5. MAINTENANCE

Proper maintenance will help preserve the appearance and functionality of your ODK desk.

5.1 Cleaning:

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the MDF board's finish.
- For spills, clean immediately to prevent staining or water damage, especially on the wood-look surfaces.
- Dust the metal frame regularly with a dry cloth.

5.2 General Care:

- Avoid placing hot items directly on the desktop; use coasters or protective pads.
- Do not drag heavy objects across the surface to prevent scratches.
- Periodically check and tighten all fasteners to ensure the desk remains stable.

6. TROUBLESHOOTING

If you encounter any issues with your ODK desk, consider the following common solutions:

6.1 Desk Wobbles:

- Ensure all assembly screws are securely tightened.

- Adjust the leveling feet (leg pads) at the bottom of the desk legs. Rotate them clockwise or counter-clockwise to compensate for uneven floor surfaces until the desk is stable.

6.2 Parts Missing or Damaged:

- Carefully re-check the packaging and compare with the parts list in the assembly manual.
- If parts are genuinely missing or damaged upon arrival, contact customer support immediately for assistance.
