SAFETY INFORMATION

Important Safety Instructions:

- Always unplug the vanity before assembly, cleaning, or maintenance.
- Be cautious of sharp edges and pinch points during assembly.
- Do not use wet hands around electrical components.
- Ensure the vanity is stable and on a flat surface before use.
- Do not exceed the weight capacity of the table, stool, or drawers.
- Keep the vanity away from heat sources and flammable materials.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x Vanity Table
- 1 x Stool

- 1 x Power Adaptor
- 1 x User Manual (this document)
- Hardware Pack (screws, bolts, etc.)

SETUP AND ASSEMBLY

Assembly is required for this vanity desk set. Please follow the included detailed instructions and diagrams carefully. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a protected surface. Check against the package contents list.
2. **Assemble Vanity Table Legs:** Attach the golden steel legs to the vanity tabletop using the provided hardware. Ensure all screws are tightened securely.
3. **Install Drawers:** Insert the two large and two small drawers into their respective slots. Ensure they slide smoothly.
4. **Attach Mirror:** Secure the mirror unit to the vanity tabletop. Connect the power cable for the mirror lights to the designated port.
5. **Assemble Stool:** Attach the legs to the cushioned stool seat.
6. **Connect Power:** Plug the power adaptor into the vanity and then into a suitable wall outlet.
7. **Anti-Toppling Device:** For safety, attach the anti-toppling device to the back of the vanity and secure it to a wall stud, if applicable.

OPERATING INSTRUCTIONS

Mirror Lighting Control

The vanity mirror features integrated LED lights with three color modes and adjustable brightness, controlled by a touch sensor switch on the mirror surface.

- **Power On/Off:** Lightly tap the touch sensor switch to turn the lights on or off.

- **Change Color Mode:** With the lights on, short press the touch sensor switch to cycle through the three color modes: Warm Yellow, Warm White, and Cool White.
- **Adjust Brightness:** With the lights on, long press the touch sensor switch to continuously adjust the brightness level. Release the button when the desired brightness is reached.

Charging Ports

The vanity desk includes convenient charging options for your electronic devices.

- **Wireless Charging:** Place your compatible device on the designated wireless charging pad on the desktop.
- **USB Port:** Connect your device's USB cable to the 5V, 2A USB port.
- **Type-C Port:** Connect your device's Type-C cable to the 5V, 2A Type-C port.

MAINTENANCE

Proper care will extend the life and appearance of your vanity desk set.

- **Cleaning:** Wipe surfaces with a dry cloth. For stubborn marks, use a damp cloth and mild cleaner, then dry immediately. Avoid abrasive cleaners.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth. Do not spray cleaner directly onto the mirror to avoid liquid seeping into the electrical components.
- **Electrical Components:** Ensure all electrical connections are secure. Do not attempt to repair or modify the lighting or charging systems yourself.
- **General Inspection:** Periodically check all screws and fasteners to ensure they remain tight.

TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common solutions:

Problem	Possible Cause	Solution
Lights not turning on	Power adapter unplugged; loose connection; power outage.	Check if the power adapter is securely plugged into the wall and the vanity. Ensure the mirror's power cable is connected. Verify the power outlet is functional.
Lights not changing color or brightness	Incorrect touch operation.	Ensure you are using a short press for color change and a long press for brightness adjustment.
Charging ports not working	Power adapter unplugged; device incompatibility; loose cable connection.	Check power connection. Ensure your device supports wireless charging if using the pad. Verify USB/Type-C cables are fully inserted.
Drawers are stiff or not sliding smoothly	Misalignment during assembly; debris in slides.	Remove drawers and check for obstructions. Re-align drawer slides if necessary.

If the problem persists, please contact COSTWAY customer support.
