Safety Information

- Keep all packaging materials, especially plastic bags, away from children and pets to prevent suffocation hazards.
- Do not use sharp objects to open the mattress packaging, as this may damage the mattress fabric.
- Ensure the mattress is placed on a stable, supportive bed frame or foundation.
- The twin mattress supports a maximum weight of 250 lbs. Do not exceed this weight limit.
- Avoid exposing the mattress to open flames or high heat sources.
- This mattress is made with CertiPUR-US certified foam and OEKO-TEX certified fabric, ensuring it is free from harmful chemicals.

Setup Guide

Your ZINUS mattress is compressed and rolled for convenient shipping. Follow these steps for proper setup:

1. **Unpack the Mattress:** Carefully remove the mattress from its shipping box. Place the rolled mattress on the bed frame or flat surface where it will be used.

2. **Remove Plastic Wrapping:** Carefully cut and remove the outer plastic wrapping. Be cautious not to cut the mattress fabric. The mattress will begin to decompress immediately.
3. **Allow for Full Expansion:** Unroll the mattress completely. It may take up to 48-72 hours for the mattress to fully expand to its intended 6-inch height. While it will expand significantly within minutes, allowing the full time ensures optimal comfort and support.

4. **Initial Odor:** A slight, harmless odor may be present upon unboxing due to the compression process. This is normal and will dissipate within a few hours in a well-ventilated room.

Usage and Compatibility

This ZINUS 6 Inch Foam and Spring Hybrid Mattress is designed for versatile use and provides a medium firmness level, balancing plush comfort with reliable coil support.

- **Ideal for Bunk Beds and Trundle Beds:** The 6-inch profile makes these mattresses a perfect fit for most bunk beds and trundle beds, ensuring safety and proper clearance.
- **Suitable Bed Frames:** Use with slatted bed frames, platform beds, or box springs that provide adequate support across the entire mattress surface.
- **Rotation:** To promote even wear and extend the life of your mattress, rotate it head-to-foot every 3-6 months.

Care and Maintenance

Proper care will help maintain the quality and longevity of your ZINUS mattress.

- **Spot Clean Only:** The mattress cover is not removable or machine washable. For spills or stains, spot clean immediately

using a mild detergent and a damp cloth. Blot the area gently; do not rub vigorously. Allow to air dry completely before covering.

- **Protect Your Mattress:** Consider using a mattress protector to shield against spills, stains, and allergens.
- **Ventilation:** Periodically air out your mattress by removing bedding to allow for airflow, especially if you live in a humid environment.

Troubleshooting

Here are solutions to common questions or issues you might encounter:

Problem	Solution
Mattress not fully expanded	Allow up to 72 hours for full expansion. Ensure it is placed on a flat surface in a well-ventilated room. Cooler temperatures may slow expansion.

Problem	Solution
Initial odor upon unboxing	This is normal and harmless. The odor will dissipate within a few hours or days. Ensure the room is well-ventilated.
Mattress feels too firm/soft	Allow the mattress to fully expand and adapt to your body over a few nights. The mattress is designed for a medium firmness.
