INTRODUCTION

This manual provides detailed instructions for the Havit KB884L White Mechanical Gaming Keyboard. Please read this manual thoroughly before using the product to ensure proper operation and to maximize its lifespan. This keyboard is designed for gaming and general computing, offering a responsive mechanical key experience and customizable RGB lighting.

SETUP

Follow these steps to set up your Havit KB884L keyboard:

1. **Unpacking:** Carefully remove the keyboard and any included accessories from the packaging. Ensure all components are present: Havit KB884L keyboard, USB-C to USB-A cable.

2. **Connection:** Locate the USB-C port on the keyboard (typically at the top edge). Insert the USB-C end of the cable into the keyboard and the USB-A end into an available USB port on your computer.

3. **Driver Installation:** The Havit KB884L is a plug-and-play device. Your operating system (Windows, macOS, Linux) should automatically detect and install the necessary drivers. No manual driver installation is typically required for basic functionality.

4. **Initial Test:** Open a text editor or web browser and type to confirm the keyboard is functioning correctly. The RGB lighting should illuminate upon connection.

OPERATION

Basic Key Functions

The keyboard features a standard QWERTY layout with additional function keys and a compact 81-key design.

Function (Fn) Key Combinations

The **Fn** key (located near the left Ctrl key) can be combined with other keys to access multimedia controls and system functions. Refer to the keycap legends for specific functions.

- **Fn + F1-F12:** Multimedia and system shortcuts (e.g., volume control, media playback, web browser, email).
- **Fn + Win:** Locks/unlocks the Windows key to prevent accidental presses during gaming.

- **Fn + Arrow Keys:** Adjusts RGB lighting effects (brightness, speed, direction).

RGB Lighting Control

The KB884L features dynamic RGB backlighting. Use the following combinations to customize the lighting:

- **Fn + \ |:** Cycles through various lighting modes.
- **Fn + [{ or] }:** Adjusts lighting brightness.
- **Fn + ; : or ' ":** Adjusts lighting speed.
- **Fn + , < or . >:** Changes lighting direction or color.

Integrated Display Screen

The small display screen on the top right of the keyboard typically shows information such as time, connection status, or active profile. Specific functionalities may vary or require dedicated software (if available from the manufacturer).

MAINTENANCE

Proper maintenance ensures the longevity and performance of your keyboard:

- **Cleaning:**
  - Disconnect the keyboard from your computer before cleaning.
  - Use a can of compressed air to remove dust and debris from between the keycaps.
  - Wipe the keycaps and keyboard surface with a soft, slightly damp, lint-free cloth. Avoid excessive moisture.
  - Do not use harsh chemicals, abrasive cleaners, or solvents, as these can damage the keyboard's finish or keycap legends.

- **Storage:** When not in use for extended periods, store the keyboard in a clean, dry environment away from direct

sunlight and extreme temperatures.

- **Handling:** Avoid dropping the keyboard or exposing it to liquids. Do not attempt to disassemble the keyboard, as this will void the warranty.

TROUBLESHOOTING

If you encounter issues with your Havit KB884L keyboard, try the following solutions:

Problem	Possible Cause	Solution
Keyboard not responding	Loose USB connection, faulty USB port, driver issue.	- Ensure the USB cable is securely connected to both the keyboard and the computer. - Try a different USB port on your computer. - Test the keyboard on another computer to rule out a system-specific issue. - Restart your computer.
RGB lighting not working or stuck	Lighting mode disabled, software conflict, minor glitch.	- Press **Fn + \ |** to cycle through lighting modes. - Ensure brightness is not set to minimum (**Fn + [{**). - Disconnect and reconnect the keyboard. - Check for any keyboard software updates from Havit's official website.
Certain keys not working	Debris under keycap, faulty switch.	- Use compressed air to clean around the affected key. - If the issue persists for multiple keys or after cleaning, contact customer support.

If these solutions do not resolve the issue, please refer to the Warranty & Support section for further assistance.

SPECIFICATIONS

Brand	Havit
Model	KB884L
Connectivity	Wired (USB)
Keyboard Description	Gaming, Mechanical
Number of Keys	81
Color	White
Material	Plastic
Product Dimensions	10 x 5 x 2 cm
Item Weight	1 Kilogram
Compatible Devices	Laptop, Tablet

WARRANTY & SUPPORT

Havit products are manufactured to the highest quality standards. In the unlikely event of a defect due to faulty materials or workmanship, your product is covered by a manufacturer's warranty.

- **Warranty Period:** Please refer to the warranty card included with your product or visit the official Havit website for specific warranty terms and duration applicable to your region.

- **Claiming Warranty:** To claim warranty service, you may need your proof of purchase (receipt or invoice). Do not attempt to repair the product yourself, as this may void the warranty.

- **Customer Support:** For technical assistance, troubleshooting beyond this manual, or warranty inquiries, please contact Havit customer support through their official website or the contact information provided with your purchase.

- **Online Resources:** Visit the official Havit website (www.havit.com) for updated drivers, software, FAQs, and additional product information.
