› Mondeer LED Vanity Table with Mirror and Stool, White and Gold - Instruction Manual

Mondeer FBDR50GW-B1N

Mondeer LED Vanity Table with Mirror and Stool

Model: FBDR50GW-B1N

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Assembly:** Follow the assembly instructions carefully to ensure safe and stable construction.
- **LED Lighting:** The vanity table is equipped with LED lighting. Mishandling may cause burns. Avoid direct prolonged contact with the light source.
- **Weight Capacity:** Do not exceed the maximum weight capacity of the vanity table (up to 50 kg for the metal frame) to ensure stable use and prevent collapse.
- **Child Safety:** Keep children and pets away from the assembly area. Ensure all small parts are out of reach. The rounded corners are designed for safety, but supervision is always recommended.

SETUP AND ASSEMBLY

Your Mondeer LED Vanity Table is designed for straightforward assembly. All necessary accessories and detailed instructions are included. Each part is labeled with a corresponding number to simplify the process.

1. Unpack all components and verify against the parts list provided in the included manual.
2. Follow the step-by-step diagrams in the assembly manual.
3. Ensure all screws and fasteners are securely tightened before use. Do not overtighten.
4. Place the vanity table on a flat, stable surface.

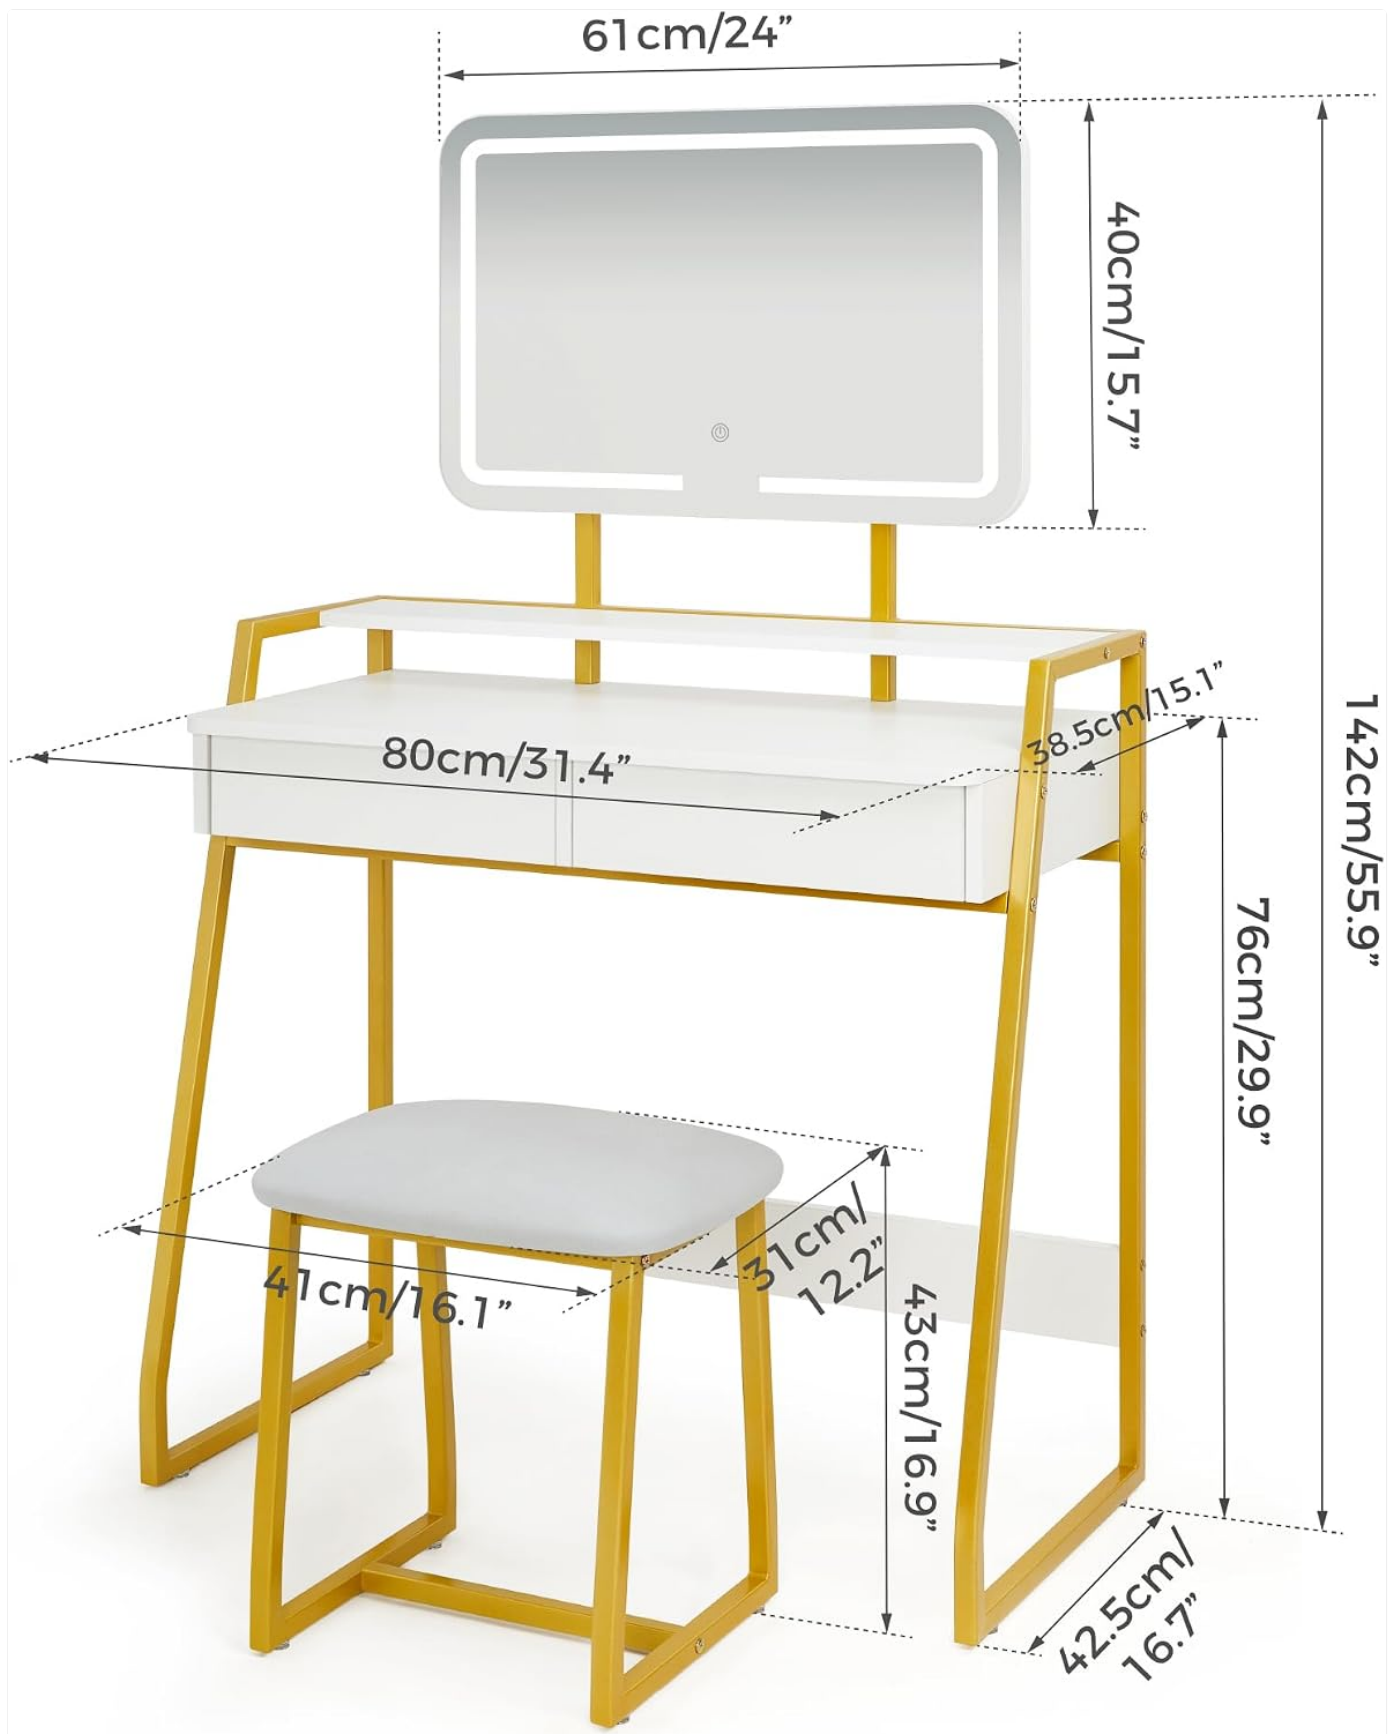

Figure 1: Assembly diagram showing the dimensions of the vanity table and stool. The table measures 84cm (W) x 42.5cm (D) x 142cm (H), and the stool is 41cm (W) x 31cm (D) x 43cm (H).

OPERATING INSTRUCTIONS

LED Mirror Operation

The integrated LED mirror provides adjustable lighting for various makeup needs.

- **Power On/Off:** Lightly touch the power button on the mirror to turn the LED lights on or off.
