2. SETUP AND UNBOXING

The Hot Wheels Monster Trucks 5 Alarm comes pre-assembled and ready for play. No batteries or additional assembly are required.

1. Carefully remove the toy from its packaging.
2. Inspect the vehicle for any visible damage or loose parts. If any issues are found, refer to the Warranty and Support section.
3. Dispose of packaging materials responsibly.

3. OPERATING INSTRUCTIONS

The Hot Wheels Monster Trucks 5 Alarm is designed for imaginative play. Its large wheels and durable construction allow for various play scenarios.

- **Basic Play:** Roll the truck across flat surfaces.
- **Obstacle Play:** The large wheels are suitable for navigating over small obstacles.
- **Connect and Crash Car Feature:** If your package includes a 'Connect and Crash Car' accessory, attach it to the designated points on the Monster Truck (if applicable) to simulate crash and demolition play. Refer to the accessory's specific instructions for attachment details.

4. MAINTENANCE AND CARE

To ensure the longevity of your Hot Wheels Monster Trucks 5 Alarm, follow these simple care guidelines:

- **Cleaning:** Wipe the vehicle with a soft, damp cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the toy in a clean, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check the wheels and axles to ensure they are free of debris and rotate smoothly.

5. TROUBLESHOOTING

The Hot Wheels Monster Trucks 5 Alarm is a simple mechanical toy. Most issues can be resolved with basic inspection.

- **Wheels not rolling smoothly:** Check for hair, string, or other debris caught in the axles. Carefully remove any obstructions.
- **Visible damage:** If the die-cast body or plastic components are broken, discontinue use to prevent injury. Refer to the Warranty and Support section for assistance.
