RUXINGX 965e9895-9467-48b7-9ad4-d96a12106a76

RUXINGX Smart Watch User Manual

Model: 965e9895-9467-48b7-9ad4-d96a12106a76

Introduction

The RUXINGX Smart Watch is designed for women, offering a blend of style and comprehensive health and fitness tracking. This 1.3-inch round smartwatch features Bluetooth calling capabilities, an AMOLED always-on display, and monitors various health metrics including heart rate, blood oxygen, and sleep. It is compatible with both Android and iPhone devices and comes with two high-quality silicone bands for versatile wear.

What's in the Box

Upon opening your RUXINGX Smart Watch package, you will find the following items:

- RUXINGX Smart Watch Unit
- Two Watch Bands
- Charging Cable
- User Manual (this document)

Setup

1. Charging the Smart Watch

Before initial use, fully charge your RUXINGX Smart Watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a compatible power adapter (not included) or a computer USB port. A full charge provides up to 12 days of low-intensity use, 8 days of high-intensity use, or 3 days with the always-on display enabled. Standby time is up to 50 days.

2. App Installation and Pairing

To unlock all features and synchronize data, download the official RUXINGX companion app on your smartphone. The app is compatible with Android 4.4 and above, and iOS 9.0 and above.

1. Scan the QR code in the manual or search for "RUXINGX" in your phone's app store (Google Play Store for

Android, Apple App Store for iPhone).

2. Install and open the app.
3. Ensure Bluetooth is enabled on your smartphone.
4. Follow the in-app instructions to pair your RUXINGX Smart Watch. The watch uses Bluetooth 5.2 for a fast and stable connection.

Operating Instructions

Bluetooth Calling Feature

The RUXINGX Smart Watch allows you to manage calls directly from your wrist. After successful Bluetooth pairing:

- **Make Calls:** Access your contacts or dial numbers directly from the watch interface.
- **Answer/Reject Calls:** Receive incoming call notifications and answer or reject them with a tap.
- **Quick Replies:** Send custom quick replies to incoming calls or messages.
- **Contacts:** Add up to 100 contacts for quick access.
- **Call History:** View your call history directly on the watch.

Health Monitoring

The watch continuously monitors your health data using advanced VP60 sensors:

- **Heart Rate:** 24/7 monitoring with real-time alerts for abnormal readings.
- **Blood Oxygen (SpO2):** Continuous blood oxygen level tracking.

- **Sleep Monitoring:** Tracks sleep stages (deep sleep, light sleep, REM, wake-up time) to help improve sleep quality.
- **Menstrual Cycle Tracking:** Records and predicts menstrual cycles for women's health management.
- **Emotional Stress:** Monitors emotional stress levels throughout the day.
- **Breathing Regulation:** Guides breathing exercises.

Image: An infographic illustrating the six major health monitoring features of the RUXINGX Smart Watch, such as 4-point heart rate monitoring, sleep tracking, blood oxygen monitoring, and menstrual cycle tracking.

Sports Modes and Activity Tracking

The watch supports over 100 basic fitness modes, providing precise tracking for various activities:

- **Activity Tracking:** Records heart rate, calories burned, distance, and steps.
- **Voice Broadcasts:** Receive real-time updates on your workout progress.
- **Supported Activities:** Includes yoga, cross-country running, mountain climbing, HIIT, kickboxing, cardio exercises, and more.

Image: A woman joyfully playing frisbee, accompanied by text emphasizing the RUXINGX Smart Watch's support for over 110 sports modes, including various trendy workouts.

Display and Customization

The 1.3-inch AMOLED Always-On Display provides clear readability in any environment. It is seamlessly bonded beneath a sapphire crystal dial with a fingerprint-resistant coating.

- **Always-On Mode:** Keep essential information visible at all times (can be set on the watch).
- **Custom Watch Faces:** Create personalized watch faces using gallery images.
- **Extensive Watch Face Library:** Choose from over 200 downloadable watch faces via the companion app.

Other Features

The RUXINGX Smart Watch includes a wide selection of helpful features:

- **Camera Control:** Remotely control your smartphone camera.
- **Music Control:** Control music playback on your paired device.
- **Timer & Stopwatch:** Built-in timing functions.
- **Alarm Clock:** Set alarms directly from your wrist.
- **Find Phone:** Locate your misplaced smartphone.
- **Voice Assistant:** Access your phone's voice assistant.
- **Calculators:** Perform basic calculations.
- **SMS Reminder:** Receive message notifications.
- **Weather Forecast:** Get real-time weather updates.
- **Sedentary Reminder:** Prompts you to move after periods of inactivity.
- **Drinking Reminder:** Reminds you to stay hydrated.
- **Split Screen:** Access multiple functions efficiently.

Maintenance

Cleaning Your Smart Watch

To maintain the appearance and functionality of your watch:

- Wipe the screen and body with a soft, lint-free cloth.
- For stubborn smudges, slightly dampen the cloth with water.
- Avoid using harsh chemicals or abrasive materials.

Water Resistance

The RUXINGX Smart Watch is water-resistant to 5 ATM and IP69K. This means it can withstand pressures equivalent to a depth of 50 meters and is protected against close-range high-pressure, high-temperature spray downs. It is suitable for swimming and showering, but not for diving or high-pressure water activities.

Troubleshooting

Connectivity Issues

- **Watch not connecting to phone:** Ensure Bluetooth is on for both devices. Restart both the watch and your phone. Re-pair the devices through the app.
- **Notifications not appearing:** Check app permissions on your phone to ensure the RUXINGX app has access to notifications. Verify notification settings within the app.

Accuracy of Health Data

- **Inaccurate readings:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch regularly.
- **Sleep tracking issues:** Ensure you wear the watch throughout the night.

Battery Life

- **Shorter than expected battery life:** Reduce screen brightness. Limit the use of the always-on display. Turn off unnecessary notifications or features.

Specifications

Feature	Detail
Brand	RUXINGX
Model Name	RUXINGX
Item Model Number	965e9895-9467-48b7-9ad4-d96a12106a76
