperature. Features a lock and bracket for hands-free use of the sprayer.
- **Pull-Down Sprayer with Dual Function:** Constructed from SUS304 stainless steel, offering efficient water flow with a pressurized nozzle for high-pressure water and a bubble nozzle to prevent splashing. Easily switch between spray and stream modes.

- **Durable Construction:** High-quality all-metal body and handle, rust-resistant finishing, heavy-duty spring, and an advanced ceramic cartridge tested for over 500,000 cycles.
- **360° Swivel:** The faucet features a 360-degree swivel capability for extended reach and flexibility.
- **LED Temperature Indicator:** Integrated LED lights change color to indicate water temperature: blue for cold, green for warm, and red for hot.

Mounting Type	Deck Mount

Number of Handles	1
Hole Count	1
Special Feature	360 Swivel, Dual Function Sprayer, Dual Spout, Pull Down Sprayer
Flow Rate	1.8 Gallons Per Minute
Spout Height	6.69 Inches
Item Weight	5.9 Pounds
Hose Length	24 Inches

Detailed dimensions and mounting specifications.

SETUP AND INSTALLATION

The AIMADI Black Kitchen Faucet is designed for easy installation, typically taking around 20 minutes. All necessary mounting hardware and hot/cold waterlines are included in the box.

Included Components:

- Kitchen Faucet
- Nut
- Black Gasket
- Metal Gasket
- Rubber Gasket
- Screw Cap
- Hot and Cold Hoses

Installation Steps:

1. Install the hose.
2. Install the mounting stem.
3. Mount the faucet to the sink.
4. Secure the mounting nut.
5. Connect the hot and cold hoses.

Ensure your countertop thickness is within the specified range (1.3"-1.6" with deck plate, 1.7" without deck plate) and the mounting hole diameter is 1 inch for proper fit.

OPERATING INSTRUCTIONS

Water Flow and Temperature Control:

Use the single lever handle to control both water volume and temperature. Move the handle left for hot water, right for cold water, and adjust vertically for flow intensity.

Dual Function Sprayer:

The pull-down sprayer offers two distinct modes: a powerful spray for rinsing and a steady stream for general use. Switch between modes using the button on the sprayer head. The sprayer can be pulled down for extended reach and flexibility, and the faucet itself swivels 360 degrees.

Stream Mode

Visual comparison of spray and stream modes.

Hands-Free Operation:

Utilize the lock and bracket design on the sprayer to keep the water flowing without continuously holding the trigger, providing convenience for tasks like washing dishes.

LED Temperature Indicator:

The faucet features an LED light that changes color based on water temperature, providing a visual cue to prevent scalding or unexpected cold water:

- **Blue:** Cold water
- **Green:** Warm water
- **Red:** Hot water

The faucet features an LED light that changes color based on water temperature.

MAINTENANCE

To maintain the elegant matte black finish and ensure the longevity of your faucet, regularly wipe it with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish. The durable construction and ceramic cartridge are designed for minimal maintenance.

TROUBLESHOOTING

If you encounter any issues with your AIMADI kitchen faucet, please refer to the following general troubleshooting tips:

- **Low Water Pressure:** Check your home's main water supply valve and ensure it is fully open. Inspect the aerator on the faucet for any debris or mineral buildup that might be restricting flow.
- **Leaking:** Ensure all connections are tight and properly sealed during installation. If leaking persists, the internal cartridge might need inspection or replacement.
- **LED Light Malfunction:** Verify that the water flow is sufficient to activate the LED sensor. If the issue continues, contact customer support.
- **Difficulty Switching Modes:** Check the sprayer head for any blockages or damage.

For more complex issues or if troubleshooting steps do not resolve the problem, please contact AIMADI customer support.

WARRANTY AND SUPPORT

AIMADI products are designed for quality and durability. This faucet includes a **2-Year Free Repair** warranty. For any questions during installation, operation, or for warranty claims, please feel free to contact AIMADI customer support. Our team is ready to assist you with any inquiries.
