

HOBINCHE T40-1004

HOBINCHE 10 Inch Queen Bed Frame Instruction Manual

Model: T40-1004

INTRODUCTION

Thank you for choosing the HOBINCHE 10 Inch Queen Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- Carefully follow assembly instructions to prevent instability or collapse.
- Be cautious around sharp edges to avoid injury during assembly and use.
- Do not exceed the maximum weight capacity of **3000 pounds**.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten fasteners.
- Keep small parts away from children during assembly to prevent choking hazards.

INCLUDED COMPONENTS

The package includes all necessary parts for assembly. Please verify all components are present before starting.

- Bed frame parts (various metal sections)
- Screws
- Wrench
- Assembly instruction sheet

SETUP AND ASSEMBLY

Follow these steps to assemble your HOBINCHE Queen Bed Frame. It is recommended to assemble the bed frame with two people.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to the included instruction sheet for part identification.
2. Assemble the main frame sections according to the diagrams in the instruction sheet, ensuring all connections are aligned.
3. Secure all frame connections using the provided screws and wrench. Do not fully tighten until all parts are loosely

assembled.

4. Install the support slats into the designated U-channel grooves. Ensure they are evenly spaced and securely seated.
5. Attach the rubber footpads to the bottom of each bed leg to prevent noise and protect your floor.
6. Once all parts are in place, fully tighten all screws.
7. If attaching a headboard or footboard, use the 3 reserved holes on the bed frame legs.

Queen: 79.6"Lx59.6"Wx10"H

Video 1: Official HOBINCHE Bed Frame Assembly Guide. This video demonstrates the step-by-step process of assembling the bed frame, including connecting the main sections, installing slats, and securing fasteners.

OPERATING INSTRUCTIONS

- **Mattress Placement:** This bed frame is designed to be used without a box spring. Place your queen-size mattress directly onto the steel slats.
- **Headboard/Footboard:** The frame includes reserved holes for attaching a standard-sized headboard and footboard (not included).
- **Under-Bed Storage:** The 10-inch height provides approximately 8 inches of clearance for under-bed storage, suitable for items like cartons, suitcases, shoes, or storage boxes.

Slatted Supports the Mattress

MAINTENANCE

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Fastener Check:** Periodically inspect all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent noise.
- **Rubber Footpads:** Ensure the rubber footpads are intact and properly seated on the legs to continue protecting your floors and minimizing noise.

TROUBLESHOOTING

- **Squeaking Noise:** If the bed frame produces noise, check all connections and tighten any loose screws. Ensure the mattress is properly seated on the slats. The rubber footpads are designed to prevent noise.
- **Instability:** If the frame feels unstable, verify that all parts are correctly assembled according to the instructions and all fasteners are fully tightened. Ensure the frame is on a flat, level surface.

- **Missing Parts:** If any parts are missing upon arrival, please contact customer support immediately.

SPECIFICATIONS

Feature	Detail
Brand	HOBINCHE
Model Number	T40-1004
Size	Queen
