

TRIBONE TB-001

TRIBONE 3-in-1 Foldable Fast Wireless Charger User Manual

MODEL: TB-001

1. Product Overview

The TRIBONE 3-in-1 Foldable Fast Wireless Charger is a versatile charging solution designed to power your iPhone, Apple Watch, and AirPods simultaneously. Its compact and foldable design makes it ideal for both home and travel use, providing a clutter-free charging experience.

This charging station incorporates advanced wireless charging technology with a built-in wide-range induction coil, ensuring efficient and convenient power delivery to your devices.

2. Package Contents

Please verify that all items are present in your package:

- 1 x TRIBONE Wireless Charger
- 1 x 20W USB-C Power Adapter
- 1 x USB-C to USB-C Charging Cable
- 1 x User Manual

3. Setup Guide

3.1 Connecting the Charger

1. Connect the provided USB-C to USB-C charging cable to the USB-C port on the TRIBONE wireless charger.
2. Plug the other end of the USB-C cable into the included 20W USB-C power adapter.
3. Insert the 20W USB-C power adapter into a standard wall outlet.

The charger is now ready for use. Indicator lights on the front will illuminate to confirm power connection.

3.2 Initial Placement

Place the charger on a flat, stable surface. Ensure there is adequate ventilation around the device.

4. Operating Instructions

4.1 Charging Your iPhone

Place your iPhone on the designated phone charging pad. Ensure the phone is centered on the pad for optimal charging. The charger supports up to 15W fast wireless charging for compatible iPhone models.

4.2 Charging Your Apple Watch

Attach your Apple Watch to the magnetic charging module. The module can be rotated for convenient viewing. The charger provides 3W charging for Apple Watch models.

4.3 Charging Your AirPods

Place your AirPods case on the base charging area. Ensure the case is properly aligned for wireless charging. The charger delivers 5W charging for AirPods.

4.4 Foldable Stand Functionality

The charger features a foldable design, allowing it to be used as an adjustable-angle phone stand. You can position your phone in either portrait mode for video calls (FaceTime) or landscape mode for watching videos while charging. The watch charging part can also rotate for better viewing angles.

Universal Compatibility

5. Device Compatibility

The TRIBONE 3-in-1 Wireless Charger is designed for broad compatibility with Apple devices and other wireless charging enabled phones.

- **For iPhone:** iPhone 12-16 Series, iPhone 8-11 Series, SE 1-3 (with MagSafe Case or later versions).
- **For Apple Watch:** Apple Watch SE 1st & 2nd Generation, Apple Watch Ultra 1-2, Apple Watch Series 1-10 or later versions.
- **For AirPods:** AirPods Pro & 2nd Generation, AirPods 2nd & 3rd Generation, AirPods 4 or later versions.
- Also compatible with other phones supporting wireless charging, such as Samsung Galaxy S series, Note series, Google Pixel, and Xiaomi Mi series.

5.1 Important Notes on Compatibility

- Please do not use a phone case thicker than 5mm (0.2 inches) as it may interfere with wireless charging efficiency.

- Ensure your device's operating system is updated to the latest version for optimal performance and compatibility.
- Avoid using cases with metal shells, magnets, or credit cards stored between the phone and the charging pad, as these can prevent charging or damage the device.

Image: Illustrates the 'Case Friendly' feature, showing that cases thinner than 5mm are compatible, while thick cases (like Otterbox), metal shells, credit cards, and PopSockets are not recommended for wireless charging.

6. Key Features

- **3-in-1 Simultaneous Charging:** Charge your iPhone, Apple Watch, and AirPods all at once, eliminating cable clutter and simplifying your charging routine.
- **20W High Power Fast Charging:** With the included 20W adapter, your devices can be fully charged quickly, typically within 3 hours for a phone. The charger automatically switches to trickle protection mode once devices are fully charged to prevent overcharging.
- **Portable & Foldable Stand Design:** The charger's lightweight and foldable design makes it highly portable, fitting easily into bags or suitcases for travel. It also functions as an adjustable phone stand.
- **Multi-Protection System:** Equipped with an upgraded coil, the charger provides multiple safety protections including over-current protection, over-voltage protection, and over-temperature protection, ensuring safe and reliable charging.

7. Care and Maintenance

- Keep the charger away from water, moisture, and extreme temperatures.
- Do not disassemble, modify, or attempt to repair the device yourself.
- Clean the surface of the charger with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Ensure proper ventilation during use to prevent overheating.

8. Troubleshooting

If you encounter any issues with your TRIBONE wireless charger, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Device not charging or charging intermittently.	Loose connection, improper device placement, thick phone case, foreign objects, outdated device software.	Ensure the power adapter and cable are securely connected. Reposition your device to be centered on the charging pad. Remove phone cases thicker than 5mm (0.2 inches). Remove any metal objects or credit cards from between the phone and charger. Update your device's operating system.
Slow charging speed.	Using a non-20W adapter, background apps on device, device overheating.	Always use the included 20W USB-C power adapter. Close unnecessary background applications on your device. Ensure the charger is in a well-ventilated area.
Charging indicator light remains on even after device is fully charged.	Normal operation for some devices or minor variations in indicator behavior.	This is generally not an issue and indicates the charger is maintaining a trickle charge to protect the battery. If concerned, disconnect the device once fully charged.

9. Technical Specifications

Specification	Detail
Model Number	TB-001
Product Dimensions	5.7 x 2.7 x 0.83 inches
Item Weight	8.8 ounces
Connectivity Technology	USB
Connector Type	USB Type C
Input Voltage	9 Volts
Color	White
Special Feature	3 in 1, Fast Charging, Fold Up, Wireless Charging

10. Warranty and Customer Support

TRIBONE is committed to providing high-quality products. If you encounter any problems during the use of your wireless charger, please do not hesitate to contact our customer support team.
