

BTHFST C-V

BTHFST Corner Vanity Desk Instruction Manual

Model: C-V | Brand: BTHFST

IMPORTANT SAFETY INFORMATION

Always unplug the vanity when not in use. Keep electrical cords away from heat sources and liquids. Be cautious of sharp edges and heavy weight when moving or assembling the vanity. Keep the vanity away from children and pets.

PRODUCT OVERVIEW

The BTHFST Corner Vanity Desk is designed to maximize space efficiency while providing extensive storage and modern features. It includes a lighted mirror with adjustable settings, a built-in charging station, and various storage compartments to keep your beauty essentials organized.

Key Features:

- **3 Colors of LED Lights:** The mirror features a built-in LED light strip with a touch screen switch, offering cool white, warm white, and warm yellow light options. Brightness is adjustable for each color.
- **Built-in Power Strip:** Equipped with 2 USB ports and 2 standard outlets for convenient charging of electronic devices and powering beauty instruments.
- **Corner Vanity Design:** Unique shape fits perfectly into room corners, optimizing space and providing double support for enhanced stability.
- **Upholstered Storage Stool:** Comes with a comfortable faux leather and high-density sponge stool that also offers additional storage space.
- **Ample Storage Space:** Features 5 open shelves, 4 drawers, 2 hidden shelves behind the mirror, and rotating shelves for comprehensive organization of cosmetics and tools.

Product Dimensions:

Overall Dimensions: 42.5"L x 21.5"W x 54.6"H

OPERATING INSTRUCTIONS

LED Lighted Mirror Operation:

The mirror features a touch-sensitive power button and a brightness adjustment function. Tap the power button to cycle through the three light colors: cool white, warm white, and warm yellow. Press and hold the power button to adjust the brightness level for the selected color.

MAINTENANCE

To maintain the appearance and longevity of your vanity desk, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe any spills to prevent staining or damage to the engineered wood.
- **Mirror Care:** Clean the mirror surface with a soft, lint-free cloth and a glass cleaner. Do not spray cleaner directly onto the mirror to avoid liquid seeping into the LED components.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning near the charging station or mirror lights.

TROUBLESHOOTING

- **LED Lights Flickering or Dim:** If the LED lights on the mirror are flickering or appear dim, first check the power adapter. Ensure it is securely plugged into both the vanity and a working wall outlet. If issues persist, the power adapter may be faulty and require replacement.
- **Assembly Difficulties:** The assembly process involves many pieces. If you encounter difficulties, re-read the instructions carefully and ensure all parts are correctly oriented. Having a second person assist with assembly can significantly ease the process.
- **Missing Hardware or Parts:** In the event of missing hardware or components, please contact BTHFST customer support immediately with your product model number and a description of the missing items.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly installed and aligned. Ensure no debris is obstructing the tracks.

SPECIFICATIONS
