

## LENRUE G11

# LENRUE G11 Computer Speakers User Manual

Model: G11

## 1. INTRODUCTION

The LENRUE G11 Computer Speakers are designed to provide clear, powerful stereo sound for your desktop, PC, laptop, or monitor. Featuring touch-sensitive controls for lighting and a convenient top-mounted volume knob, these speakers offer an immersive audio experience with dynamic angular game lights.

## 2. WHAT'S INCLUDED

- 1 × LENRUE G11 Computer Speakers
- 1 × User Instructions Manual
- 1 × USB C to USB Adapter

### 3. SETUP GUIDE

The LENRUE G11 speakers are designed for plug-and-play convenience, requiring no additional drivers for most systems.

1. **Connect Power and Audio:** Plug the USB power cable into an available USB port on your computer, laptop, or other compatible device. Connect the 3.5mm audio cable to the audio output jack of your device.
2. **Using the USB-C Adapter:** If your device only has USB-C ports, use the included USB-C to USB adapter to connect the speaker's USB power cable. This adapter is compatible with devices like MacBook Pro (after 2016) and MacBook Air (after 2018), laptops, and tablets.
3. **Select Playback Device:** On your computer or device, ensure that the "Speaker" or "Realtek HD Audio 2nd output (Realtek(R) Audio)" (or similar audio output) is selected as your default playback device.
4. **Power On:** The speakers will power on automatically once connected.

# Plug and Play

Compatible with most PCs, desktops, laptops

## 4. OPERATING INSTRUCTIONS

The LENRUE G11 speakers feature intuitive controls for easy operation.

- **Volume Control:** Use the large knob located on the top center of the speaker to adjust the volume. Rotate clockwise to increase volume and counter-clockwise to decrease it.
- **Light Control:** The speakers feature dynamic angular game lights. To turn the lights on or off, simply touch the

designated light icon button next to the volume knob. This allows for quick and easy control of the lighting atmosphere.

## 7. TROUBLESHOOTING

If you encounter any issues with your LENRUE G11 speakers, please refer to the following common solutions:

- **No Sound:**

- a. Click the speaker icon in your taskbar.
- b. Select "Speaker" as your computer's playback device.
- c. Ensure the computer speaker is on and not at minimum volume.
- d. Verify that your computer or other connected device is not muted or at minimum volume.

- **Noise Sound (even when computer is off):**

If you hear noise when the computer is not in use, please turn off the computer speaker or turn the volume knob to the minimum setting.

## 8. MAINTENANCE

To ensure the longevity and optimal performance of your LENRUE G11 speakers, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe down the exterior of the speakers. Avoid using abrasive cleaners or solvents, as these can damage the finish.
- **Placement:** Place the speakers on a stable, flat surface to prevent accidental falls. Ensure adequate ventilation around the speakers.
- **Storage:** When not in use for extended periods, store the speakers in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cable Care:** Avoid bending or crimping the cables excessively to prevent internal damage.

## 9. WARRANTY AND SUPPORT

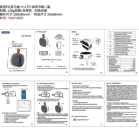

LENRUE stands behind the quality of its products. The G11 Computer Speakers come with the following:

- **60-Day Refund Policy:** Enjoy a 60-day no-reason refund period.
- **1-Year Warranty Service:** Your speakers are covered by a 1-year warranty from the date of purchase.
- **Video Operation Guidance:** Additional support is available through video operation guidance.

For further assistance or warranty claims, please contact LENRUE customer support through the retailer's platform or the official LENRUE website.
