

CSZZD 001

CSZZD Makeup Vanity Desk User Manual

Model: 001
Brand: CSZZD

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your new CSZZD White Makeup Vanity Desk. Designed for functionality and style, this vanity desk features a large LED mirror with adjustable lighting modes, RGB illuminated cabinets, a convenient charging station, and ample storage. Please read this manual thoroughly before beginning assembly or operation to ensure safe and proper use.

SAFETY INFORMATION

For your safety and to prevent damage to the product, please observe the following:

- Always supervise children when they are near the Vanity Desk to prevent accidents.
- Ensure all connections for electrical components (mirror lights, charging station) are secure and correctly installed before use.
- Do not overload the charging station outlets or USB ports.
- Keep liquids away from electrical components to prevent electric shock or damage.
- Assemble the unit on a soft, clean surface to prevent scratches or damage to the finish.
- Do not stand or climb on the vanity desk.

PACKAGE CONTENTS

All components and hardware required for assembly are included in the packaging. Please verify all parts against the provided parts list in the assembly instructions before beginning. If any parts are missing or damaged, please contact customer service.

SETUP AND ASSEMBLY

The CSZZD Makeup Vanity Desk is designed for straightforward assembly. All parts and accessories are thoughtfully labeled to facilitate easy setup. We recommend assembling with at least two people due to the size and weight of some components.

Assembly Steps Overview:

