

Y8 ULTRA

Y8 ULTRA Smart Watch Series 8 User Manual

Model: Y8 ULTRA

1. INTRODUCTION

This user manual provides comprehensive instructions for the Y8 ULTRA Smart Watch Series 8. It covers essential information regarding setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your device. Please read this manual thoroughly before using the watch.

2. PACKAGE CONTENTS

Upon unboxing, please verify that all the following items are included in your package:

- 1 x Y8 ULTRA Smart Watch
- 1 x Silicone Band
- 1 x Charger
- 1 x User Manual (this document)

3. SETUP

3.1. Charging the Device

Before first use, fully charge your Y8 ULTRA Smart Watch. Connect the provided charger to the watch's charging port and plug the USB end into a compatible power adapter (not included) or a computer's USB port. The watch display will indicate charging status.

3.2. Powering On/Off

- **To Power On:** Press and hold the power button (function button) located on the side of the watch until the screen illuminates.
- **To Power Off:** Press and hold the power button until a power-off option appears on the screen. Select "Power Off"

to shut down the device.

3.3. App Installation and Pairing

The Y8 ULTRA Smart Watch uses the "Maswear" application for full functionality. Download the "Maswear" app from your smartphone's app store (iOS App Store or Google Play Store).

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the Maswear app and follow the on-screen instructions to create an account or log in.
3. In the app, navigate to the device pairing section and select "Add Device."
4. The app will search for nearby devices. Select "Y8 ULTRA" from the list of discovered devices.
5. Confirm the pairing request on both your watch and smartphone.

Once paired, the watch will synchronize time and data with your smartphone.

4. OPERATING THE SMART WATCH

The Y8 ULTRA Smart Watch features a 1.99-inch TFT touch screen and a physical function button for navigation and interaction.

4.1. Basic Navigation

- **Touch Screen:** Swipe left, right, up, or down to navigate through menus and screens. Tap to select an option or open an application.
- **Function Button:** Press the function button to return to the home screen or wake the display. A long press may access power options or other quick settings.

4.2. Key Features

- **Heart Rate Monitor:** The watch continuously monitors your heart rate. Access the heart rate application on the watch or view detailed data in the Maswear app.
- **Sleep Tracking:** Wear the watch during sleep to track sleep patterns and quality. Data is synchronized with the Maswear app.
- **Message and Call Notifications:** Once paired with your smartphone, the watch will display incoming call alerts and message notifications (SMS, social media apps).
- **Activity Tracking:** Tracks steps, distance, and calories burned.
- **App Control:** Control certain smartphone functions directly from the watch via the Maswear app.

5. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Y8 ULTRA Smart Watch.

- **Cleaning:** Regularly wipe the watch screen and body with a soft, dry, lint-free cloth. For stubborn smudges, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- **Water Resistance:** While the watch may have some resistance to splashes, avoid submerging it in water or exposing it to high-pressure water jets. Refer to product specifications for exact water resistance ratings.
- **Storage:** When not in use for extended periods, store the watch in a cool, dry place away from direct sunlight and

extreme temperatures.

- **Charging:** Use only the provided charger. Do not attempt to charge the watch with damaged cables or chargers.

6. TROUBLESHOOTING

If you encounter issues with your Y8 ULTRA Smart Watch, refer to the following common solutions:

Problem	Possible Solution
Watch does not power on.	Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
Cannot pair with smartphone.	1. Ensure Bluetooth is enabled on both devices. 2. Make sure the watch is within Bluetooth range of the phone. 3. Restart both the watch and the smartphone. 4. Forget the device in your phone's Bluetooth settings and try pairing again.
Notifications are not received.	1. Check if the watch is properly paired with the Maswear app. 2. Ensure notification permissions are granted to the Maswear app in your phone's settings. 3. Verify that "Do Not Disturb" mode is not active on either device.
Inaccurate health data.	Ensure the watch is worn snugly on your wrist, not too loose or too tight. Clean the sensor on the back of the watch.

If the problem persists, please contact customer support.
