LEVNARY Shoe Cabinet

LEVNARY Shoe Storage Cabinet User Manual

Model: Shoe Cabinet | Brand: LEVNARY

INTRODUCTION

Thank you for choosing the LEVNARY Shoe Storage Cabinet. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new shoe cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This shoe storage cabinet is designed to help organize your footwear while adding a stylish touch to your entryway, hallway, or living space. Its compact design and hidden flip drawers make it ideal for small spaces, offering ample storage without clutter.

SAFETY INFORMATION

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all parts are securely fastened before use.
- Do not overload the cabinet. The maximum weight limit is 60 pounds.
- Keep small parts and packaging materials away from children and pets.
- For stability, consider anchoring the cabinet to a wall, especially if placed in a high-traffic area or if you have children or pets.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Wooden Panels (various sizes for frame, drawers, shelves)
- Metal Legs
- Flip Drawer Mechanisms
- Handles/Knobs
- Hardware Kit (screws, dowels, connectors, etc.)
- Instruction Manual (this document)

SETUP & ASSEMBLY

Assembly typically requires two people and takes approximately 1.5 to 2 hours. Follow these steps carefully:

1. Step 1: Assemble the Base Frame.

Attach the metal legs to the bottom wooden panel using the provided screws. Ensure they are securely tightened.

Figure 2: Base frame assembly.

2. Step 2: Construct the Side Panels.

Connect the side wooden panels to the base and top panels using dowels and cam locks/screws. Pay attention to the orientation of the panels.

Figure 3: Side panel attachment.

3. Step 3: Install Flip Drawer Mechanisms.

Attach the plastic flip mechanisms to the inside of the cabinet frame at the designated points for each drawer.

Figure 4: Flip mechanism installation.

4. Step 4: Assemble Drawer Fronts.

Attach the linen-covered drawer fronts to the flip mechanisms. Ensure they are aligned correctly.

Figure 5: Drawer front attachment.

5. Step 5: Insert Adjustable Shelves.

Slide the interior shelves into the flip drawers. These shelves can be adjusted to two positions or removed entirely to accommodate different shoe heights (e.g., boots, high heels).

Figure 6: Adjustable shelf placement.

6. Step 6: Attach Knobs and Back Panel.

Secure the knobs to the drawer fronts. Finally, attach the back panel to the cabinet using the small nails or screws provided.

Figure 7: Final assembly steps.

OPERATING INSTRUCTIONS

The LEVNARY Shoe Storage Cabinet is designed for ease of use and efficient shoe organization.

Using the Flip Drawers

Each of the two flip drawers opens downwards to reveal two tiers for shoe storage. Gently pull the knob to open the drawer. Place shoes on the tiers, ensuring they fit within the depth and height. Push the drawer back up until it clicks securely into place.

Figure 8: Cabinet with flip drawers open.

Adjusting Interior Shelves

The interior shelves within each flip drawer are adjustable. They can be set to two different height positions or completely removed to accommodate taller footwear like boots or high heels. To adjust, carefully lift the shelf and reposition it into the desired slots. To remove, simply lift it out.

AMPLE AND FLEXIBLE STORAGE SPACE

The panel can be adjusted or removed according to the size of your shoes

Figure 9: Adjustable shelf feature.

Utilizing the Bottom Open Rack

The cabinet features an open shoe rack at the bottom, providing additional storage space for frequently used shoes or slippers. Simply place your footwear directly on this rack.

MAINTENANCE & CARE

To ensure the longevity and appearance of your LEVNARY Shoe Storage Cabinet, follow these simple care instructions:

- **Cleaning:** Wipe the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish. The linen surface is scratch and dustproof; gently wipe with a dry or slightly damp cloth.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent dust buildup.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood and linen.

- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.

TROUBLESHOOTING

If you encounter any issues with your shoe cabinet, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Drawers do not close properly or fall apart.	Incorrect assembly of flip mechanisms or loose screws.	Review assembly steps for flip drawer mechanisms (Step 3 & 4). Ensure all screws are tightened securely. If parts are damaged, contact customer support.
Cabinet is wobbly or unstable.	Loose connections or uneven floor.	Check all screws and connections for tightness. Ensure the cabinet is placed on a flat, level surface. Use furniture pads if necessary to level.
Shoes do not fit in drawers.	Interior shelf height is too high for certain shoes.	Adjust the interior shelves to the lower position or remove them entirely for taller footwear.

SPECIFICATIONS

- **Brand:** LEVNARY
- **Model Number:** Shoe Cabinet
- **Color:** Natural Oak
- **Product Dimensions:** 9.25"D x 31.5"W x 39.37"H
