Jaobeem Large Baby Playpen (74x50x27 Inch) Instruction Manual

Brand: Jaobeem

Model: YMS-RKWL-001

Introduction

This manual provides instructions for the safe assembly, operation, and maintenance of your Jaobeem Large Baby Playpen. Please read all instructions carefully before use to ensure proper setup and safe usage for your child.

Important Safety Warnings

- Always supervise children when they are in the playpen.
- Ensure all parts are securely assembled before placing a child inside.
- Do not use the playpen if any parts are missing, damaged, or broken.
- Keep children away from the playpen during assembly and disassembly.
- Do not place toys or objects that could be used as steps near the sides of the playpen to prevent climbing out.
- The playpen is designed for infants and toddlers who cannot climb out.
- This playpen does not include a padded mat. For hard surfaces, consider adding a separate padded mat for comfort and safety.

Package Contents

Verify that all components are present before beginning assembly:

- 300D Oxford cloth cover
- Upper joint
- Bottom suction cup joint
- T-connector
- T-bottom suction cup joint
- Stainless steel pipe

Setup and Assembly

Assembly typically takes approximately 30 minutes. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Assemble Frame:** Connect the stainless steel pipes using the upper joints, bottom suction cup joints, T-connectors, and T-bottom suction cup joints to form the playpen frame. Ensure all connections are secure.
3. **Attach Fabric Cover:** Drape the 300D Oxford cloth cover over the assembled frame. Secure the fabric to the frame according to the design, ensuring the mesh sides are properly aligned.
4. **Secure Base:** The playpen includes 10 sturdy suction cups at the bottom. Press down firmly on the frame to engage these suction cups with the floor, preventing the playpen from moving.
5. **Inspect Assembly:** Double-check all connections and fabric attachments to ensure the playpen is stable and safe for use.

Operating Instructions

The Jaobeem Large Baby Playpen is designed to provide a safe and engaging space for your child.

- **Supervised Play:** Place your child and their toys inside the playpen for supervised play. The 360° transparent breathable mesh allows for full visibility, ensuring you can monitor your child at all times.
- **Zippered Door:** The playpen features an external zippered door for easy access. This allows toddlers to crawl in and out independently when supervised, and provides convenient entry for parents. Ensure the zipper is fully closed when you need to keep your child securely inside.
- **Stability:** The anti-slip base with 10 sturdy suction cups helps keep the playpen firmly in place on smooth surfaces.

Maintenance and Cleaning

To maintain the cleanliness and longevity of your playpen:

- The oxford cloth cover and surrounds are washable.
- For routine cleaning, wipe down the fabric with a wet cloth and mild soap.
- Allow all parts to air dry completely before reassembly or storage to prevent mold or mildew.
- Regularly inspect the playpen for any signs of wear or damage to the fabric, pipes, or joints.

Troubleshooting

If you encounter any issues with your playpen, consider the following common solutions:

- **Playpen instability:** Ensure all pipe connections are fully engaged and the bottom suction cups are firmly pressed onto a clean, smooth surface.
- **Difficulty with assembly:** Refer to the "Setup and Assembly" section and ensure all components are correctly identified and connected as per the instructions.
- **Missing parts:** If any parts are missing upon arrival, please contact customer support immediately.
