2. SAFETY INFORMATION

This building set contains small parts and is recommended for ages **14 years and up**. Due to the small size of the micro mini blocks, adult supervision is advised for younger builders. Keep all components out of reach of small children to prevent choking hazards.

3. SETUP & ASSEMBLY

Before beginning assembly, ensure you have a clean, well-lit workspace. Sort the building blocks by color and shape to

facilitate the construction process. The instruction booklet included with your set provides detailed, step-by-step diagrams for assembly. Follow these diagrams carefully to ensure correct construction.

3.1 Understanding Micro Mini Blocks

This set utilizes micro mini blocks, which are significantly smaller than standard building blocks. This allows for greater detail and intricate designs in the final model. Patience and precision are key when working with these smaller components.

5. DISPLAY AND CARE

Once assembled, your Colosseum model makes an excellent display piece for your home or office. To maintain its appearance, keep it away from direct sunlight and excessive dust.

5.1 Cleaning Instructions

To clean the model, gently wipe it with a soft, dry cloth. For more stubborn dust, a slightly damp cloth can be used, but ensure no water seeps into the block connections. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.

6. TROUBLESHOOTING

6.1 Model Instability or Bowing

If you experience instability or bowing in the base or other sections of the model, it is often due to blocks not being fully pressed together or slight misalignments. Carefully review the sections that appear unstable. Disassemble and reassemble the affected layers, ensuring each block clicks firmly into place. Applying even pressure across the entire surface of the block during assembly can help prevent bowing.

6.2 Missing or Damaged Pieces

While rare, if you find any missing or damaged pieces, please contact alltogetho customer support with your purchase details and a description of the issue. We will assist you in resolving the problem.
