DOGIBIXO 7075-22624

DOGIBIXO Queen Size Bed Frame User Manual

Model: 7075-22624 | Brand: DOGIBIXO

1. Product Overview

The DOGIBIXO Queen Size Bed Frame is a versatile and functional addition to any bedroom. It features a sturdy platform design, integrated storage, an LED tufted headboard, and a convenient charging station. This manual provides essential information for assembly, operation, and maintenance to ensure safe and optimal use of your bed frame.

Key Features:

- **Integrated Storage:** Four large-capacity, dust-proof fabric drawers on wheels for easy access and organization.
- **LED Headboard:** Tufted headboard with self-adhesive RGB LED lights, controllable via remote or mobile app, offering over 20 colors and 4 modes.
- **Charging Station:** Built-in headboard charging station with 2 AC outlets, 1 USB port, and 1 Type-C port.
- **Sturdy Construction:** Features 14 high-quality support slats and 10 support legs, capable of supporting up to 1200 lbs.
- **No Box Spring Required:** Designed for direct mattress placement.
- **Quiet Design:** EVA silent strip between slats and metal frame to minimize noise.

2. Safety Instructions

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children to prevent choking hazards.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of 1200 lbs.
- Avoid standing or jumping on the bed frame.
- Use only the provided power adapter for the LED lights and charging station. Do not overload the electrical outlets.
- Place the bed frame on a level surface to ensure stability.

3. Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard (with integrated charging station)
- Side Rails
- Footboard
- Support Legs
- Wooden Slats with Plastic Sleeves
- 4 Storage Drawers
- Assembly Hardware (screws, bolts, Allen wrench)
- LED Light Strip
- LED Remote Control
- Power Adapter for LED/Charging Station
- Installation Manual

4. Setup and Assembly

Assembly typically takes less than 40 minutes. All necessary tools are included. Follow the step-by-step instructions provided in the separate installation manual for detailed guidance.

General Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the side rails to the headboard and footboard using the provided hardware.
3. Install the central support beam and support legs.
4. Insert the wooden slats into the plastic sleeves and secure them to the frame. Ensure the EVA silent strip is correctly positioned.
5. Assemble the four storage drawers and slide them into place under the bed frame.
6. Attach the self-adhesive LED light strip to the designated area on the headboard.
7. Connect the power adapter to the headboard's charging station and plug it into a wall outlet.

5. Operating Instructions

5.1. LED Headboard Lights

The integrated RGB LED lights can be controlled using the provided remote control or a compatible mobile application.

- **Remote Control:** Point the remote at the LED receiver on the headboard. Use the buttons to power on/off, change colors (over 20 options), adjust brightness, and select from 4 dynamic modes.
- **Mobile App:** Download the recommended app (refer to the LED light strip manual for details). Pair your device via Bluetooth. The app allows for advanced control, including custom color settings, music sync mode, and timing functions.

5.2. Charging Station

The headboard features a built-in charging station for your electronic devices.

- Ensure the bed frame's power adapter is plugged into a functional wall outlet.
- Use the 2 AC outlets (110V/12A), 1 USB port, or 1 Type-C port to charge your smartphones, tablets, and other compatible devices.
- Avoid plugging in high-power appliances to prevent overloading.

5.3. Storage Drawers

The four under-bed storage drawers provide convenient space for bedding, clothing, or other items.

- Each drawer is equipped with wheels for smooth movement.
- To open, gently pull the drawer handle. To close, push until it is fully recessed under the bed.
- The drawers feature simple locks to prevent accidental sliding. Engage the lock when the drawer is fully closed.

6. Maintenance

Regular maintenance helps prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe the upholstered surfaces with a damp cloth. For tougher stains, use a mild fabric cleaner and blot dry. Avoid harsh chemicals.
- **Frame:** Periodically check all bolts and screws and re-tighten them to ensure stability.
- **Drawers:** Keep the drawer tracks clean from dust and debris to ensure smooth operation.
- **Electrical Components:** Ensure the power cord and connections for the LED lights and charging station are free from damage. Unplug from the wall outlet before cleaning or if not in use for extended periods.

7. Troubleshooting

- **Squeaking Noises:** Ensure all bolts and screws are securely tightened. Check that the wooden slats are properly seated in their plastic sleeves and that the EVA silent strip is intact.
- **LED Lights Not Working:** Verify the power adapter is securely plugged into both the headboard and the wall outlet. Check the remote control battery. If using the app, ensure Bluetooth is enabled and the device is paired.
- **Charging Station Not Functioning:** Confirm the bed frame's power adapter is plugged in. Test with a different device or outlet to rule out device or wall outlet issues. Avoid overloading the ports.
- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer tracks. Ensure the wheels are clean and free of debris. Verify the drawers are assembled correctly.
- **Missing Parts or Damage:** If you encounter missing parts or damage upon arrival, refer to the Warranty and Support section for assistance.

8. Specifications

Model Number	7075-22624
Size	Queen
Dimensions (L x W x H)	224.99 cm x 161.01 cm x 121.49 cm (88.58" x 63.39" x 47.83")
