SETUP

1. Charging the Headphones

1. Connect the provided charging cable to the charging port on the headphones.
2. Connect the other end of the charging cable to a USB power source (e.g., computer USB port, USB wall adapter).
3. The LED indicator will illuminate to show charging status. It will typically change color or turn off when fully charged.
4. A full charge provides approximately 24 hours of playback time.

2. Bluetooth Pairing

1. Ensure the headphones are fully charged.
2. Press and hold the Power button on the headphones until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "Promate LaBoca-Pro" from the list of found devices.
5. Once paired, the LED indicator will typically show a solid blue light or flash blue slowly.
6. If prompted for a password, enter "0000".

3. Using AUX Mode (Wired Connection)

1. Locate the 3.5mm AUX port on the headphones.
2. Connect one end of the provided 3.5mm AUX cable to the headphones.
3. Connect the other end of the AUX cable to the 3.5mm audio jack of your audio source.
4. The headphones will automatically switch to wired mode. This mode functions even if the headphone battery is depleted.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Press and hold the Power button for approximately 3 seconds until the LED indicator lights up.
- **Power Off:** Press and hold the Power button for approximately 3 seconds until the LED indicator turns off.

Music Playback

- **Play/Pause:** Press the Multi-function button once.
- **Next Track:** Press and hold the Volume Up (+) button.
- **Previous Track:** Press and hold the Volume Down (-) button.
- **Volume Up:** Short press the Volume Up (+) button.
- **Volume Down:** Short press the Volume Down (-) button.

Call Management

- **Answer Call:** Press the Multi-function button once.
- **End Call:** Press the Multi-function button once during a call.
- **Reject Call:** Press and hold the Multi-function button for approximately 2 seconds.
- **Redial Last Number:** Double-press the Multi-function button.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures. The foldable design allows for compact storage.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not in constant use.
- **Water Exposure:** While the product description mentions "Waterproof", it is generally advisable to avoid direct exposure to water or high humidity to prevent damage.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Headphones do not power on.	Battery is depleted.	Charge the headphones fully using the provided cable.
Cannot pair via Bluetooth.	Headphones not in pairing mode; device Bluetooth off; too far from device.	Ensure headphones are in pairing mode (flashing blue/red). Turn Bluetooth on your device. Move headphones closer to the device (within 10 meters).
No sound when connected.	Volume too low; incorrect audio output selected on device; AUX cable not fully inserted.	Increase headphone and device volume. Check device audio settings. Ensure AUX cable is securely connected.
Poor sound quality or intermittent connection.	Interference; device too far; low battery.	Move away from other wireless devices. Reduce distance between headphones and device. Charge headphones.
Microphone not working.	Microphone muted on device; incorrect input selected.	Check device's microphone settings and ensure LaBoca-Pro is selected as the input device.
