P PURLOVE B0CKYHTW9Q

P PURLOVE Double Twin Floor Bed Frame Instruction Manual

Model: B0CKYHTW9Q

Important Safety Information

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Exercise caution around sharp edges during assembly and use.
- Do not exceed the recommended weight limit of 200 pounds per twin bed.
- Always follow assembly instructions carefully to prevent instability or collapse.
- Ensure all connections are securely tightened before use and periodically check for tightness.
- Keep small parts away from children during assembly to prevent choking hazards.

Product Overview

The P PURLOVE Double Twin Floor Bed Frame is designed for children, featuring a unique house-shaped structure with a roof and railings. This metal bed frame provides two side-by-side twin-size sleeping areas, ideal for shared rooms. Its low-profile design ensures safety for young users.

The frame is constructed from sturdy metal, designed for durability and stability without producing noise. The integrated guardrails enhance safety by preventing falls. The roof and poster design allow for personalization with decorations or curtains.

Package Contents

The package typically includes all necessary metal frame components, hardware, and an assembly instruction manual. Please refer to the packing list provided with your product for a complete and accurate list of contents.
Note: Mattresses are not included with the bed frame.

Setup and Assembly Instructions

Assembly of the P PURLOVE Double Twin Floor Bed Frame is required. A detailed assembly instruction manual with diagrams and a list of parts and tools is included in the product packaging.

1. **Unpack:** Carefully unpack all components and verify against the parts list in the included manual.
2. **Prepare Area:** Assemble the bed frame on a soft, clean surface (e.g., a carpet) to prevent scratching the floor or the bed components.
3. **Follow Manual:** Adhere strictly to the step-by-step instructions and diagrams provided in the dedicated assembly manual.
4. **Tighten Connections:** Ensure all bolts, screws, and connectors are securely tightened. Do not overtighten to avoid stripping threads.
5. **Final Check:** Before use, confirm that the bed frame is stable and all parts are correctly assembled and secured.

If you encounter any difficulties during assembly, refer to the troubleshooting section or contact customer support.

Operating Instructions

This bed frame is designed for sleeping and light play activities within its structure.

- Place appropriate twin-size mattresses (maximum 8 inches thick) onto the bed platforms.
- Ensure children understand that the bed is for sleeping and gentle play, not for climbing on the roof structure or jumping excessively.
- The low-profile design is intended for easy access for young children.

Maintenance

Regular maintenance will help prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Tightness Check:** Periodically (e.g., every 3-6 months) check all bolts and screws to ensure they remain tight. Retighten if necessary.
- **Inspection:** Inspect the frame for any signs of wear, damage, or loose parts. Address any issues promptly.

Troubleshooting

If you encounter issues with your bed frame, refer to the following common solutions:

- **Squeaking or Noise:**

  Check all bolts and screws. Loose connections are a common cause of noise. Tighten any loose hardware. Ensure the bed is on a level surface.

- **Instability/Wobbling:**

  Verify that all components are correctly assembled according to the manual. Ensure all fasteners are fully tightened. Check if the bed is placed on an uneven floor; if so, consider using shims.

- **Missing Parts:**

  If you find any parts missing upon unpacking, do not proceed with assembly. Contact P PURLOVE customer support immediately with your product model and a description of the missing parts.

Warranty and Support

For warranty information, specific product support, or to order replacement parts, please refer to the documentation included with your purchase or visit the official P PURLOVE website.
When contacting support, please have your product model number (B0CKYHTW9Q) and purchase date available.
