ZINUS 10 Inch Queen Green Tea Memory Foam Mattress Instruction Manual

Model: ZU-MFMA1ZZI-10Q

1. INTRODUCTION

Thank you for choosing the ZINUS 10 Inch Queen Green Tea Memory Foam Mattress. This mattress is designed to provide comfortable support and freshness for a restful night's sleep. It features patented zoned pressure relief technology, natural green tea and charcoal infusions, and is made with CertiPUR-US certified foams and an OEKO-TEX certified cover.

2. SETUP INSTRUCTIONS

Your ZINUS mattress is conveniently compressed and rolled into a compact box for shipping. Follow these steps for proper setup:

- 1. Unpack the Mattress:** Carefully remove the mattress from its shipping box. Place the rolled mattress on a clean, flat surface, such as your bed frame or foundation.
- 2. Remove Plastic Packaging:** Gently cut and remove the outer plastic layers. Be careful not to cut the mattress fabric. The mattress will begin to decompress immediately.
- 3. Allow for Full Expansion:** Unroll the mattress completely. Allow **24 to 72 hours** for the mattress to fully expand to its original shape and firmness. Factors like room temperature and humidity can affect expansion time.
- 4. Ventilation:** During the initial expansion period, a faint 'new mattress' scent may be present. This is normal and harmless. Ensure the room is well-ventilated by opening windows or using a fan to dissipate the scent.

Better sleep & a cleaner planet

Shipped in a smaller box
for a reduced carbon footprint

3. USAGE AND BENEFITS

Experience the unique benefits of your ZINUS Green Tea Memory Foam Mattress:

- Comfortable Support:** The pressure-relieving memory foam conforms to your body's shape, enhancing circulation and reducing stress on joints. It offers a medium-firm feel, providing a balance of plushness and support.
- Zoned Pressure Relief:** Patented technology is integrated to help alleviate aches and pains, promoting uninterrupted sleep.
- All-Night Freshness:** Infusions of natural green tea and purified charcoal work to maintain mattress freshness over time.
- Cooling Properties:** The mattress is designed with cooling elements to help regulate temperature, especially beneficial during warmer seasons.

Patented custom contour support

No more waking up feeling like
you've been swallowed by your mattress.

4. MAINTENANCE

Proper care will extend the life of your mattress:

- **Mattress Cover:** The mattress comes with an OEKO-TEX certified cover. Keep this cover on to maintain the fire safety barrier and ensure warranty validity.
- **Spot Cleaning:** For spills or stains, spot clean immediately with a mild detergent and water. Gently dab the affected area; do not rub vigorously. Allow to air dry completely.
- **Protective Cover:** Consider using an additional mattress protector to shield against spills, dust, and allergens.
- **Rotation:** Rotate your mattress every 3-6 months to promote even wear and extend its lifespan. This mattress is not designed to be flipped.

5. TROUBLESHOOTING

- **New Mattress Odor:** It is common for new memory foam mattresses to have a slight odor upon unboxing. This 'off-gassing' scent is harmless and typically dissipates within a few days to a week with good ventilation.
- **Incomplete Expansion:** If the mattress has not fully expanded after 72 hours, ensure it is on a flat

surface in a well-ventilated room. Cooler temperatures can slow down expansion.

- **Firmness Perception:** Mattress firmness is subjective. This mattress is designed to be medium-firm. If you desire a softer feel, a mattress topper can be added.

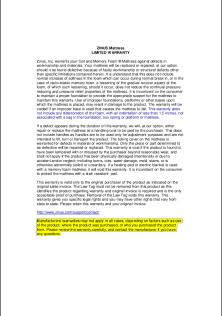

6. SPECIFICATIONS

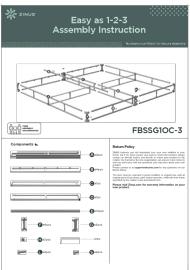

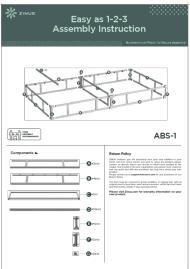

Feature	Detail
Brand	Zinus
Model Number	ZU-MFMA1ZZI-10Q
Size	Queen
Product Dimensions	80"L x 60"W x 10"Th
Item Weight	53 pounds
Top Style	Tight Top
Cover Material	Polyester
Number of Layers	3
Fill Material	High Density Foam, Memory Foam
