## Goldair GCF-5251R

# Goldair GCF-5251R 5-Blade Ceiling Fan with Lamp and Remote Control User Manual

Model: GCF-5251R

## INTRODUCTION

This manual provides essential instructions for the safe installation, operation, and maintenance of your Goldair GCF-5251R 5-Blade Ceiling Fan with Lamp and Remote Control. Please read this manual thoroughly before attempting to install or operate the fan. Retain this manual for future reference.

Image: The Goldair GCF-5251R ceiling fan, featuring five brown wood-grain blades, a brushed metal motor housing, and an integrated frosted white lamp cover. A white remote control is visible in the lower left corner.

## SAFETY INFORMATION

To reduce the risk of fire, electric shock, or personal injury, always follow these important safety precautions:

- **Read all instructions** before installing and operating the fan.

- **Disconnect power** at the main circuit breaker or fuse box before beginning installation or performing any maintenance.
- **Consult a qualified electrician** if you are unsure about the electrical wiring or installation process.
- **Ensure the installation site** can support the weight of the fan (approximately 7.8 kg).
- **Mount the fan** with the blades at least 2.3 meters (7.5 feet) from the floor and at least 0.5 meters (1.6 feet) from any wall or obstruction.
- **Do not insert objects** into the path of the rotating fan blades.
- **Do not operate the fan** if any part is damaged or missing.
- **Use only Goldair replacement parts** for repairs.

## PACKAGE CONTENTS

---

Verify that all components are present and undamaged before installation. If any parts are missing or damaged, contact your retailer.

- Motor Housing Assembly
- Fan Blades (5x)
- Blade Brackets
- Downrod and Canopy
- Mounting Bracket
- Lamp Kit with Frosted Glass Shade
- Remote Control with Wall Mount
- Hardware Pack (screws, washers, wire nuts)
- Instruction Manual

## SETUP AND INSTALLATION

---

**Important:** Installation should be performed by a qualified electrician to ensure proper wiring and safety compliance.

1. **Turn off power:** Ensure power is disconnected at the circuit breaker.
2. **Mounting Bracket Installation:** Secure the mounting bracket to the ceiling junction box, ensuring it can support the fan's weight.
3. **Wiring:** Connect the fan's electrical wires to the household wiring according to local electrical codes. Pay close attention to live, neutral, and ground connections.
4. **Assemble Downrod and Motor:** Attach the downrod to the motor housing and feed the wires through.
5. **Hang Fan:** Carefully lift the fan assembly and hang it onto the mounting bracket.
6. **Attach Blades:** Secure each of the five fan blades to the motor housing using the provided screws. Ensure all screws are tightened securely.
7. **Install Lamp Kit:** Connect the lamp kit wiring and attach the lamp housing and frosted glass shade.
8. **Secure Canopy:** Slide the canopy up to the ceiling and secure it to cover the wiring and mounting bracket.
9. **Install Remote Control Batteries:** Insert the required batteries (not included) into the remote control.
10. **Restore Power:** Once installation is complete and all connections are secure, restore power at the circuit breaker.

## OPERATING INSTRUCTIONS

---

Your Goldair ceiling fan is operated using the included remote control.

- **Fan ON/OFF:** Press the **FAN** button to turn the fan on or off.
- **Fan Speed Control:** Use the speed buttons (e.g., **1, 2, 3** or **LOW, MED, HIGH**) to adjust the fan's rotation speed.
- **Light ON/OFF:** Press the **LIGHT** button to turn the integrated lamp on or off.
- **Light Dimming (if applicable):** If your model supports dimming, press and hold the **LIGHT** button to adjust brightness.
- **Reverse Function (if applicable):** Some models include a reverse switch on the motor housing or remote for seasonal operation (downward airflow for cooling, upward for heat distribution). Consult the specific remote diagram if available.

## MAINTENANCE

---

Regular maintenance ensures optimal performance and extends the life of your ceiling fan.

- **Cleaning:** Periodically clean the fan blades and motor housing with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is off before cleaning.
- **Blade Balance:** If the fan wobbles, check that all blade screws are tight. A balancing kit (often sold separately) can be used to correct persistent wobbling.
- **Tighten Connections:** Annually, check all screws and connections on the fan and mounting bracket to ensure they are secure.
- **Light Bulb Replacement:** Ensure power is off before replacing the light bulb. Use a bulb of the correct type and wattage as specified for the lamp kit.

## TROUBLESHOOTING

---

Before contacting customer support, refer to the following common issues and solutions:

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; Loose wire connections; Remote control battery dead.	Check circuit breaker; Verify all wire connections are secure; Replace remote control batteries.
Fan wobbles excessively	Loose blade screws; Unbalanced blades; Loose mounting bracket.	Tighten all blade screws; Use a blade balancing kit; Ensure mounting bracket is securely fastened.
Light does not work	Loose wire connection in lamp kit; Faulty light bulb; No power to light kit.	Check lamp kit wiring; Replace light bulb; Verify power supply to the light.
Remote control not working	Dead batteries; Remote not paired (if applicable); Obstruction between remote and receiver.	Replace batteries; Refer to remote pairing instructions (if provided separately); Ensure clear line of sight.

## SPECIFICATIONS

---

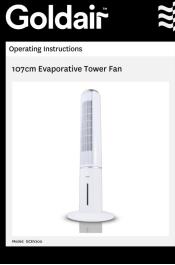

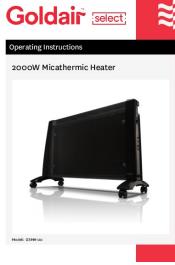

<b>Brand</b>	Goldair
<b>Model Number</b>	GCF-5251R
<b>Colour</b>	Brown
<b>Package Dimensions</b>	56 x 33 x 27.5 cm
<b>Product Dimensions</b>	55D x 32W x 26.5H centimetres (approx. 52-inch blade span)
<b>Power / Wattage</b>	65 watts
<b>Voltage</b>	230 Volts
<b>Material</b>	Metal, Wood
<b>Item Weight</b>	7.8 kg
<b>Electric Fan Design</b>	Ceiling Fan
<b>Recommended Uses</b>	Cooling
<b>Mounting Type</b>	Ceiling Mount
<b>Controller Type</b>	Remote Control
<b>Number of Blades</b>	5

## WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the warranty card included with your product or contact your retailer directly. Goldair provides support for its products, and details can typically be found on their official website or through the point of purchase.
