TECURS WK013

TECURS WK013 Wireless Backlit Keyboard User Manual

Model: WK013 | FR Layout

INTRODUCTION

Thank you for choosing the TECURS WK013 Wireless Backlit Keyboard. This manual provides detailed instructions for setting up, operating, and maintaining your keyboard to ensure optimal performance and longevity. Please read this manual thoroughly before use.

PACKAGE CONTENTS

Verify that all items are present in your package:

- TECURS WK013 Wireless Backlit Keyboard
- 2.4G USB Receiver
- USB-C Charging Cable
- User Manual

SETUP

1. Charging the Keyboard

Before first use, fully charge the keyboard. Connect the supplied USB-C charging cable to the keyboard's charging port (located on the front edge) and the other end to a USB power source (e.g., computer USB port, USB wall adapter).

- The keyboard has a 1000mAh Lithium Ion battery.
- A full charge provides approximately 15 days of use without backlight, or 10 hours with continuous backlight.

2. Connecting via 2.4G USB Receiver

1. Locate the 2.4G USB receiver, typically stored in a compartment on the underside of the keyboard.
2. Plug the USB receiver into an available USB 2.0 port on your computer (PC, Mac, Laptop).
3. Turn on the keyboard using the power switch, usually located on the right side.
4. The keyboard should automatically connect to your device. No additional drivers are typically required.

3. Compatibility

The TECURS WK013 keyboard is compatible with a wide range of operating systems and devices:

- Windows operating systems
- Mac operating systems
- Laptops
- Desktop PCs
- Tablets (when connected via USB OTG adapter, if supported)

- Smartphones (when connected via USB OTG adapter, if supported)

OPERATING INSTRUCTIONS

1. Power On/Off

Use the power switch located on the right side of the keyboard to turn it on or off. Turning off the keyboard when not in use conserves battery life.

2. Backlight Control

The keyboard features adjustable backlighting:

- To turn the backlight on/off or adjust brightness: Press **Fn + End**. Repeated presses cycle through brightness levels and off.
- To keep the backlight continuously on: Press **Fn + Esc**.

Image: Comparison showing the keyboard with backlight off (up to 15 days battery life) and with backlight on (up to 10 hours battery life).

3. Integrated Phone Holder

The keyboard includes a convenient slot at the top to hold your smartphone or small tablet, allowing for easy viewing while typing.

Image: A user typing on the keyboard with a smartphone securely placed in the integrated holder, demonstrating its practical use.

4. Silent Keys

The keyboard is designed with soft membrane keys for a quiet and smooth typing experience, minimizing noise in shared environments.

Clé Plates Silencieuses

5. Wrist Rest

The integrated wrist rest provides ergonomic support, reducing strain during extended typing sessions.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the keyboard surface. For stubborn dirt, slightly dampen the cloth with water or a mild cleaning solution. Avoid harsh chemicals.
- **Battery Care:** To prolong battery life, avoid fully discharging the keyboard frequently. Charge it regularly, especially if it will be stored for an extended period.
- **Storage:** Store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

- **Keyboard not responding:**

- Ensure the keyboard is turned on.
- Check if the 2.4G USB receiver is securely plugged into a working USB port.
- Recharge the keyboard if the battery is low.
- Try plugging the USB receiver into a different USB port.

- **Backlight not working:**

- Press **Fn + End** to cycle through brightness levels and turn the backlight on.
- Ensure the keyboard has sufficient battery charge.

- **Lag or intermittent connection:**

- Ensure the keyboard is within range of the USB receiver (typically up to 10 meters).
- Avoid placing the receiver near strong interference sources (e.g., Wi-Fi routers, other wireless devices).
- Recharge the keyboard.

SPECIFICATIONS

Brand	TECURS
Model	WK013
Connectivity Technology	2.4 GHz Wireless
Number of Keys	110
