

AMAFACE C01-purple

AMAFACE C01-purple Bluetooth Headphones User Manual

MODEL: C01-PURPLE

Your comprehensive guide to setup, operation, and maintenance.

1. Introduction

Thank you for choosing AMAFACE C01-purple Bluetooth Headphones. These wireless earbuds are designed for comfort and performance, featuring an open-back design, long battery life, and intuitive controls, making them ideal for sports and daily use. This manual provides detailed instructions to help you get the most out of your new headphones.

2. What's in the Box

- AMAFACE C01-purple Bluetooth Headphones (Left and Right Earbuds)
- Charging Case
- USB-C Charging Cable
- User Manual

Image: The AMAFACE C01-purple Bluetooth Headphones, including both earbuds and their transparent charging case, as they appear when unboxed.

3. Setup

3.1 Charging the Headphones

Before first use, fully charge the headphones and charging case. Place the earbuds into the charging case. Connect the USB-C cable to the charging port on the case and the other end to a USB power source. The smart LED indicators on the charging case will illuminate to show charging status and battery level.

Earbud Playtime: Up to 5 hours on a single charge.

Total Playtime with Charging Case: Up to 25 hours.

Charging Time: Approximately 2 hours for a full charge.

25H Long Battery Life

3.2 Bluetooth Pairing

The headphones feature automatic connection for seamless pairing.

1. Ensure the earbuds are in the charging case and the case is open.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Search for new devices and select "C01" from the list.
4. Once connected, the earbuds are ready for use. They will automatically reconnect to the last paired device when removed from the case.

One-Step Auto Pairing

Image: A visual guide demonstrating the one-step auto-pairing process with a smartphone's Bluetooth settings, showing "C01" as a connected device.

3.3 Wearing the Headphones

The AMAFACE C01-purple headphones are designed with an earhook for a secure and comfortable fit, especially during physical activity. They rest gently on top of your ears, providing an open-back listening experience.

5. Maintenance

To ensure the longevity and optimal performance of your AMAFACE C01-purple headphones, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh

chemicals or abrasive materials.

- **Water Exposure:** While the headphones are IPX6 sweat-resistant, avoid submerging them in water or exposing them to strong jets of water. Dry them thoroughly if they get wet.
- **Storage:** When not in use, store the headphones in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.
- **Charging:** Use only the provided USB-C cable or a certified equivalent for charging.

6. Troubleshooting

If you encounter issues with your headphones, try the following solutions:

Problem	Solution
Headphones not pairing	Ensure Bluetooth is enabled on your device. Place earbuds back in the case, close, then open to re-enter pairing mode. Forget "C01" from your device's Bluetooth list and try pairing again. Ensure earbuds are charged.
No sound from one earbud	Check if both earbuds are charged. Place both earbuds back in the charging case, close the lid, wait a few seconds, then open the lid and try again.
Charging case not charging	Ensure the USB-C cable is securely connected to both the case and the power source. Try a different USB port or power adapter.
Low volume or poor sound quality	Adjust the volume on both your device and the earbuds. Ensure earbuds are clean and free of debris. Check for any obstructions on the speaker grilles.
Intermittent connection	Ensure your device is within the Bluetooth range (approximately 10 meters). Avoid obstacles between your device and the headphones. Reduce interference from other wireless devices.
