

Bewello BW2015

Bewello BW2015 Mobile Electric Decorative Fireplace User Manual

1. INTRODUCTION

Thank you for purchasing the Bewello BW2015 Mobile Electric Decorative Fireplace. This manual provides essential information for the safe and efficient use of your new product. Please read these instructions carefully before installation and operation, and retain them for future reference.

2. SAFETY INSTRUCTIONS

To reduce the risk of fire, electric shock, or injury, always follow these basic precautions:

- Read all instructions before using this appliance.
- Do not place the fireplace near flammable materials.
- Ensure the power source (batteries or USB) matches the requirements specified.
- Do not immerse the appliance in water or other liquids.
- Keep out of reach of children and pets.
- Unplug the USB cable or remove batteries when not in use for extended periods.
- Do not attempt to repair or modify the appliance yourself. Contact qualified service personnel for repairs.
- Use only the recommended power supply methods (batteries or USB).

3. PACKAGE CONTENTS

Please check the package for the following items:

- 1 x Bewello BW2015 Mobile Electric Decorative Fireplace Unit
- 1 x USB Power Cable
- 1 x User Manual (this document)

4. PRODUCT OVERVIEW

The Bewello BW2015 is a portable electric decorative fireplace designed to provide an ambient LED flame effect. It can be powered by batteries or via a USB connection, making it versatile for various placements such as tabletops or mantels.

Figure 4.5: The Bewello BW2015 fireplace integrated into a home environment, demonstrating its decorative appeal.

5. SETUP

Follow these steps to set up your decorative fireplace:

1. **Unpack:** Carefully remove the fireplace unit and all accessories from the packaging. Retain packaging

for future storage or transport.

- Placement:** Place the fireplace on a stable, flat, and non-flammable surface, such as a tabletop or mantelpiece. Ensure there is adequate clearance around the unit for ventilation.
- Power Connection:** Choose your preferred power method:
 - Battery Operation:** Open the battery compartment (usually located on the back or bottom) and insert the required number of batteries (not included), ensuring correct polarity. Close the compartment securely.
 - USB Operation:** Connect the provided USB power cable to the USB port on the fireplace unit. Plug the other end into a compatible USB power adapter (e.g., phone charger, computer USB port) or a power bank.

6. OPERATING INSTRUCTIONS

Once set up, operating your Bewello BW2015 is straightforward:

- Power On:** Locate the power button (typically on the back or side of the unit). Press the button to turn on the LED flame effect.
- Power Off:** Press the power button again to turn off the LED flame effect.
- Automatic Shut-off:** The unit may feature an automatic shut-off function after a certain period to conserve power. Refer to the product specifications for details.

7. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your fireplace:

- Cleaning:** Disconnect the power source (remove batteries or unplug USB cable) before cleaning. Wipe the exterior surfaces with a soft, dry cloth. Do not use abrasive cleaners, solvents, or spray directly onto the unit.
- Storage:** If storing the fireplace for an extended period, remove the batteries and store the unit in its original packaging in a cool, dry place.
- Battery Replacement:** Replace all batteries simultaneously with new ones of the same type and brand. Do not mix old and new batteries or different types of batteries.

8. TROUBLESHOOTING

If you encounter issues with your Bewello BW2015, refer to the following table:

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power supply; batteries are dead or incorrectly inserted; USB cable is not connected properly.	Check battery insertion and replace if necessary. Ensure USB cable is securely connected to a working power source.
LED flame effect is dim or flickering.	Low battery power.	Replace batteries or switch to USB power.
Unit turns off unexpectedly.	Automatic shut-off activated; low battery power.	This may be normal operation. If not, replace batteries or ensure continuous USB power.

9. SPECIFICATIONS

Feature	Detail
Brand	Bewello
Model Number	BW2015
Dimensions (L x W x H)	60 x 10 x 20 cm
Power Supply	Battery or USB
Flame Effect	LED