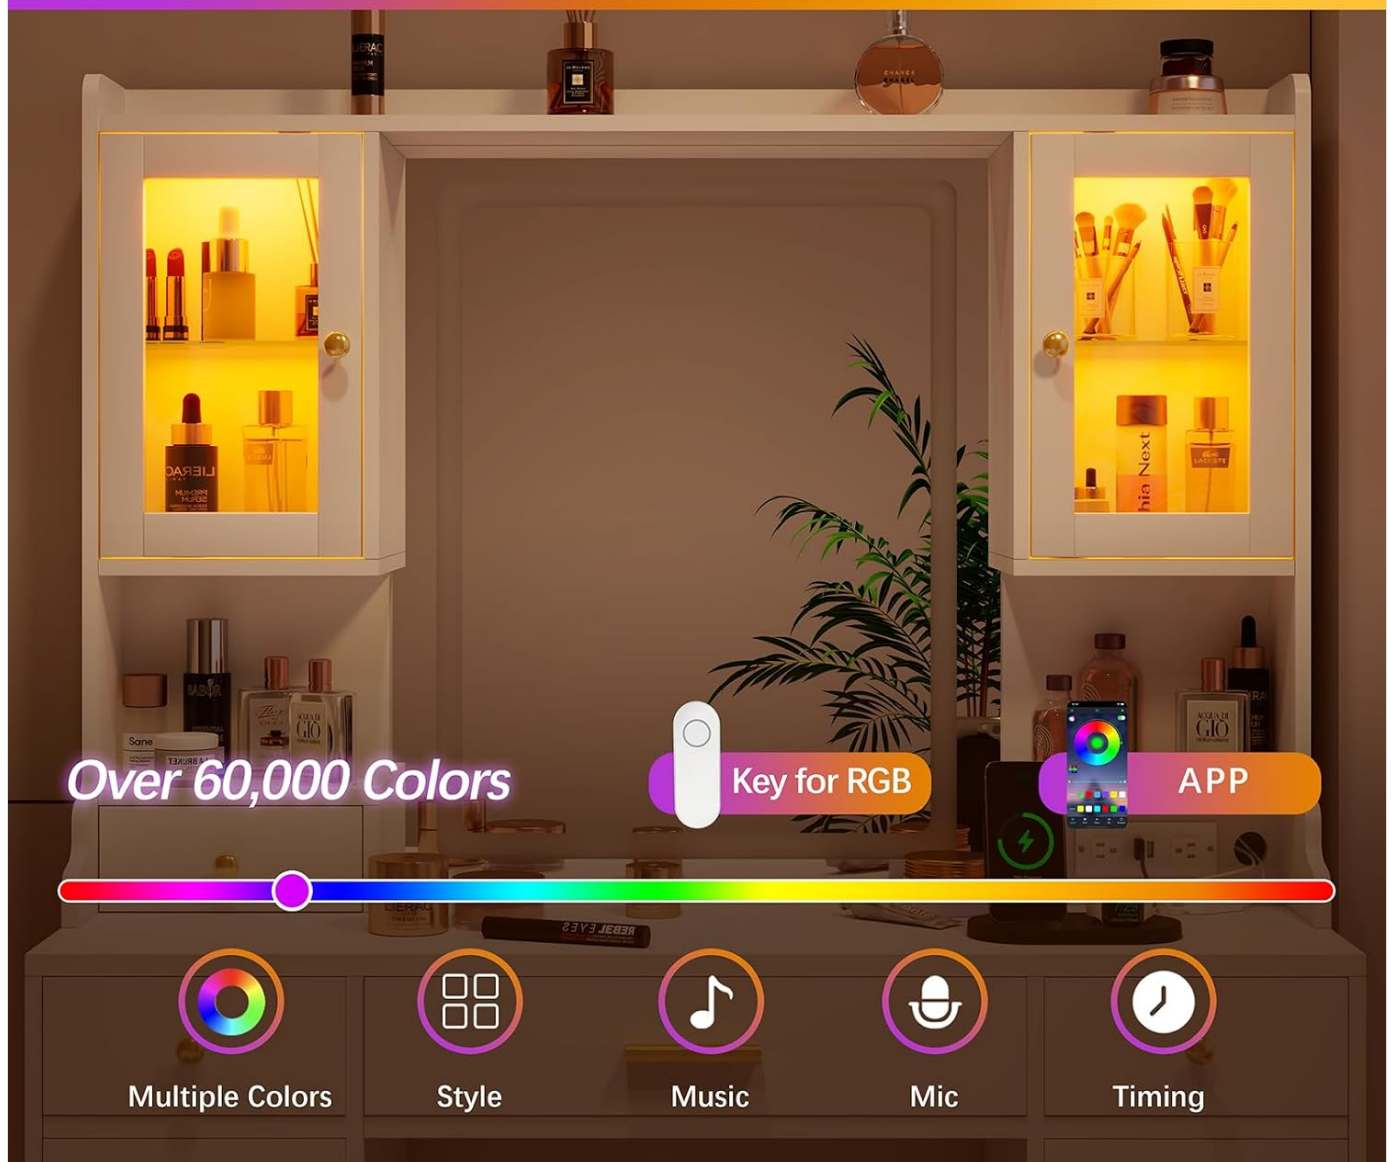

1. Unpack all components and verify against the parts list.
2. Follow the step-by-step diagrams in the included assembly manual.
3. Securely fasten all screws and connectors as indicated.
4. Install the mirror and connect the lighting and charging station wiring.
5. Insert drawers and attach cabinet doors.

For a visual guide, please refer to the official installation video:

LED Ambient Lighting

Description: Image showing the detailed dimensions of the vanity desk, including height, width, depth, and drawer sizes. This helps in planning placement and understanding storage capacity.

OPERATING INSTRUCTIONS

LED Mirror Lighting

The large LED mirror features 3 color modes (warm, natural, and cool) and adjustable brightness. This provides optimal lighting for makeup application and grooming.

- **Change Color Mode:** Lightly press the touch switch located on the mirror surface to cycle through warm, natural, and cool light modes.
- **Adjust Brightness:** Long-press the touch switch to increase or decrease the brightness to your desired level.

3 LIGHTING MODES & ADJUSTABLE BRIGHTNESS

Description: Image illustrating the three different LED lighting modes (Cold White, Warm White, Warm Yellow) available on the vanity mirror, along with instructions for touch control to change color and adjust brightness.

RGB Cabinet Lighting

The vanity is equipped with 2 cabinets featuring an RGB lighting system, offering over 60,000 static colors and multiple lighting modes. This system can be controlled via a dedicated APP or a physical switch.

- **Control via APP:** Download the specified application (details in separate APP manual) to access a wide range of colors, dynamic modes, music sync, and timing functions.
- **Control via Switch:** Use the physical switch to cycle through preset colors and lighting effects.

Description: Image showcasing the RGB ambient lighting in the vanity cabinets, highlighting the ability to control over 60,000 colors via APP or a physical key, including multiple colors, dynamic modes, music sync, and timing functions.

Charging Station

A built-in power strip provides convenient access to power for your electronic devices and styling tools.

- **Outlets:** Features 2 standard 125V/12A plug sockets for hair dryers, curling irons, or other appliances.
- **USB Ports:** Includes 2 USB ports (5V/2.1A) for charging phones, tablets, and other USB-powered devices.
- **Power Cord:** The integrated power strip has a 5.9-foot power cord for flexible placement.

Description: Close-up image of the built-in charging station, showing two AC outlets and two USB ports, along with specifications for voltage, amperage, and power cord length. This highlights the convenience for charging devices and powering styling tools.

Storage Capacity

The vanity desk offers extensive storage solutions to keep your items organized and your desktop clutter-free.

- **Drawers:** Features a wider desktop with 1 large central drawer and 4 smaller side drawers (1+4+1 configuration).
- **Open Storage:** Includes 2 open storage areas for easy access to frequently used items.
- **Cabinets:** Two RGB illuminated cabinets with height-adjustable laminates and two additional storage cabinets provide concealed storage for various items.

Powerful Storage Capacity

Description: Overhead view of the vanity desk with drawers and cabinets open, demonstrating the powerful storage capacity including multiple drawers, open shelves, and illuminated cabinets. This visualizes how various items can be organized.

MAINTENANCE

To maintain the appearance and longevity of your vanity desk, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or water damage.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors. Spray cleaner onto a soft cloth, then wipe the mirror surface. Do not spray directly onto the mirror to avoid liquid seeping into the electrical components.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.

TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
LED Mirror Lights Not Working	Loose power connection; Faulty wiring/LED strip.	Check all power connections to the mirror and ensure they are securely plugged in. If the issue persists, contact customer service for a replacement or further assistance.
RGB Cabinet Lights Not Working	Loose power connection; APP connectivity issue; Faulty LED strip.	Verify power connections to the RGB system. Ensure the APP is correctly paired and updated. Try controlling with the physical switch. If still not working, contact customer service.
Charging Station Not Functioning	Power strip not plugged in; Overloaded circuit.	Ensure the main power cord for the charging station is securely plugged into a wall outlet. Avoid plugging in too many high-power devices simultaneously.
Drawers are Sticking or Difficult to Open/Close	Improper assembly of drawer slides; Obstruction in the drawer track.	Check that drawer slides are correctly aligned and installed according to the assembly instructions. Remove any objects obstructing the drawer path.

SPECIFICATIONS

Feature	Detail
Brand	CSZZD
Model Number	001
Color	White
