Instruction Manual

KOMFOTTEU Sideboard with 6 Compartments, Anti-Tipping Device

Model: SE09814DE

1. Introduction

Thank you for choosing the KOMFOTTEU Sideboard. This manual provides important information regarding the assembly, safe operation, and maintenance of your new furniture. Please read these instructions carefully before assembly and retain them for future reference.

This versatile cabinet is designed to offer both storage and display solutions for various rooms in your home, including the living room, dining room, and kitchen. It features a combination of open and closed compartments to suit your organizational needs.

2. Safety Information

To ensure safe use and prevent injury, please adhere to the following safety guidelines:

- Always follow the provided assembly instructions precisely. Incorrect assembly can lead to instability and potential hazards.
- Do not overload the compartments. Each compartment has a maximum weight capacity of 5 kg. Overloading can cause the cabinet to tip over or damage the structure.
- The sideboard is equipped with an anti-tipping device. It is crucial to install this device securely to a wall to prevent accidental tipping, especially in households with children or pets.
- Place the cabinet on a flat, stable surface to ensure stability.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.

3. Product Overview and Features

The KOMFOTTEU Sideboard is designed for practical storage and aesthetic appeal. It features a robust construction and thoughtful details.

- **Anti-Tipping Device:** Essential for securing the cabinet to a wall, preventing accidental falls.
- **Magnetic Door Catches:** Ensures doors remain securely closed.
- **Convenient Handles:** Metal handles provide easy access to the closed compartments.
- **Sturdy Wood Legs:** Four solid wood legs provide stable support and elevate the cabinet.

6. Assembly Instructions

Your KOMFOTTEU Sideboard requires assembly. A detailed, step-by-step assembly manual is included with your product. Please refer to the official PDF manual for comprehensive instructions.

Important:

- Before starting, verify that all parts and hardware listed in the manual are present.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Do not overtighten screws, as this can damage the material.
- Ensure the anti-tipping device is correctly installed as per the instructions to prevent hazards.

For the complete assembly guide, please refer to the Installation Manual (PDF).

7. Usage and Application

The sideboard offers versatile storage and display options for various items and settings.

Utilize the 3 closed compartments for items you wish to keep out of sight, such as personal belongings or less frequently used items. The 3 open compartments are ideal for displaying decorative items, books, or frequently accessed essentials.

The robust top surface can hold items up to 15 kg, making it suitable for lamps, small appliances, or decorative arrangements.

8. Maintenance

Proper care will extend the life and maintain the appearance of your sideboard.

- **Cleaning:** Wipe the surfaces with a dry cloth to remove dust and light dirt. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Immediately wipe up any spills with a soft, damp cloth to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.
- **Inspection:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary.

9. Troubleshooting

If you encounter any issues with your sideboard, consider the following common solutions:

- **Instability/Wobbling:** Ensure the cabinet is placed on a level surface. Check that all assembly screws are securely tightened. Verify the anti-tipping device is properly installed and anchored to the wall.
- **Doors Not Closing Properly:** Check if the magnetic catches are aligned and functioning. Ensure hinges are correctly installed and tightened. Verify that the cabinet itself is level.
- **Damaged Parts:** If any part is damaged during shipping or assembly, do not proceed with assembly. Contact customer support for replacement parts.
- **Missing Parts:** Refer to the parts list in the assembly manual. If any parts are missing, contact customer support.
