Safety Information

Your ZINUS mattress is constructed with safety in mind.

- This mattress is made from CertiPUR-US® certified foam and OEKO-TEX® certified fabric, ensuring it is free from harmful chemicals.
- For cleaning, spot clean only. Do not machine wash or dry clean the mattress cover.
- Keep the mattress away from open flames or high heat sources.
- Ensure proper ventilation during the initial expansion period.

Unpacking and Setup

Your ZINUS mattress is conveniently compressed and rolled into a box for easy delivery. Follow these steps for proper setup:

1. **Prepare the Area:** Place the boxed mattress in the room where it will be used. Ensure you have enough space to unroll it.
2. **Remove from Box:** Carefully remove the rolled mattress from its shipping box.
3. **Unroll on Foundation:** Place the rolled mattress onto your bed frame or foundation.
4. **Cut Plastic Packaging:** Carefully cut and remove the outer plastic wrapping. Avoid using sharp objects that could damage the mattress fabric. The mattress will begin to expand immediately.
5. **Allow to Expand:** Allow 24 to 72 hours for the mattress to fully expand to its original shape and firmness. Cooler temperatures may require more time for full expansion.

Product Features and Benefits

The ZINUS 10 Inch Green Tea Cooling Memory Foam Mattress is engineered for comfort and support:

- **Cooling Gel Memory Foam:** The top layer is infused with cooling gel to help regulate body temperature, providing a cooler sleep experience.
- **Pressure Relief:** Memory foam conforms to your body's natural curves, relieving pressure points and promoting proper spinal alignment.
- **Green Tea and Charcoal Infusion:** Natural green tea extract and purified charcoal are infused into the foam to help maintain freshness and neutralize odors.
- **Medium Firmness:** Designed to offer a balanced feel that is neither too plush nor too firm, suitable for various sleep preferences.

ZINUS®

Original vs. New Box

Original	New Box
Original big box	Innovative, smaller box
Conveniently packed & delivered to your doorstep	Same quick & easy delivery with a smaller carbon footprint
Incredible comfort, dependable value	Incredible comfort, even more dependable value

Care and Maintenance

To maintain the quality and extend the lifespan of your ZINUS mattress, follow these care guidelines:

- **Spot Cleaning:** For spills or stains, gently spot clean the affected area with a mild detergent and water. Blot dry thoroughly. Do not saturate the mattress.
- **Protective Cover:** Consider using a mattress protector to shield against spills, dust, and allergens.
- **Rotation:** Rotate your mattress every 3-6 months to promote even wear and prolong its life. This mattress is not designed to be flipped.
- **Ventilation:** Allow your mattress to breathe by occasionally removing bedding and exposing it to air.
- **Avoid Harsh Chemicals:** Do not use harsh cleaning agents, bleach, or abrasive materials, as these can damage the foam and fabric.

Troubleshooting

Issue	Possible Cause	Solution
Mattress not fully expanding	Insufficient time for expansion; cooler room temperature.	Allow up to 72 hours for full expansion. Ensure the room temperature is at least 68°F (20°C).
Initial odor (off-gassing)	Common with new foam products; harmless.	Ventilate the room by opening windows. The odor should dissipate within a few days. The green tea and charcoal infusions help minimize this.
Mattress feels too firm/soft	Personal preference; mattress still adjusting.	Allow the mattress to fully expand and for your body to adjust to the new support. Memory foam adapts over time.

Specifications

Feature	Detail
Model Number	ZU-MFGN1YZI-10Q
Size	Queen
Product Dimensions	80"L x 60"W x 10"Th
Item Weight	52.5 pounds
Fill Material	Gel Memory Foam
Number of Layers	3
Cover Material	Polyester
Special Features	Breathable, Pressure Relief, Cooling Gel, Green Tea Infusion
Certifications	CertiPUR-US®, OEKO-TEX® Standard 100
