4. Maintenance

4.1. Battery Care

- Avoid extreme temperatures, which can degrade battery life.
- Use only the original charger and cable provided with the device.
- For optimal battery health, avoid frequently discharging the battery completely or keeping it at 100% for extended periods.

4.2. Cleaning Your Device

Use a soft, lint-free cloth to clean the screen and body of the phone. Avoid using harsh chemicals or abrasive materials, which can damage the device's finish or screen coating.

4.3. Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements. Go to *Settings > About phone > MIUI version* to check for updates.

5. Troubleshooting

5.1. Common Issues and Solutions

- **Device not turning on:** Ensure the battery is charged. Connect to a charger and try again.
- **Network issues:** Check SIM card installation. Restart the device. Verify mobile data or Wi-Fi

settings.

- **Apps crashing or freezing:** Close and reopen the app. Clear the app's cache (*Settings > Apps > [App Name] > Storage > Clear cache*).
- **Slow performance:** Close unnecessary background apps. Clear storage space. Restart the device.

5.2. Restarting Your Device

If your device is unresponsive, press and hold the Power button for approximately 10 seconds until the device restarts.

5.3. Factory Reset

Warning: A factory reset will erase all data on your device. Back up important data before proceeding.

To perform a factory reset, go to *Settings > About phone > Factory reset* and follow the on-screen instructions.