- **Color Temperature Adjustment:** With the lights on, tap the color temperature button to cycle through three settings:
 - **Warm Light (3500K):** Suitable for evening or party makeup.
 - **Natural Light (4500K):** Ideal for daily or outdoor makeup.
 - **Cold Light (6000K):** Best for detailed work or professional makeup.
- **Brightness Adjustment:** Press and hold the brightness button to smoothly adjust the light intensity from 0% to 100%. Release when the desired brightness is reached.

Figure 2: The LED mirror offers three distinct color temperatures: Cold light (6000K) for work, Natural light (4500K) for outdoor activities, and Warm light (3000K) for party nights.

Brightness Adjustable

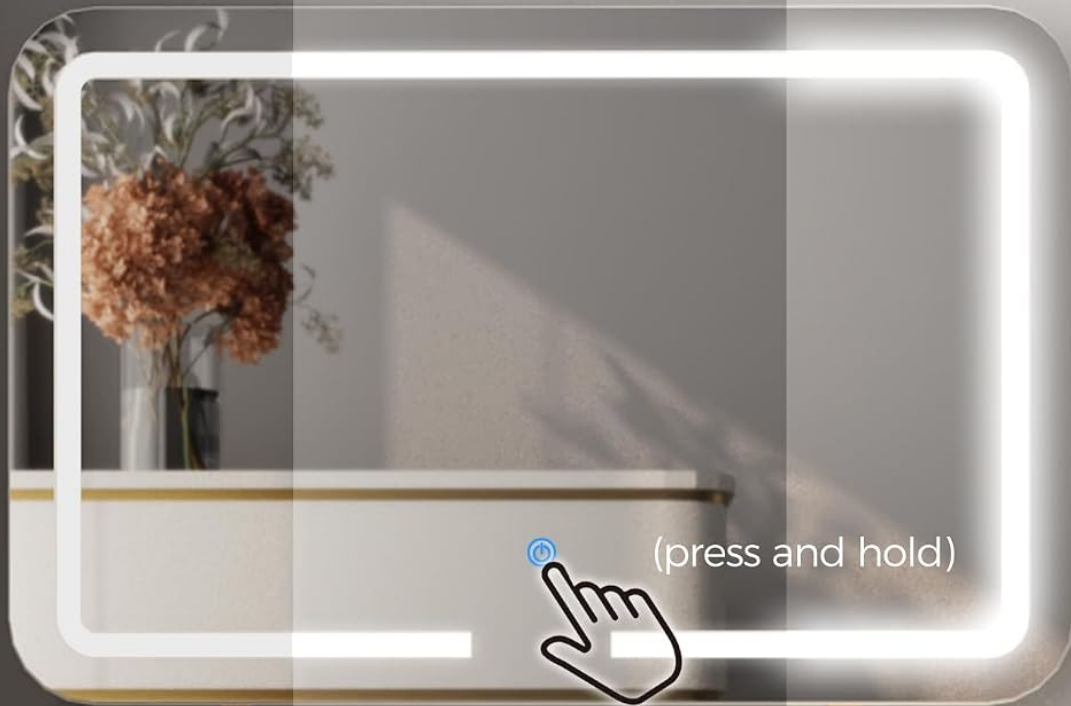

Figure 3: Brightness adjustment is achieved by pressing and holding the designated button on the mirror, allowing for a range from 0% to 100% intensity.

Mirror Height Adjustment

The mirror can be adjusted to two different heights to accommodate users of varying statures, providing an optimal viewing angle.

- To adjust, carefully lift the mirror and reposition it into the desired slot on the support frame. Ensure it is securely

seated in both positions.

2 Types Of Mirror Heights

Figure 4: The mirror can be set at two different heights, providing flexibility for users of various heights to achieve a comfortable viewing position.

Storage Features

The vanity table offers multiple storage options to keep your essentials organized.

- **2-Tier Storage Shelf:** Use the open shelf above the drawers for frequently accessed items like makeup brushes,

perfumes, and foundation.

- **Two Large Drawers:** Utilize the two spacious drawers for storing eyeshadow palettes, jewelry, and other personal items, keeping them dust-free and out of sight.

Multiple Storage Spaces

Figure 5: The vanity table features multiple storage spaces, including two large drawers and an open shelf, designed to organize makeup tools and accessories efficiently.

Comfortable Stool

The accompanying stool is designed for comfort during use.

- The stool features multiple layers of foam for a soft and comfortable seating experience.
- Ensure the stool is placed on a stable surface before sitting.

Comfortable Stool

Skin-friendly Tech Fabric

Flame Retardant Layer

High-Density Sponge

E1 Grade Particle Board

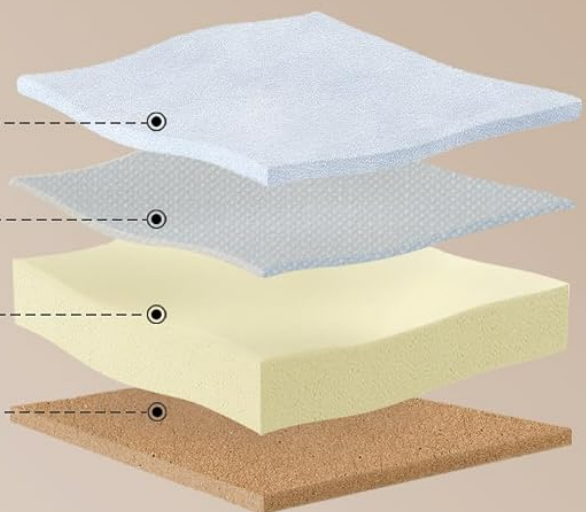

Figure 6: The comfortable stool is constructed with multiple layers, including skin-friendly fabric, a flame retardant layer, high-density sponge, and E1 grade particle board, ensuring durability and comfort.

MAINTENANCE

Proper care and maintenance will extend the life of your vanity table.

- **Cleaning the Table:** Wipe the table surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying.
- **Cleaning the Stool:** The stool fabric can be wiped clean with a damp cloth. Avoid harsh chemicals that may damage the material.
- **Mirror Care:** Use a glass cleaner and a soft, lint-free cloth to clean the mirror surface. Do not spray cleaner directly onto the LED components.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your Mondeer LED Vanity Table, refer to the following common solutions:

- **LED Lights Not Working:**
 - Ensure the power cable is securely plugged into both the mirror and a functional power outlet.
 - Check if the power outlet is active by plugging in another device.
 - Gently tap the power button on the mirror to ensure it registers the touch.
- **Table Wobbles:**
 - Verify that all assembly screws are tightened.
 - Ensure the table is placed on a level surface. Adjust floor glides if present.
- **Drawers Stick:**
 - Check for any obstructions in the drawer slides.
 - Ensure the drawer slides are properly aligned and installed according to the assembly instructions.

If problems persist, please contact customer support for further assistance.
